GOT DRINK IN AN HOTEL

WHEN TWO STRANGE MEN OPENED BOTTLE IN LAVATORY.

Pte. Albert Gray, of the 155th Battalion, was Fined \$10 and Costs in Police Court Saturday Morning—Youth Guilty of Theft Goes on Suspended Sentence.

According to the story of Pte. Albert Gray, a young chap, who is going overseas with the 155th Battalion, and who was before Magistrate Farrel on Saturday morning, charged with being drunk, he happened to step into the lavatory at one of the local hotels Friday night just in time to see a couple of men, who were strangers to him, open a bottle of liquor. He shared in the liquid refreshments, and as it was some time before he had partaken of "strong stuff" it went to his head—or rather he lost his head. Lieut. James Graham headed him for the police lock-up, and Inspector William McCammon laid a charge against him for being "under the influence of liquor in a public place, contrary to the provisions of the Temperance Act."

When arraigned, the accused pleaded "guilty," and then told the magistrate how he had met the two men in the hotel about to open a bottle of liquor. He could not give the name of the hotel, nor even the men who had the liquor. He remembered that one of the men went under the name of "Charlie."

After hearing the story, the magistrate fined Gray \$10 and costs. A youth who had been on remand several days on a charge of theft was allowed to go on suspended sentence. The magistrate gave him some good sound advice, and expressed the hope that he would make good.

IN THE HALLS OF QUEEN'S

MEDICINE '17 HELD FINAL MEETING FRIDAY EVENING.

Divinity Students Returning For Opening of Session.—All Tennis Preliminary Games Must be Completed by Oct. 20th.

The year '17 in medicine held its last regular meeting on Friday evening. Several members of the Oiler club also attended, and a most enjoyable evening was spent.

The question of whether the year would have its own year book, or unite with the final year in Arts and Science came up for discussion.

The election of the permanent executive will be held at a special meeting of the year to be held shortly.

The programme provided was entertaining. C. M. Selery read a clever oration, in which he recalled many pleasant and amusing experiences in the younger days of their course.

W. Clark also read an interesting paper on the life of John Hunter, a medical investigator, which was most favorably commented on.

The musical programme consisted of an instrumental number by J. Foyers, a duet by P. M. Macdonnell and W. W. McKay, and also a solo by P. M. Macdonnell. Following the programme light refreshments were served.

A number of the divinity students have returned to the University to try supplemental examinations.

The entries to the tennis tournament have been posted in the gymnasium. There are a large number of contestants for the first round, and all games must be completed by October 20th.

Both Arts '19 and Arts '18 held their first meetings on Friday afternoon. Nominations to fill the offices on the executives of the societies were received.

W. E. Rankin, who is in the General Hospital as a result of being accidentally injured in the Arts rush, was nominated by the junior year for the office of president.

The tuncet music of Queen's orchestra could be heard in the old arts building on Friday afternoon. The second practice was held, and the players are showing marked progress.

The C.O.T.C. met on Saturday afternoon for organization purposes.
