APPROVES SILVER CROSS. Writes Appreciation and Will Bring Matter Up for Action.

Toronto, Oct. 23.—The proposal that a silver cross be granted by the Government to mothers in Canada who have lost their sons in battle is now receiving consideration by Sir Robert Borden. He has written to W. A. Fraser, the originator of the beautiful idea, to say he will bring the matter to the attention of his colleagues for action. A letter to the same effect from Sir Robert has also been received by the Empire Club, of Toronto, and by Dr. Alex. Fraser, representing the Scottish societies, from Sir Sam Hughes. It appears likely that the matter will be favorably considered, as it is known that Sir Robert Borden expressed himself as much impressed by the proposal when it was first presented to him.

SYRUP OF FIGS FOR CROSS, SICK, FEVERISH CHILD

If Little Stomach Is Sour, Liver Torpid or Bowels Clogged.

Mothers can rest easy after giving "California Syrup of Figs," because in a few hours all the clogged-up bowels, sour bile and fermenting food gently moves out of the bowels, and you have a well, playful child again. Children simply will not take the time from play to empty their bowels, and they become tightly packed, liver gets sluggish and stomach disordered.

When cross, feverish, restless, see if the tongue is coated, then give this delicious "fruit laxative." Children love it, and it can not cause injury. No difference what ails your little one—if full of cold, or a sore throat, diarrhoea, stomach-ache, bad breath, remember, a gentle "inside cleanser" should always be the first treatment given. Full directions for babies, children of all ages and grown-ups are printed on each bottle.

Beware of counterfeit fig syrups. Ask your druggist for a 50-cent bottle of "California Syrup of Figs," then look carefully and see that it is made by the "California Fig Syrup Company." We make no smaller size. Hand back with contempt any other fig syrup.

AN APPEAL FOR MISSIONS

MADE IN METHODIST CHURCHES HERE ON SUNDAY.

German Settlement in Western Canada Being Taught German on Account of Lack of Canadian Missionaries.

Special missionary services were held in all the Methodist churches of the city on Sunday.

At Sydenham street church on Sunday evening, W. H. Goodwin, a prominent business man of Montreal, spoke. He referred in a most interesting address to the work of educating the foreigners in western Canada, and cited a case in one locality, where on account of lack of Canadian missionaries, an entire German settlement was being taught German, and the English language was not spoken. He also made reference to the Peace River district, where two missionaries are doing the work where twelve should be on the job. This was all due to the lack of funds, as the missionary boards were unable to furnish the men.

At the morning service, Rev. C. E. Manning, E.A., a missionary secretary, and a former pastor of Sydenham street church, gave an account of missionary work and made a splendid appeal for more help to carry on the work.

Elmer Davis and Oliver Chown occupied seats on the platform at the evening service. Mr. Davis spoke of the need of increased missionary giving during the year. During the past year Sydenham street church has lost through deaths and removal from Kingston, sufficient members to reduce the missionary giving by \$500. This amount has to be met.

Collections were taken up at both services, and it is expected that a good sum will be realized.

Rev. Alfred Brown announced Sunday night, that the musical service next Sunday evening would be of special interest on account of the fact that two of the members of the choir were leaving for Toronto, where they would reside in the future.

Rev. E. R. McLean of Cooke's church, and Rev. C. E. Manning were the speakers at the special missionary services held in Brock street church.

At Princess street Methodist church the programme consisted of addresses by the pastor, Rev. Mr. Curry, Dr. Nash and Rev. Alfred Brown.

Use the Old-time Sage Tea and Sulphur and Nobody Will Know.

Gray hair, however handsome, denotes advancing age. We all know the advantages of a youthful appearance. Your hair is your charm. It makes or mars the face. When it fades, turns gray and looks streaked, just a few applications of Sage Tea and Sulphur enhances its appearance a hundred fold.

Don't stay gray! Look young! Either prepare the recipe at home or get from any drug store a 50-cent bottle of "Wyeth's Sage and Sulphur Compound," which is merely the old-time recipe improved by the addition of other ingredients. Thousands of folks recommend this ready-to-use preparation, because it darkens the hair beautifully, besides no one can possibly tell, as it darkens so naturally and evenly. You moisten a sponge or soft brush with it, drawing this through the hair, taking one small strand at a time. By morning the gray hair disappears; after another application or two, its natural color is restored and it becomes thick, glossy and lustrous, and you appear years younger.

Wyeth's Sage and Sulphur Compound is a delightful toilet requisite. It is not intended for the cure, mitigation or prevention of disease.
