IN THREE OF THE WARDS MORE CIVIC MATTERS

THE ALDERMAN HAVE BEEN ELECTED BY ACCLAMATION

Men Already Selected for St. Lawrence, Ontario and Victoria Wards—Contest for School Trustee in One Ward.

The contest for municipal honors is now on in earnest. Saturday night, at 9 o'clock, was the time set for the qualification papers to be filed, and at that hour city clerk Dr. Sands announced the results.

Aldermen for three wards—St. Lawrence, Ontario and Victoria are elected by acclamation.

All the school trustees have been elected by acclamation, with the exception of Sydenham Ward and Rideau Ward. James R. Henderson, who is at present a school trustee was nominated for Sydenham Ward but as he was elected for two years at the last election his name was withdrawn. There were no other nominations, and as a result nominations will have to be called for a second time in this ward.

In Rideau Ward, H. F. Metcalfe, chairman of the Board of Education this year and Norman Smith, are candidates.

Following is the result as announced Saturday night:

For Mayor—Dr. A. W. Richardson, J. M. Hughes.

Ontario Ward (elected by acclamation) R. E. Kent, Dr. H. A. Boyce, N. E. O'Connor.

St. Lawrence Ward (elected by acclamation) W. J. B. White, Dr. G. W. Bell, W. J. Hooper.

Victoria Ward (elected by acclamation) P. B. Chown, H. W. Newman, J. W. Litton.

Sydenham Ward—H. C. Nickle, D. J. Millan, Dr. D. Allan Black, Thomas Hewitt, T. J. O'Connor.

Catarquai Ward—James Norris, C. S. Anglin, N. C. Polson, Alfred Simmons.

Frontenac Ward—J. W. Smith, S. Corbett, William P. Peters, Geo. C. Wright.

Rideau Ward—D. A. Couper, W. R. Clugston, R. G. Armstrong, George Laturney.

Following is the result of the contest for school trustees:

Sydenham Ward, (no candidate as yet); Ontario Ward, G. A. Bateman, elected by acclamation.

Catarquai Ward, Allan Lemmon, elected by acclamation.

Frontenac Ward, W. H. Godwin, elected by acclamation.

Rideau Ward, H. F. Metcalfe, and Norman Smith in Victoria Ward, Thomas W. Mills, elected by acclamation.

Sydenham Ward appears to be a "hoodoo" ward as regards school trustees, as last year the same thing occurred, there being no candidate, and two dates were selected for nominations before a candidate was secured.

Dr. G. W. Bell, elected by acclamation as an alderman steps from the Board of Education to the municipal arena. He has been a trustee for some few years.

With no less than five candidates the aldermanic race in Sydenham ward should be an interesting one.

SOME QUESTIONS ARE DIFFICULT TO SOLVE

The Princess Street Club Discuss Verandah George's Bill—Frontenac Ward Follows The Labor Council In Demanding More Information. Why Blame Ald. Hughes?

When the Princess Street club met on Saturday night there was one vacant chair. The Catarquai ward man was missing. The members looked to the chairman for an explanation.

"Gentlemen," he explained. "I can enlighten you. But keep it a secret—for a while at least. Our friend is engaged this evening in interviewing the city's leading contractors, some city officials, the cleverest mathematicians in our schools and colleges and other prominent citizens. He is trying to get some definite facts in regard to that big bill of Verandah George's. He wants, most of all, to learn from these experts, these men of experience and light, just how a contractor arrives at a charge of \$25.00 for horse-die for hauling about \$150.00 worth of lumber within a space of about 40 by 60 feet. The latter figures are Ald. Nickle's, not mine, but I believe they are correct. Here is a problem for master minds to solve. So, you see, our friend has a good reason for being absent tonight."

"The Trades and Labor Council demand information in regard to this bill," said the critic, "and I am glad to see this action on their part. They are wide-awake fellows, and are not going to let Ald. Peters and Ald. Hughes, the chairman of the Board of Works and city-property, put it over them. From what I hear Frontenac ward will take care of Ald. Peters and this bill of \$1,800 on election day."

"A pretty pickle the Conservatives have got into!" exclaimed another member. "Hughes and Peters have given them a fine black eye this time, while Hughes stood by and let the merry work go on. If he had charge of city property, as chairman of that committee, why did he go to sleep on the job?"

"Come, come," interposed the chairman. "You're unnecessarily hard on Hughes. He must have been pretty much worried just about that time. His party was eagerly searching for a sacrificial lamb, somebody,—ye gods and dearer brooms, anybody—who would step into the breach and try conclusions with that doughty knight, Dr. Richardson. Would he make the sacrifice, would he fight a hopeless fight when the party bugle blew the charge? It was much to demand of the most heroic man, and we must not blame Ald. Hughes too much if he neglected other things while he concentrated all his mind upon a decision. I don't suppose he ever imagined that, while he was cogitating and comparing and comparing, \$1,800 would be spent on city property without calling for tenders and giving every contractor in the city a fair and even chance. I would have to have an awful grudge against the other city contractors before I could do such a thing. What did the other citizens do that they should be ignored? As I said before, you can't expect a man to think of everything when the mayoralty buzzes so loudly."

"Well, we're doing a little thinking up in Frontenac ward," said a member who hails from that favored spot. "You know we workmen are a pretty strong up there, and on election day we're going to show Ald. Peters and Ald. Hughes what we think of spending nearly \$2,000 of city-money without calling for tenders. If all the city committees and the city auditor and the city council won't stand for this bill, do you think we're dupes enough to? We're going to vote against it, too. Our fellows are stirred up over this, and are going to show some aldermen what they think of such transactions."

"From what I hear the other wards will not lag behind Frontenac ward in giving these fellows the bumps," declared a Rideau ward resident.

"Before we adjourn," said the chairman, "I would like to announce that we will have some very interesting subjects for discussion next meeting. So come early, and bring along a few converts. The city is chock full of them just at present."

HICKS-KILLINS WEDDING

A Quiet Event Celebrated With Officers as Principals.

A quiet wedding, but a very pretty one, was celebrated at 10 o'clock on Christmas morning at the home of Miss Lillian May Killins, daughter of Mr. and Mrs. G. W. Killins, united in marriage to Capt. W. H. Hicks, Candiac, Sask., of the Army Medical Corps. The bride was a nursing sister in the same corps up to her resignation a few weeks ago. The bride was given away by her father and was prettily dressed in a dress of white satin. Rev. J. D. Ellis officiated at the ceremony. There were no attendants.

Capt. and Mrs. Hicks left on the 1.40 p.m. train for Port Francis to visit the bride's sister, Mrs. Seaman.

Frederick-Delme Wedding.

At the residence of Robert Wilson, 24 Cherry street west, while of the bride, at two o'clock Christmas afternoon the marriage was solemnized of Ida Lillian Delme, of Cloyne, Ont. The ceremony was performed by Rev. B. Pierce, of the Depot Unsectarian church. Miss Mabel Brown, of Kingston, was bridesmaid and Pte. Thomas Bonner, of Sharbot Lake, was best man. After the ceremony a Christmas dinner was served by Mrs. Wilson. The newly-weds left on the early evening train for Hartington, where they will spend a few days. Afterwards they will return to the city to reside. Pte. Frederick being a member of the Home Guard.

Beecham Trotter, a former Pittsburg township resident, is an aldermanic candidate at Brandon.
