CHINAMEN AND WHITE GIRLS

ARE EMPLOYED TOGETHER IN LOCAL INDUSTRY.

So Trades and Council Informed—Steps Will be Taken to End, if Possible, This Relationship—High Cost of Living Discussed.

Some Chinamen are said to be working with white girls in a local industry, and the matter was discussed Thursday night by the Trades and Labor Council. The Council was strongly opposed to this industrial relationship, and will take steps, if possible, to prevent it. The secretary was instructed to secure a copy of the law of Alberta Province, which prohibits Chinese being employed in an establishment with white girls. The council will also ascertain if there is anything in the laws of Ontario against yellow men and white girls working together. If there is nothing to prevent this, the local council will likely make a representation to the Trades Congress with a view to having a law passed by the Legislature.

There was a lengthy discussion on the high cost of living in regard to the necessities of life. It was the unanimous opinion of those taking part in the discussion that these necessities were altogether too high, but the council deferred taking action, pending the result of the conference held in Ottawa Friday between a municipal and labor deputation and a sub-committee of the cabinet appointed to inquire into the high cost of living.

Credit to City Engineer.
To City Engineer McClelland belongs the credit of getting the Grand Trunk Railway Company to remove its old freight sheds along the waterfront between William and Johnston streets. When officials of the company were here in the summer regarding the railway spur being then built along Ontario street Mr. McClelland urged that the old structure be razed and the wharf facilities increased. The officials promised to look into the matter, and the removal of the long building is a feather in the cap of Kingston's city engineer.

Mayor is Delegate.
At a meeting of the civic finance committee held on Thursday night Mayor Richardson was appointed a delegate to attend the meeting in Ottawa to discuss the high cost of living. Mayor Richardson went to Ottawa on Friday morning.

Every Lady Should See

GOT LIQUOR IN MONTREAL

THREE SOLDIERS MADE MERRY ON A G.T.R. TRAIN.

Taken Off at Kingston While on Their Way From Montreal to Toronto—A Fine of \$10 and Costs of One Month Imposed.

Three well-built men, wearing the King's uniform, were lined up before Magistrate Farrell in the police court on Friday morning, charged with being under the influence of liquor in a public place. The public place referred to was a G.T.R. train on its way from Montreal to Toronto on Thursday afternoon. The three men filled up on Old John Barleycorn while the train sped on its way, but before Kingston was reached they were pretty much "overboard," so much so that the local authorities were communicated with, and when the train reached Kingston the police were on hand to meet the "soldier boys," taking them to the police station.

The men gave their names as Robt. Tombs, Robert Reid and Charles Leeting. Constables Armstrong, McCarey and Sergeant took them to the station.

Arraigned before Magistrate Farrell, the three put in a plea of "guilty," and a fine of \$10 and costs or one month in jail was imposed upon each. Two paid up immediately on each; the court session, and the third was negotiating for the price. The men will be sent on to Toronto with an escort, but now that they are out of the Province of Quebec they will have to abide by the Temperance Act. Under oath they told Magistrate Farrell that they had secured their liquor in Montreal.

ONE BATTALION TOOK SIX HUNDRED GERMANS

A Company Commanded by Lieut. Cecil Stuart Captured 200 Germans.

The 26th Battalion, to which Lieut. Cecil Stuart, of this city, is attached, is a New Brunswick unit and was one of the first regiments to fight in the open since the battle of Mons. It went into action 600 strong and took 600 German prisoners, 200 of which were captured by "A" Company, which was commanded by Lieut. Cecil Stuart. Many compliments from headquarters and officers have been received regarding its conduct in action. It was in this case that Lieut. Stuart with one man took 20 prisoners, which caused his recommendation for the Military Cross.

INTEREST IN FIGURES IN WEDNESDAY'S ISSUE

Headquarters Securing Information From All Sources on Number of Recruits.

The figures used in an article in Wednesday's issue of the Whig received great attention at the camp, showing as it did that this district had already recruited its quota of men. For the information of headquarters, Lieut. Col. H. R. Wilson, D.A.A. and Q.M.G., has sent out a circular letter asking every unit to report the actual number of recruits. The returns that will be received from this letter being sent out will act as a check on those already in use and give headquarters an accurate number of the number of recruits in this district since the war broke out in August, 1914.

BLUE CROSS SOCIETY.

Programme in St. George's Hall Enjoyed by Large Audience.

In spite of the bad weather, St. George's Hall was well filled on Thursday evening, when the boys of the Blue Cross Society gave their concert. Choruses, Scout first aid work and physical drill, led by G. Lawes, were given by the boys, while songs by Miss C. Forrester, Miss D. Craig—and violin solos by Lieut. Simpson of the Military Y.M.C.A. were rendered by these kind friends, who helped the little lads. Rev. G. C. Whalley was in the chair, and Miss Janet Porteous accompanied the soloists. A good sum was taken in for the Blue Cross work.

