Good Old Home-Made Family Cough Remedy
Much Better than the Ready-Made Kind—Made and Cheaply Prepared.
If you combined the curative properties of every known "ready-made" cough remedy, you would hardly have in them all the curative power that lies in this simple "home-made" cough syrup which takes only a few minutes to prepare. Get from any druggist 2 1/2 ounces of Pinex (50 cents worth), pour it into a 16-oz. bottle and fill the bottle with plain granulated sugar syrup. The total cost is about 54 cents and gives you 16 ounces of really better cough syrup than you could buy ready-made for \$2.50. Tastes pleasant and never spoils. This Pinex and sugar syrup preparation gets right at the cause of a cough and gives almost immediate relief. It loosens the phlegm, stops the nasty tickle and soothes the sore, irritated membranes that line the throat, chest and bronchial tubes, so gently and easily that it is really astonishing. A day's use usually overcomes the ordinary cough and for bronchitis, croup, whooping cough and bronchial asthma, there is nothing better. Pinex is a most valuable concentrated compound of genuine Norway pine extract, combined with guaiaicol and has been used for generations to break up severe coughs. To avoid disappointment, be sure to ask your druggist for "2 1/2 ounces of Pinex (50 cents worth), pour it into a 16-oz. bottle and fill the bottle with plain granulated sugar syrup." A guarantee of absolute satisfaction or money promptly refunded, goes with this preparation. The Pinex Co., Toronto, Ont.

ORILLIA, Ont., Nov. 28th, 1914.
"For over two years, I was troubled with Constipation, Drowsiness, Lack of Appetite and Headaches. One day I saw your sign which read "Fruit-a-tives make you feel like walking on air." This appealed to me, so I decided to try a box. In a very short time, I began to feel better, and now I feel fine. I have a good appetite, relish everything I eat, and the Headaches are gone entirely. I recommend this pleasant fruit medicine to all my friends."
