UNION WITH METHODISTS

PROPOSED BY PRESBYTERY TO
COVER MISSION FIELDS

Special Committee Deal With The
Situation and Made Number of
Proposals—Tributes to Students
in Theology Who Fell in Battle.

"That the suggestion or recom-
mendation, made by the committee
or co-operation with the Methodists,
to the effect that Consec and Hill-
ier (Presbyterian) should be ex-
changed for Carmel (Methodist), to
be worked with Foxboro, be approv-
ed, and carried out if found practi-
cable."

The Kingston Presbytery took an
important step, when it passed this
clause of a report on Home Missions,
at the Tuesday afternoon session.
The report of the committee, was
presented by Rev. Dr. Gracey, of
Gannoque, the convenor, and one
of the oldest members of the Pres-
bytery. To see the Presbytery take
up the matter and put it through just
looked as if church union is close at
hand.

Dr. Gracey also gave an interest-
ing report of a union committee held
recently at Belleville.

"Our conference was of a very
friendly, candid, and cordial char-
acter," said Dr. Gracey, who went on
to explain how certain things had
been agreed to; with the aim of ge-
nerating ways and means by which
religious services could be supplied to
the people most effectively, and at
the least expense. No suggestion
was made of any transfer of church
property, this to be left for arrange-
ment by the proper authorities after
union takes place, if such is effected,
nor was it the intention that there
should be any change in church re-
lations or church members. Metho-
dist members, worshipping with Pres-
byterians, would remain Methodists
and vice versa, and all contributions
to stipends of ministers would go in
each case, to the church conducting
the services.

The first case considered by the
union committee was that of Fox-
boro (Presbyterian) and Carmel
(Methodist) two, and a half miles
apart. It was proposed that these
two should work together, the Pres-
byterian minister at Foxboro giving
regular services to both churches,
the people of Carmel church help-
ing to pay the stipend of the pastor.
As an equivalent, it was proposed
that the Presbyterian congregation
of Consec and Hillier, should be
transferred to the care of the Meth-
odists, all their revenues for church
purposes and all contributions to
missions, going to the Methodist
church.

It was also proposed that Shan-
nonville (Presbyterian) and Meth-
odists meet together, with the Meth-
odists at Melrose and that they have
one church at each place. To effect
this, the Presbyterians would give
their church over to the Methodists,
and the Methodists at Melrose trans-
fer to the Presbyterians. The solu-
tion, however, was regarded as a
delicate one, and no decision was
reached.

There was also a proposition for
the Fuller Presbyterians to join with
the Methodists at West Huntingdon.
In lieu of this, the Methodists at
Mount Pleasant to go with the Pres-
byterians at Roslin and Tharlow,
but on this nothing definite was
agreed.

The union committee adjourned to
meet at the call of the chairman, the
latter being instructed to secure
data in regard to the situation.

Paid Supreme Sacrifice.
"That a committee be appointed
to draft a suitable minute, expres-
sive of the Presbytery's attitude to-
ward the present war, its sympathy
with all who have been called upon
to mourn the loss of friends and
kindred who have fallen, with spe-
cial reference to the tidings that have
recently come from the front, that
P. C. Caverhill and E. J. Corkhill,
students of divinity under the care
of this Presbytery, who would this
year, have been presenting them-
selves for license, on the comple-
tion of their course, have made the su-
preme sacrifice on the field of con-
flict."

The above resolution, moved by
Rev. Dr. Gracey, seconded by Rev.
J. D. Boyd, was carried.

Prof. H. T. Wallace presented the
report of this special committee,
which paid tribute to the two stu-
dents who made the supreme sacri-
fice.

Rev. W. J. Parsons, of Harrow-
smith, in a forceful address, appeal-
ed for a mission of consecration and
prayer regarding the war, pointing
out the great responsibility which
rests on the church to-day. He felt
that this would do more to help
recruiting than anything else. The
Presbytery will carry out the sug-
gestion.

At the request of G. M. Macdon-
nell, who addressed the members
at their noon luncheon, the Presby-
tery will put forth the claims of the
Belgians for help.

Systematic Giving.
An excellent report, which brought
forth a hearty vote of thanks, from
Presbytery, was given by Rev. John
Dawson, on systematic giving.

From figures presented at the
General Assembly, at Winnipeg, June
1916, it was shown that Kingston
Presbytery contributed \$12,498 to-
wards the \$1,600,000 budget, the
largest sum, despite war time, that
the Presbyterians contributed. This
is an increase over 1914 of \$791. The
average percentage of allocation at-
tained all over the church was 47.6.
Kingston Presbytery about 65 per
cent average.

Following are interesting com-
parisons: 1909, \$3,787; 1908, \$5-
888; 1910, \$6,980; 1911, \$8,151;
1912, \$9,575; 1913, \$11,541; 1914,
\$11,797; 1915, \$12,498.

Kingston Presbytery gave about
double the amount to Home Missions
for 1915, received in grants for the
same period.

Reports on the harvest Thank-
sgiving offering were incomplete, but
indications are that probably about
\$1,000 is required to make up the
Presbytery's share of the \$170,000
deficit. Some of the churches did
exceptionally well and although all
the reports are not yet received it

was noted that Chalmers church,
Kingston, contributed over \$700.

The allocation for Kingston Pres-
bytery for 1917, is again \$19,500.
In the congregations and mission
fields of the Presbytery an increase
of 137 members for 1915 was re-
ported, making the number of Pres-
byterian members now 5,798.

The following recommendations of
the Home Missions Committee were
adopted:
"That the Presbytery expresses
deep regret at the death of W. G.
Fraser, in the Carlow mission field,
a short time ago. Mr. Fraser, a
young man of fine spirit, and excel-
lent promise, was cut off in very
early life. The Presbytery appre-
ciates the work he did in Tichborne
mission in 1915, and in Carlow in
1916, and extends sympathy to his
relatives and friends.

"That the Presbytery records its
full approval of the settlement in
Roslin and urges the Home Missions
Board to give the small grant
asked for the change."
The members of Presbytery re-
gretted very much the fact that their
moderator, Rev. A. S. Kerr of
Belleville was unable to be with
them. He recently underwent an
operation for appendicitis, and is
doing nicely. The members hope
for a speedy recovery.

Little Girls Raised Aid Fund.

The little girls of Class No. 14, St.
George's cathedral, taught by Miss
E. Evans, were successful in raising
\$11.15. This has been given to
United States Consul Johnson to be
used in his good work of sending
much needed parcels to the Canadian
prisoners of war in Germany.

SUFFERED
WITH BACK
For Ten Years.

Women are the greatest sufferers
from weak, lame and aching backs
owing to the continual stooping,
bending and lifting so necessary to
perform their household duties.

The cause of the backache comes
from some derangement of the kid-
neys, for were there not something
wrong with the kidneys the back
would be strong and well, and with-
out a pain or an ache.

Doan's Kidney Pills will take out
all the stiches, twinges and twinges,
hammer up the stiff back, and give
perfect relief and comfort to all poor,
weak backed, suffering women.

Mrs. Chas. Thibau, Church Point,
N.S., writes: "For ten years I suffer-
ed with my back, and was so weak I
could not do my washing or any hard
work, just a little around the house.
One day a friend advised me to use
Doan's Kidney Pills, and they helped
me so much I could do my washing
and since then I have been in perfect
health."

Doan's Pills are the original kid-
ney pills. Do not accept any substi-
tutes put up under similar names.