TWO PER CENT. NOT POPULAR.

Hotelmen Report Demand is Decreasing Rather Than Increasing.

Local hotelmen report that the demand for two per cent. is not increasing, in fact, it is decreasing, the first two weeks, they say, being the best, curiosity being responsible for this. They explain that had prohibition come into effect early in the summer, the taste of the liquid-consuming public might have been educated in the direction of two per cent., but as these drinks have to be served cold, there is not much chance, with cold weather coming on, to do any educating.

IS RETURNING HOME.

Lieut. "Web" Robinson, of Nanapan, Given Leave of Absence.

Lieut. "Web" Robinson, son of Mrs. Joseph Robinson, of Nanapan, who went overseas with the 59th Battalion, and who was afterwards transferred to the 60th Battalion, will arrive at his home to-night. His brother, Joseph Robinson, who went overseas with him, was recently killed. Lieut. Robinson has been given leave of absence to come home and see his mother.

LIEUT. MACDONNELL IMPROVING.

He May be Sent to Switzerland From Germany.

Lieut. Hugh Macdonnell, barrister, of Toronto, who is a prisoner of war at Walkenbeck, Hanover, Germany, is recovering nicely from the wound in his lung, according to word which he recently sent his father, G. M. Macdonnell, K. C.

LIVELY FIRE IN GARAGE

GEORGE BOYD SUFFERED SERIOUS LOSS ON FRIDAY MORNING.

Believed That Electric Wires Affected by Recent Big Storm Caused the Fire—Several Cars Rushed Out and Escaped the Blaze.

The garage of George Boyd, Brock street, suffered a serious loss by fire on Friday morning. When asked by the Whig, Mr. Boyd could not say just what his loss would be, but that it would be quite heavy. He carries insurance of \$2,000, while Mr. Bibby, who owns the building, has \$3,000.

The fire broke out at 7:42 o'clock on the second story, where the automobile stock and repairing apparatus is quartered, and it was in this department that the loss was incurred. The fire was kept at the front of the building, and did not get down stairs, although the ground floor was well flooded with water. The firemen used three streams of water. The fire is believed to have been caused by electric wires, which became defective as a result of the recent big storm in Kingston.

It was a hot fire while it lasted, and it took some quick work on the part of Chief Armstrong and his squad to get it under control. However, in half an hour's time, the fire was under control, and extinguished a short time later. Three lines of hose were used.

Several cars were in the ground floor when the fire broke out, but the men employed in the garage got these out of the way in quick order, and there was no loss in this respect. Mr. Boyd bought the garage from Mr. Bibby two weeks ago. Mr. Boyd stated that he had about \$4,000 worth of stock in the building, and this has been practically ruined.

FOR QUEEN'S HOSPITAL.

Further Donations Received to Help the Work.

The following donations have been received for Queen's General Hospital and Field Ambulance:

- Previously acknowledged, \$25.793.95.
- \$45—Arts, 1916, Memorial Fund, Queen's University.

"The Hat Store"

NEW HATS

Come in and look them over.

Those who like variety in their hats should pay a visit to "the hat store" today and see the great array of new shades and shapes. Every well dressed man likes more than one hat. You simply can't wear the same hat every day, morning noon and night, and feel just right. Hat variety is equally important, as variety in any other wearing apparel. It is the last thing you put on, but the first thing others notice.

All the best hat makers are represented in our stock, Knox, Borsalino, Hawes, Tress, Piccadilly, Waverly Hats and many others.

We save you something on every hat you buy.

In Marine Circles

The weather is still very rough, and a large number of vessels have been delayed. The Montreal Transportation Company is waiting for several arrivals from Charlotte and Port Dalhousie.

The schooner Andrews cleared on Friday for Charlotte, and the schooner Eccles cleared for Oswego.

The steamer Oakland arrived in port from the Welland Canal on Thursday night, and cleared on Friday morning for Montreal. The vessel had a very rough passage.

The steamer Beaverton passed down at 2.10 a. m. Friday.

The steamer Haddington passed down on Friday morning.

The work of releasing the schooner Lizzie Metzner at Oswego has commenced.

The steamer Arabian passed up on Friday.

Steamer Thom Ashore.

The steamer John F. Thom, formerly the Henry R. James, of the Rutland fleet, is aground at the westerly end of Corrigan's Island, near Waddington. The boat unloaded a cargo of pulp wood there, and was traveling light in the high wind of Wednesday when the accident happened in swift water.

Part of the Donnelly Wrapping Company's equipment was sent to the scene of the accident to-day. The boat is owned by the Thom Company of Quebec.
