**IN THE HALLS OF QUEEN'S**

REV. DR. W. J. CLARKE, WEST-  
MOUNT, PREACHED SUNDAY.

The Alma Mater Society Met on Sat-  
urday Evening—The 72nd Bat-  
tery May Hold a Dance—Date of  
Annual Elections Changed.

Queen's Field Ambulance, Queen's  
Engineers, and Queen's Battery oc-  
cupied the main portion of Convoca-  
tion Hall on Sunday morning when  
Rev. W. J. Clarke, D.D., of West-  
mount, spoke most earnestly and  
tenderly on the great war.

His text was chosen from the 94th  
Psalm: "He that planted the ear,  
shall he not hear? He that formed  
the eye, shall he not see? He that  
chasteneth the heathen, shall he not  
correct? He that teacheth man  
knowledge, shall he not know?"

These few verses are from a psalm  
in which the prophet in calling for  
justice, complains of tyranny and im-  
piety, but teaches God's providence  
and shows the blessedness of afflic-  
tion.

Dr. Clarke declared that in times  
like the present people have wonder-  
ed why God in His wisdom and pro-  
vidence has not put an end to the  
great conflict, which is causing so  
much anguish and sorrow to human  
souls. To some it might appear that  
God had no feelings for them when  
he did not cause happiness to once  
more reign on the earth. In the text  
they use an argument that has been  
thought sound in all ages. Never-  
theless, the fact remains that there  
has been no interference in this in-  
explicable life of ours.

The reason is that He does not  
recognize things as we do. Different  
values are put on our affairs. This  
seems to be one of the worst times  
that the world has ever experienced,  
and one for which we were wholly  
unprepared. When the terrible crash  
of war came we thought that there  
should be some interference but there  
was none. Terrible crimes became  
commonplace, and deeds of unheard  
of horror were committed.

Man has not yet learned the lesson  
that God would teach him. The pro-  
gress of our country has been largely  
responsible. In the last fifty years  
we have had numerous happy inven-  
tions, and these have led us to look  
on the care free side of life, not re-  
cognizing in a large part the severe  
beliefs of our forefathers. The feel-  
ing that:

Life is a season God has given,

To pass from earth to heavens,  
has passed away and even the relig-  
ious people have been more or less af-  
fected by it. The horizon of eternity  
faded into the distance, but when the  
war came it drew close again, and  
there is now a more serious outlook.  
"What lies beyond the grave?" is  
the great question. The death of so  
many of the fairest and dearest of  
Canadian sons has forced this ques-  
tion upon each one, and to the men in  
uniform Dr. Clarke addressed him-  
self particularly, urging them to  
think over carefully whether the  
thought of the palmist that to be  
on the side of righteousness is best,  
and leads to hope, life and every-  
thing that matters.

It was particularly helpful to hear  
Dr. Clarke speak in this sane and  
sober way for he has drunk of the  
bitter cup to the uttermost, his only  
son, Paul, having been recently killed  
in action.

There was a good attendance at  
the meeting of the Alma Mater Soci-  
ety on Saturday evening in Convo-  
cation Hall, and some important busi-  
ness was transacted.

A communication was received  
from the Y.W.C.A. asking for per-  
mission to use Grant Hall for their  
annual sale on Saturday, November  
18th. This request was granted.

A. T. Leatherbarrow moved that for  
this session the annual elections of  
the Alma Mater Society be held on  
Saturday, December 9th, instead of  
December 2nd, which would have  
been the regular date. This motion,  
which was carried, was to enable all  
the Medicals, who would have been  
away on their holidays at the regu-  
lar date, to vote in the elections.

A verbal request was brought in  
from the 72nd (Queen's) Battery for  
the use of Grant Hall for a dance on  
a date suitable to the Alma Mater so-  
ciety. Nothing can be done in this  
matter until a formal application  
from the battery is made. The re-  
quest will then be specially consid-  
ered, and a report presented to the  
meeting. The question of social  
functions has been decided, but it  
is quite possible that this matter will  
receive special consideration.

An effort is to be made to have  
Queen's orchestra give several num-

**Excruciating Pains In  
the Back  
CAN BE CURED BY USING  
Doan's Kidney Pills**

Many women suffer from excruciat-  
ing pains in the back. They are  
not even able to look after the com-  
mon duties of their household. The  
whole trouble is that the kidneys  
have become affected. On the first  
sign of a weak, lame, aching back  
you should not neglect it, for if you  
do some serious kidney trouble will  
follow.

What you want is a kidney remedy,  
not a "cure all," but a remedy for  
the kidneys only. This you will find  
in Doan's Kidney Pills. Mrs. Wm.  
L. Peck, Sardin, B.C., writes: "I have  
the greatest pleasure in telling you  
that I used three boxes of Doan's  
Kidney Pills, and I find that I am en-  
tirely cured after having suffered for  
two years. My back used to hurt me  
so that I would almost cry out with  
the pain. I would advise any one  
suffering from kidney trouble to go  
at once and get a box of Doan's Kid-  
ney Pills."

Doan's Pills are the original kidney  
pill, they being on the market long  
before any other remedy of the kind  
was ever thought of.

