HOCKEY NOTES.

The Montreal Gazette says that Lindsay will not be found in the nets this year for the Wanderers. while the Montreal Mail states that Lindsay, Sprague Cleghorn and Orie Cleghorn have signed contracts.

The St. Paul Club made unsuccessful efforts recently to secure Lawson Whitehead for coach. They also tried to secure Noble, of the Riversides, and Jerry Coughlin, of Peterboro, to play for their team,

One of the players slated for a big cut in his salary this year is Skinner Poulin, whom the Canadians grabbed from the coast last year. As a hockey player, Poulin was the best little woodchopper in the N.H. A. last season,

Hamilton will be able to place a strong team in the intermediate O. H. A. this season providing all the players turn out. They have "Dixie" Cox and Cotton of the Canadian Mounted Rifles; Alec Murray, Jimmy Etherington, Harold Parker, Billy Boyd, Leo Reese, Harry Reid and several others

There is basis for further trouble between the N. H. A. and the Pacific Coast League in the signing of Eddie Oatman of the Portland team by the 228th Battalion. It is claimed that a man who enlists is not subject to the reserve clause. That being the case, more or less "enlistments" may be expected east and west.

Forsake The Amateurs.

Stan Marples, Clem Loughlin and Dick Irvin, of Winnipeg, three of the Dominion, have decided to forsake the amateur ranks for the professional game, according to Manager Savage, of the Portland club. Savage claims that he has received the signed contracts of all three players, and that they will report for practice about November 20th. This means the Coast champions will "ice" an aggregation this season that will be almost entirely composed of former Winnipeg amateurs. President Frank Patrick, of the Pacific Hockey Association, has called the meeting for to-morrow afternoon.
