

RED CROSS SOCIETY ACTIVE

LOCAL BRANCH ACCOMPLISHED MUCH DURING PAST YEAR.

Splendid Reports Presented at Annual Meeting Held Thursday Afternoon and Executive Re-elected. Lieut.-Col. Connell's Tribute.

Secretary's Report.

The first report submitted was that of the hon. secretary, Miss Marion Rodden. Feeling reference was made to the death, in Cairo, of Lieut. Col. H. R. Duff, who, to quote from the report, "always took a keen interest in Red Cross work, and who called together the meeting, when the war first broke out, the outcome of which was the formation of the branch, which, as the result of his initiative, was one of the first in Canada to commence active work."

Regret was expressed that the president, Mrs. Iva Martin, had been incapacitated through illness, and it was noted with gratification that she was returning shortly to resume her responsibilities.

Gratitude was expressed to Dean Connell for the many courtesies he had shown the society, notably in having a room in the old Medical Building at Queen's placed at its disposal.

In telling of the shipments made to Queen's Hospital, the chief objective of the local Red Cross workers, the report stated that in all 959 cases had been sent, 804 of these having been despatched during the year just closed—165 to Cairo and 649 to France.

Of that large number only eleven cases had failed to reach the hospital, and even then word had been received of the whereabouts of four of them.

Other Good Work Done. Apart from the shipments made to

Early Colds. Cannot withstand the Hickey-Dover Combination. Dover's Cold Breakers will quickly break up the worst head-cold and get it out of the system, and a few doses of Hickey's Speedy Cure will loosen up the tightest chest cold or cough.

Best's. The Popular Drug Store Open Sundays.

Look over all the styles for this season and you'll choose one of the creations of FASHION CRAFT for they are creations in every sense of the word. Models that are designed by artists, with a view of making every garment individual.

E. P. Jenkins Clothing Company. We want the privilege of showing you a wide variety and carefully chosen stock.

ANAEMIC PEOPLE. Need More Iron in the Blood. If you are anemic, you need more iron in your blood, and the tell-tale symptoms are a pale face, colorless lips, aching finger nails, poor circulation and short breath, and more serious diseases are easily contracted when in this condition.

E. P. Jenkins Clothing Company. We want the privilege of showing you a wide variety and carefully chosen stock.

TO BE DECIDED IN WEST

MARCHAND SAYS ALLIES WILL KEEP UPPER HAND TO END.

Obligated to Restrain the Men of the Allied Armies So As To Keep in Line With the Others at the Front. With the French Armies in France.

From a staff correspondent of the Associated Press, via Paris, Oct. 19. Far down in his dug-out, Brigadier-General Marchand yesterday expressed to the Associated Press his opinion that the war would be decided on the western front whenever the Entente Allies saw fit to strike the final blow.

General Marchand, long ago, as he himself puts it, had the honor of being a "little adversary" of the late Earl Kitchener in Africa, but afterwards became one of Kitchener's greatest admirers. He spoke of Earl Kitchener's organizing skill with admiration and when the Field Marshal's death was mentioned, was deeply moved.

At present, General Marchand has under his orders a division composed of some of the most daring troops in the French army. Since he recovered from his wound he and his men have achieved high distinction on various sections of the front.

Asked what was the principal lesson learned in this war, General Marchand replied: "Formerly an army which occupied the heights was supposed to have the advantage. We have learned from experience of trench war that the force down below has the upper hand since it can shell the enemy out of his trenches above while the opposing artillery can with difficulty bombard trenches below it."

THE BATTERY "O. PIP."

From W. D. D., in "London Chronicle." The Observation Post (always referred to as the "O. Pip") of the field artillery is usually placed as close to the Hun as possible.

Cramped in a crumbling dug-out. Adjoining "No Man's Land," and chilled to the bone I squat at a phone. That sits on a sandbag stand My ticker points to midnight— I've two more hours to do. And keeping awake would wreck the case.

From the torture Tantalus knew "Tis here the "eyes" of the battery. Detect the Hun at work; And targets fair we 'phone to where. Our eighteen-pounders lurk. Then shoals of high-explosive Frustrate the plans of Fritz. Who runs to ground as we promptly pound.

CARRANZA WARNS CUBA

Newspaper Attacks on Mexico Must Cease, He Says.

Havana, Oct. 19.—The Carranza Government today notified Cuba that unless the Cuban newspaper attacks on Mexico cease it will make incompatible a continuance of friendly relations with Cuba, and Mexico will be relieved of all obligations of reciprocity. This is the second time Mexico has complained.

WAR SOLVES PROBLEMS.

Capital and Labor Difficulty Will be Solved. St. Louis, Oct. 20.—Right Rev. Huiyache Yeatman-Biggs, bishop of Worcester, England, in an address before the Business Men's League here said that he saw in the extraordinary mental and moral movement awakened in England by the war, an influence that will bring back the spirit of religion and solve a problem of capital and labor.

NEW SEAT FOR ROGERS.

