SHARBOT LAKE LOSES

A Good Physician in the Late Dr. Warren Kilborn.

Sharbot Lake, Dec. 6.—The village and vicinity of Sharbot Lake was deeply grieved on learning of the death of Dr. Warren Kilborn, who passed very peacefully away at his home on the morning of Nov. 30th. Dr. Kilborn had been ill for the past eight months, and while he had been confined to his bed was deeply interested in the welfare of others, and was being constantly sought for help and advice by patients to whom he had been a beloved physician to many for forty years.

The late doctor was born in Franklin, township of Kely, in 1845; graduated from the Electric College of Medicine, Philadelphia, Pa., in 1868, and had been a member of the College of Physicians and Surgeons of Ontario since 1869. He graduated in New York and Philadelphia in 1886 and 1890, and first practiced his profession in Bishop's Mills, county of Grenville, and while there was married to Ladora Bishop, who survives, also one son, Dr. H. F. Kilborn, who practices in the state of Michigan; three daughters, Mrs. H. A. Thomson, of North Augusta, and Mabel and Abbie at home; one sister, Mrs. J. B. Elliott, of Ottawa. Dr. O. L. Kilborn, of Chentu, China, and the late Dr. R. K. Kilborn, Kingston, were cousins.

About forty years ago Dr. Kilborn located in this county and lived at Rocky and McDonald's Corners before coming to Sharbot Lake seventeen years ago. When he first came here this county was only sparsely settled, and in many instances he travelled miles on horse back to visit his patients, and many times with the aid of a guide. For some years he had been medical health officer for the township of Oso and also South Sherbrooke, associate coroner for the county of Frontenac and the district surgeon for the Canadian Pacific Railway Company.

In religion deceased was a Methodist, and a member of the Official Board of that church. He was a staunch temperance advocate, a Reformer in politics, a true believer in the British Empire and loved his flag.

There has been a vacancy created by the death of Dr. Kilborn in private life, where he was a devoted and beloved husband and father; in public and religious life, where there was a broad view taken by a deeply intellectual man that will not be filled.

Mrs. Kilborn and the family have the sincere sympathy of the entire community.

Proclamation To Deserters

P.C. 2814—Certified copy of a report of the Committee of the Privy Council, approved by His Excellency the Governor-General, of the 24th November, 1916.—652-17-22.

The Committee of the Privy Council have had before them a report, dated the 9th November, 1916, from the Minister of Militia and Defence, representing that many soldiers of the Canadian Overseas Expeditionary Force are absent from their units without leave. It is probable that the larger number of them did not, when leaving, appreciate the seriousness of their offence, and that they are now desirous of coming back, but fearing severe punishment, hesitate to do so.

Further, soldiers of the Expeditionary Force, now undergoing imprisonment for "Desertion" or "Absence Without Leave" are available for service with the Force, if pardoned and released from imprisonment.

The Minister, therefore, recommends, that your Excellency, as an act of grace, on assuming the government of the Dominion, be pleased to

GRANT THE ROYAL CLEMENCY

to such persons, by issuing a proclamation to the effect that those soldiers of the Expeditionary Force who are now absent without leave

BE PARDONED FOR SUCH OFFENCE

provided they surrender themselves to the Officer Commanding the unit to which they belonged, where that unit is still in Canada, or if it be not, to the District Officer Commanding any Military District in Canada.

NOT LATER THAN THE 15TH DAY OF DECEMBER, 1916.

for the purpose of completing their engagements; and that those soldiers of the said Force who are now under sentence of imprisonment or detention for desertion or absence without leave be pardoned for such offences, be released from imprisonment or detention, and be handed over to the Officer Commanding the unit to which they belong, or to the Officer Commanding the Military District in which they are, for the purpose of being returned to some other units of the Expeditionary Force, in order to complete their engagements.

The Committee concur in the foregoing recommendation and submit the same for approval.

(Signed) RODOLPHE BOUDREAU,
Clerk of the Privy Council.
