

WAS HIT WITH SHRAPNEL

PTE. J. BRYANT DOING NICELY IN HOSPITAL AT CAMBRIDGE.

Speaks Well of Treatment He Has Received in the Hospital—Looked After by the Canadian Red Cross Society.

Pte. J. Bryant, who was recently wounded, writes as follows under date of Oct. 8th to his mother, Mrs. C. Bryant, 307 Earl street, from the First Eastern General Hospital, Cambridge, England: "My wounds are practically healed up now, and do not cause any pain, although the piece of shrapnel is still in my back yet. Any day now I expect to have an operation to take this piece out of my back, this being the only piece left there now. My last operation was on Sept. 23th when they took a piece out of my chest. We are all treated very well in this hospital. The doctors and nurses give us the very best attention. One side of our wards has a partition, and these are left open day and night if the weather is fine, thus giving the patients plenty of fresh air and sunshine."

In addition to the letter from her son, Mrs. Bryant also received a letter from the Canadian Red Cross Society, under date of Oct. 7th, in which reference was made to the fact that Pte. Bryant had been brought to the hospital from France on Oct. 2nd, suffering from a gunshot wound in the back. He had been visited by the authorized visitor from the society on Oct. 6th, and 8th, and he was reported as sitting up in bed and looking well and cheerful.

The letter goes to show what a wonderful work the Canadian Red Cross Society is carrying on in looking after the welfare of the wounded. "He asked for a shaving outfit," says the letter, "which we have been glad to send him, and you may rest assured if there is anything he needs which is not supplied by the hospital, we will be glad to send it. You will be glad to know that his case is marked, wound alright, and is not considered serious. We will keep you posted as to his condition."

NOW REV. T. DARLEY ALLEN.

Former Kingstonian Enters the Ministry of Christian Denomination.

T. Darley Allen, M. A., formerly of this city and well-known here as a contributor to many periodicals about twenty years ago, has entered the ministry of the Christian denomination. Mr. Allen now resides in Cleveland, and has been connected with newspapers there for several years.

The following from the "Herald of Gospel Liberty," an official organ of the Christian denomination, recently said: "Rev. T. Darley Allen is a man of real ability, an accomplished newspaper man, and we have no doubt with sufficient time he will make as useful a man in the ministry as he has been in the newspaper world. He was trained as a newspaper expert under the labors of the late beloved and lamented H. L. Hastings, of Boston, Mass. Brother Allen hopes soon to be ready for the active pastorate among our people, and, unless we are woefully mistaken, happy will be the church that secures him."

Two Cases of Eczema and How They Were Cured

Further Proof That Dr. Chase's Ointment is a Positive Cure for Chronic Eczema.

If you read these letters you will find that Dr. Chase's Ointment is not to be classed among ordinary salves and ointments.

By actually curing itching, stinging eczema in many thousands of cases it has stood the most severe test to which any ointment can be put.

Mr. J. Brice, Temperance road, Parry Sound, Ont., writes: "Just a line to praise Dr. Chase's Ointment for what it has done for my wife. She has been suffering with eczema in her head for two years, and has spent no end of money with doctors and for ointments, which did her no good. She had about given up hope of ever being cured when someone told her to try Dr. Chase's Ointment. By the use of this Ointment the trouble has left her entirely, so we have unbounded faith in it. I have told several people about the Ointment."

Mrs. W. G. Dowden, Greenspond, Bonavista Bay, Nfld., writes: "I suffer-

Letters to the Editor

Cost of Church Union.

Toronto, Oct. 24.—(To the Editor): Misleading statements have been given wide circulation through the public press this week regarding the Church Union Committee of the General Assembly of the Presbyterian Church, as to the personnel of the committee, the cost of its administrative work, and the legality of the expenditure incurred.

The committee was appointed in St. John, N. B., in 1904 (see Minutes, 1904, p. 25). It consisted of 60 members, 30 of whom were Factors, 20 were Elders, and the remainder represented the great Missionary, Educational and Benevolent departments of the Church. When the committee was appointed the Assembly resolved: "That the expenses of the committee be paid, and that they be levied pro rata upon the various Schemes of the Church according to the receipts of the year 1903-4, East and West."

The committee was appointed with absolute unanimity, and the resolution regarding the payment of expenses also. From that day to this no man on the floor of the Assembly has ever challenged the legality of the payment of the Committee's expenses as they were reported from year to year by the treasurers, east and west. The audited accounts show that no expenses incurred by either majority or minority of the Union Committee in their propaganda were ever paid out of mission funds.

The total amount paid from the inception of the work in 1904 until the present time has been \$17,519.43. The men on the committee represented the church from the Atlantic to the Pacific. The travelling expenses of all the members, both of those who voted in the majority of the committee and those in the minority, were paid. During those years 1904 to 1916 two votes of the whole church were taken. This involved the printing of ballots and sending out the Basis of Union, a pamphlet of 32 pages, to every family, communicant and adherent of the church. The last vote taken required 16 tons of paper to print the documents. Annually the report of the committee was made to Assembly, and for a number of years the minority report of those who dissented from the committee, was also made, and these were charged pro rata as the reports of other committees were. These expenses were levied on the various schemes, and so the expenditure was made in strict accord with instructions of the General Assembly and was published in the treasurer's statements from year to year.