Stated Minister Will Vacate Winnipeg for Argentine. Winnipeg, Oct. 20.—Hon. Robert Rogers will not contest Winnipeg again, his friends state, but will run in Argentine. Que., the seat of Sir George Perley, Acting High Commissioner in London, who had 600 majority there in the last election.

QUEEN'S DRAMATIC CLUB

DECIDES TO PRESENT "MILESTONES" THIS COLLEGE SESSION

The Arts Rugby Games Start Next Wednesday—The Arts Athletic Committee Plans For the Various Sports.

A special meeting of the Dramatic Club was held on Thursday afternoon, in the English room, with a large number of students in attendance.

The meeting was held for the purpose of choosing a play suitable for production during the fall. A committee recently appointed to choose a number of plays which could be produced, reported that "Milestones," "The Return of the Prodigal," or "The Importance of Being Earnest," were all suitable for an early production.

A vote was taken and it was finally decided that "Milestones" would be produced. It was also decided that the tryout for parts would be held on Friday evening, October 27th.

At a meeting of the dramatic committee held immediately after, it was decided that Profs. W. E. McNeill, L. D. Falls, W. N. Sage, J. F. Macdonald, and W. Taylor would be invited to act as judges at the tryout.

Following this the actors will commence the work of setting their parts down to perfection, and there seems little doubt but what it will be a most creditable production.

The Arts athletic committee held their first meeting of the season on Thursday afternoon. There was a large representation from the various years, and much discussion took place on the plans for the season in sports in the faculty of Arts.

The most important thing done by the committee was the decision that the rugby games would be started on Wednesday next. It is not known yet what teams will play.

PTE. VINCENT PURTELL KILLED.

Another Young Kingston Soldier Pays the Supreme Sacrifice.

The war has claimed another Kingstonian's life in the person of Vincent PurteLL, the well-known son of Mr. and Mrs. William PurteLL, 25 Charles street. The deceased was a member of the 59th Battalion, transferring to the Royal Canadian Rifle Brigade. He was killed on October 4th, according to a telegram on Thursday from the Militia Department.

Before enlisting Pte. PurteLL was a machinist at the locomotive works. He was educated at Kingston schools, and was a prominent athlete, being with the junior Frontenac hockey team.

Pte. Sawers Seriously Wounded.

Mrs. Sawers, 412 Barrie street, has been notified that her husband, Pte. D. W. Sawers, has been seriously wounded in the leg and shoulder.

Pte. Sawers left Kingston with the 21st Battalion on May 25th, 1915. He returned in November following an attack of appendicitis, but left again on March 29th, 1916, for England as a member of the 59th Battalion. He is a son-in-law of Mrs. W. Bevis, city.

A SALARY INCREASE FOR FIRE FIREFIGHTERS

Fire and Light Committee Will Recommend Scale to City Council.

At a meeting of the sub-committee of the Fire and Light Committee held on Friday afternoon, it was decided to recommend an increase in salary for the members of the Fire Department. The figures will be given out in the report the committee will submit to the City Council at its meeting on Monday night.

At the regular meeting of the committee held early in the week, the question was discussed, and a special committee composed of the chairman (Ald. O'Connor), Ald. White, Ald. Nickle, and City Clerk Sands, was appointed to take up the matter and secure the schedule of salaries paid to members of fire departments in other cities.

This committee held a private session on Thursday afternoon, and after going over all the information, decided on a scale for the firemen, and this will be presented to the Council when it meets on Monday night next.

See windows and yesterday's papers for long list of savings. We meet or beat all catalogue prices, failing this your money back. STEACY'S Kingston's Greatest Store

Stomach Medicines Are Dangerous. DOCTORS NOW ADVISE MAGNESIA. Just how dangerous it is to indiscriminately dose the stomach with drugs and medicines is often not realized until too late. It seems so simple to swallow a dose of some special mixture or take tablets of soda, pepsin, bismuth, etc., after meals, and the folly of this drug-giving is not apparent until, perhaps, years afterward, when it is found that gastric ulcers have almost eaten their way through the stomach walls. Regrets are then unavailing; it is the early stages when indigestion, dyspepsia, heartburn, flatulence, etc., indicate excessive acidity of the stomach and fermentation of food contents that precaution should be taken. Drugs and medicines are unobtainable and often dangerous—they have little or no influence upon the harmful acid, and that is why doctors are discarding them and advising sufferers from indigestion and stomach trouble to get rid of the dangerous acid and keep the food contents bland and sweet by taking a little bisulphated magnesia instead. Bisulphated Magnesia is an absolutely pure anti-acid which can be readily obtained from any drug store. It is absolutely harmless, is practically tasteless and a teaspoonful taken in a little warm or cold water after meals, will usually be found quite sufficient to instantly neutralize excessive acidity of the stomach and prevent all possibility of the food fermenting. THOMES COPLEY Telephone 987. Drop a card to 19 Pine street when wanting anything done in the carpentry line. Estimates given on all kinds of repairs and new work, also hardwood floors of all kinds. All orders will receive prompt attention. Shop, 89 Queen street.
