A small boy, riding a bicycle, had a narrow escape from receiving serious injuries when run down at the corner of King and Brock street about 6.30 o'clock on Friday night. It is claimed the chauffeur was driving on the wrong side of the street. As a result of the accident he has been served with a summons to appear before Magistrate Farrell, on Tuesday morning, when he will be charged with a violation of the Motor Vehicles' Act.

The lad received a bad shaking up, but luckily had no bones broken. His bicycle was badly damaged. Mr. Barrett took the boy to his home in his automobile.

**Boys Ran Amuck in Auto.**

Three small boys in an auto numbered 32928 ran into a telegraph pole at the corner of Bagot and Queen streets Saturday morning, cutting the pole in two. The boys jumped out and ran away. It looks as if they had stolen the car.

Constable Samuel Arniel investigated, and found that the car belonged to William Hutchings, of Jones Falls. He left the car on Princess street and the boys made off with it. The damage was estimated at \$40. The names of the boys are not known.

### IN THE HALLS OF QUEEN'S

**ARTS '17 WON THE SOCCER CHAMPIONSHIP ON FRIDAY.**

Arts Concourse is to Hold Its Meeting This Season—Prof. Ferguson Addressed the Q.U.M.A. on Saturday Morning.

Arts '17 went down to their first defeat this season on Friday afternoon. Arts '17 won the soccer championship of the faculty by a score of 1-0.

The game was fast throughout, and although played in darkness at the last, it was very interesting. Kines in the first half received a pass from the side line, and after going through the full backs had a straight one through the goal.

Arts '19 plainly had the advantage in the first half, but lost several good chances to score. E. H. Reynolds played a star game throughout, but did not have the support that was necessary.

The teams: Arts '17—Goal, Sutherland; full backs, Ball, G. D. Vart; halves, Fisher, W. Mara, H. P. Folger; forwards, Galbraith, Flanagan, J. H. Talbot, more, Kines.

Arts '19—Goal, Asselstine; full backs, G. S. Pixer, C. A. Route; halves, Blacklock, Wood, Murray; forwards, G. E. Marshall, J. H. McLeod, E. H. Reynolds, R. F. S. Baird, A. N. Baker.

W. N. Ball, Arts '18, umpired very satisfactorily.

The officers of the Arts Concourse Iniquitatis et Virtutis held their first meeting on Friday afternoon with Chief Justice J. H. Talbot presiding. The conference was secret, but it has been learned that an arts court will certainly be held this season to deal with delinquents.

The arts police were instructed to take the names of all offenders to the peace and prosperity of the arts faculty and to bring their charges in at a later date.

A special meeting of the Engineering Society was held on Friday afternoon. It was decided that the annual dinner would be cancelled this year. An A.M.S. election committee was also appointed to choose the candidates to represent science in the A.M.S. elections.

There was a very good attendance at the meeting of the Q.U.M.A. on Saturday morning, when the students were addressed by Prof. A. S. Ferguson on the subject, "A University Settlement."

**MUTT AND JEFF IN THE TRENCHES,** by Bud Fisher 60c.

The two best books to send overseas. Out of his wonderful and varied experiences while working with the Red Cross in the thick of the fighting in France, Service has written this volume of characteristic verse. In it he depicts in his own superlatively-graphic style, the comedy, tragedy, pathos, and heroism exhibited by the fighting men. As with his verse descriptions of the Yukon in his former books, nothing else so graphically mirroring the human side of the war has been issued.