They are put up in an oblong grey  
box.  
The trade mark, a "Maple Leaf."  
Price 50c. a box, \$ for \$1.25, at all  
dealers or mailed direct on receipt of  
price by The Milsbush Co., Limited,

bers at the next meeting of the so-  
ciety.  
The regular debates will commence  
at the third meeting in November  
when the Freshmen will make use of  
their elocutionary powers against the  
Sophomores.

C. H. Ballard and R. M. McMullin  
spoke at the meeting of the Queen's  
University Mission Association on  
Saturday morning on mission topics.

The Queen's University contingent,  
C.O.T.C., paraded on Saturday after-  
noon, and marched to the peniten-  
tiary grounds in charge of the adju-  
tant, Capt. G. W. Mitchell. Several  
interesting tactical schemes were  
carried out. The battalion in attack  
was the chief work of the afternoon.

**THE SMITH--BAILEY  
WEDDING ON MONDAY**

Miss Etta H. Bailey the Bride  
of S. B. Smith, of  
Ottawa.

A pretty wedding was celebrated  
at noon Monday, when Miss Etta  
Hazel Bailey, B.A., the daughter  
of Mr. and Mrs. Ethan Botsford  
Bailey, was united in marriage to  
Sydney Bertram Smith, M.A., of Ot-  
tawa, the son of Mr. and Mrs. Wil-  
liam Dell Smith, of St. John, N. B.

The ceremony was performed at  
the residence of the bride's parents,  
139 Union street, by Rev. George S.  
Clendennen, of Brock Street Metho-  
dist church, at 12 o'clock noon.

Miss Bertha Bailey, a sister of the  
bride, acted as bridesmaid; J. E.  
Swartz served as groomsman, and  
little Miss Gwendolyn Keyes was  
ring-bearer. Mrs. C. F. Gummer  
played the wedding march, and J. J.  
Harvey rendered several solos.

The bride's dress was of white  
nixon over silk with bridal veil and  
orange blossoms, and she carried a  
bouquet of white roses and lilies of  
the valley.

A reception in honor of the bride  
was given during the afternoon.

Mr. and Mrs. Smith will reside in  
Ottawa, where Mr. Smith is a mem-  
ber of the staff of the Naval Service  
Department.

**WAS ONCE DISCHARGED  
AND IS NOW WOUNDED**

Pte. J. R. Connelly, Aged Sev-  
enteen, Was Determined  
to Serve.

T. A. Connelly, of the R.C.H.A.,  
received word that his brother, Pte.  
Joseph R. Connelly, had been wound-  
ed. The family reside in Ottawa, and  
the wounded soldier is one of four  
brothers in uniform. One brother,  
Capt. H. E. Connelly, D.S.O., was a  
medical officer for some time in the  
West Indies, and just recently trans-  
ferred to the Military Hospital at  
Quebec. P. L. Connelly is overseas  
with the artillery. The wounded  
brother is not yet eighteen years old.  
He joined the Grenadier Guards at  
Montreal, but his parents had him  
discharged, as he was too young.  
Soon after getting his discharge  
he joined an Ottawa battalion  
and his parents, appreciating how  
sager he was to get to the front did  
not raise any further objection as to  
the question of age. He is in an hos-  
pital at Etaples.

**HELD MEMORIAL SERVICE.**

For Members of St. Luke's Church  
Who Passed Away During Year.

At St. Luke's church Sunday  
evening a special memorial service  
for members who have passed away  
during the year was held by the  
rector, Canon R. S. Fornier.

Canon Fornier preached an elo-  
quent sermon, taking his text from  
Revelations XIV., and part of the  
13th verse: "And I heard a voice  
from heaven saying until me, 'Bless-  
ed are the dead which die in the  
Lord.'"

There were eight deaths in the con-  
gregation during the year: two infants  
and six adults. The adults were Mrs.  
Margaret Smith, Mrs. Sarah E. Reid, Mrs. Mar-  
garet Carter, J. O. Saunders, Mrs.  
Naiomi Strachan and Miss Eva  
Brightman.

The rector spoke in a very feeling  
manner of the life and character of  
deceased members, and the choir ren-  
dered appropriate music for the ser-  
vice.

**FEELING OF FATALISM.**

"Pat" Kennedy Had a Premonition  
of Death.

The Arnprior Chronicle says that  
in a letter received from Bernard  
Galvin, of Arnprior, from Flight Sub-  
Lieut. P. S. Kennedy, a Queen's  
graduate, a short while before the  
latter's tragic death the following  
was written:  
"I have a feeling of fatalism re-  
garding my chances of coming  
through this business, but it may be  
only a streak of the morbid in me  
which makes for such forebodings."

have thin hair should remember that  
Prof. Dorenwend, of Toronto, will

day, Nov. 7th. He can demonstrate  
that by his human hair structures  
that by his hair goods, which are

Just Plain Mother.  
She was steady and brave when the  
roof got on fire.  
And when robbers, broke into the

She never grew faint on receipt of a

Or squealed at the sight of a

When the boat overturned she was  
helpful and calm;  
Her driving was daring and sure—  
But she simply collapsed with a pan-  
icky qualm.