When statements are made that the cost was \$40,000.00, and even more, and that the majority of the committee used the mission funds of the church illegally, they are therefore not only misleading, but false. It was the General Assembly, which represents the whole church, and acting for the whole church, which incurred the expenditure, and not the majority in the Union Committee. The minority was a party to this expenditure just as surely as was the majority.

KINGSTON DRIVING CLUB WILL BE 1,100 SOLDIERS

IS FORMED BY THE HORSEMEN OF THIS CITY.

F. J. Metcalfe Elected President and Secretary—The Club Open to All Horsemen of the District.

There has been a feeling in horsemen circles for some time that a club should be formed to bring them closer together for the development of their common interests. The feeling materialized at a meeting held on Wednesday evening, when a large and very representative number of horsemen met and discussed the formation of "The Kingston Gentlemen's Driving and Mattice Club." It was decided that the club would be open for membership to men of the district. It was felt that co-operation among all interested in the sport of horse racing could make Kingston a centre for Eastern Ontario racing, and the enthusiasm that prevailed indicated that all would unite in this object.

M. S. Grace was elected honorary president, F. J. Metcalfe president and secretary; H. B. Smith, chairman and treasurer; and T. Nicholson, vice-president.

ferred a statutory charge, while his wife has filed a counter suit, charging cruelty and abandonment. Hampden Triplett, New York lawyer and brother of the clergyman, described the alleged motor trip to New Haven on May 15th, 1915, when Mrs. Triplett was accompanied by J. W. Shore, of New York. After the Hampden Triplett had overheard the arrangements being made in a telephone booth, he got two detectives. "We saw them register at a hotel," said Triplett, the lawyer, "as J. L. Curtis and wife." A short time later we went to their room and found Shore and my sister-in-law together in scanty attire.

In his bill of particulars, Rev. Triplett averred that he was married in New York on June 20th, 1905, and charges that his wife committed statutory offenses in 1908 in New York with some "old handloom man" and again in 1911-12-13 and 1914 on Tidd's Island and in the St. Lawrence River near Gananoque with George E. Cosh.

A. A. Ailing, an attorney, declared in statements to the court that Triplett sought to succeed to the pastorate because of the separation action brought by his wife two years ago he feared this would be impossible, and that an action based on improper conduct would be the only medium for obtaining the decree. Mr. Triplett was formerly pastor of Bedford Park Presbyterian church in Camden, but resigned early in 1908 following a suit for libel against him by a member of his parish, Mrs. Nellie E. Miller, who alleged he had slandered her.

Rev. Mr. and Mrs. Triplett are well known in Gananoque. For several years before her marriage Mrs. Triplett and her mother occupied a cottage at Tremont Park, and after she was married continued to come there with her husband. Neither Mr. Triplett or Mrs. Triplett were at the Islands this past summer. A year ago they were both there, but they were then estranged. Rev. Mr. Triplett has preached in St. Andrew's Presbyterian church at Gananoque.

FINED \$200 AND COSTS

FRANK O'TOOLE SECURED LIQUOR IN OGDENSBURG.

Stayed at Local Hotel and Had a High Old Time—Attempted to Get Revolver Away From Constable Armstrong, Who Arrested Him.

Police Court fines for drunkenness are going up. People who want to drink whiskey and fall into the hands of the police find that the cost of living is pretty high.

Frank O'Toole, a young man who has made Kingston his home for many years was stunned in the Police court on Tuesday morning when Magistrate Farrell imposed a fine of \$200 and costs, with the option of one month in jail. At the time, are hard, O'Toole will spend the month in jail. And at that it will be much cheaper for him because he would have a hard time trying to earn \$200 in such a short time.

A bottle of good Canadian whiskey occupied a prominent place on Magistrate Farrell's desk. It was about half filled. Constable Armstrong took it from O'Toole at the time he made the arrest, shortly after midnight Wednesday.

The accused got his load at Ogdensburg, N.Y., and when questioned by Magistrate Farrell, stated that he stayed at one of the local hotels on Tuesday night, and opened a bottle of whiskey there. Constable Armstrong nabbed him on Princess street. He did not like the idea of going to the lockup, and when Constable Armstrong was about to take him in charge he made a grab for the officer's revolver, and succeeded in getting the case and revolver off the belt, but quick as a flash Constable Armstrong had it in his possession again, and in short order had his man in one of the police cells.

The storm which was centred over Wisconsin yesterday has moved rapidly northeastward and the gales which it has caused on the Great Lakes are now moderating. The weather is somewhat unsteady, and comparatively mild in all the provinces.

SEVERE RHEUMATIC PAINS DISAPPEAR

Rheumatism depends on an acid which flows in the blood, affecting the muscles and joints, producing inflammation, stiffness and pain. This acid gets into the blood through some defect in the digestive processes, and remains there because the liver, kidneys and skin are too torpid to carry it off. Hood's Sarsaparilla, the old-time blood tonic, is very successful in the treatment of rheumatism. It acts directly, with purifying effect, on the blood, and through the blood on the liver, kidneys and skin, which it stimulates, and at the same time it improves the digestion.
