Sir Herbert Tree, on his first visit to New York in Henry VIII., scored one of the greatest successes ever recorded in the big American city. Sir Herbert is now sixty-three wears of age and has had a most interesting career. He spent his first 17 years in England and Germany and then started in business with his father in London, and devoted considerable time to amateur theatrical work. His first appearance was made at Folkestone in 1878 in Alone. He married Miss Maud Holt in 1884. Among Sir Herbert's chief successes are The School for Scandal. The private Secretary, Jim the Penman and Trilby. He started his Shakespearean career in 1889 when he played Falstaff in The Merry Wives of Windsor and played Hamlet in 1892. His Majesty's Theatre, London, was opened in 1897 and he has been associated with the theatre ever since. His first visit to America was in 1894 in An Enemy of the People. In Henry VIII. Sir Serbert Tree broke all records for a Shakespearean play running for 254 performances.
