### J.W. ELLIOTT DIES SUDDENLY

WELL-KNOWN TRAVELLER AND FORMER CATTLE EXPORTER.

Was Ill Only One Day—Heart Failure Was the Cause of Death—Deceased Was Sixty-three Years of Age.

At 12.30 o'clock on Friday morning John Wesley Elliott, one of Kingston's best known residents, passed away after a day's illness at his home, 372 Brock street. Heart failure was the cause of his death.

Deceased was born sixty-three years ago, the second of four sons of the late John Elliott, at the family homestead at the Outer station.

For the greater part of his life he was engaged in the cattle buying and exporting business, and through this built up a large circle of business friends, who will sincerely regret his passing. For the last few years to Kingston was largely represented by Swift & Co.'s Cattle packing house through Eastern Ontario. There are left to mourn his loss his wife, one daughter, Mrs. W. J. Crothers; two sisters, Mrs. W. Nicholson, city, and Mrs. R. E. Hodgins, Toronto, and three brothers, J. J. Elliott and L. F. Elliott, in Toronto, and Frederick, in Liverpool, England.

Deceased was a man of genial parts, kind, happy, jovial. He was a lifelong Kingstonian, known and esteemed, and his sudden call has created a sincere sympathy for his widow, herself in poor health. Mr. Elliott was a member of Queen Street Methodist church, regular in attendance and helpful in service. He was a conservative in politics, but not at all partisan. He was a fine salesman, his training was along his line and he capably served his employers.

### QUITE A NOVELTY.

Kingston had quite a novelty here on Thursday, in that the steamer Wolfe Islander made a trip over to Wolfe Island, and Patrick McDermott, the veteran islander made a trip across the ice to Kingston with his sleigh. The honor of making the first trip across the ice goes to Mr. McDermott.

### LADIES' MUSICAL CLUB

Rendered Splendid Programme in Convocation Hall on Thursday.

The Kingston Ladies' Musical Club gave a very pleasant musical recital in Convocation Hall, Queen's University, on Thursday evening. Each number was warmly appreciated and heartily enjoyed. The entertainment was probably one of the most successful ever held by this club.

Miss Marguerite Homuth, Toronto, rendered several vocal selections, including "St. Louis," "Lullaby," "Fairly Lullaby," "The Lass With the Delicate Air" and "L'Eté." Mrs. Freeman gave "Legende Op. 17" and "Sonnetto de Sorrento" on the violin. The piano numbers were also splendid, being given by Mrs. A. R. B. Williamson, Miss Daisy Chown, accompanied on the second piano by Mrs. H. R. Chown, Mrs. Cuthbert Gummer and Miss Grace Clough, accompanied by Miss Laura Nicollet.

### THE DUMPING OF SNOW.

The Board of Works Will Stop Piling it in Aberdeen Park.

At its meeting on Wednesday the Board of Works decided that hereafter no snow was to be dumped in any of the city parks or on the cricket field. On Thursday afternoon it changed its decision and will permit the dumping of snow on any park excepting Aberdeen in Frontenac ward. When a thaw comes the snow piles in the latter park cause a small lake, and cellars about Ordnance street are flooded. This trouble is not met with in the other parks. The Board will insist that citizens cease dumping refuse in the parks and cricket field, which is a very common practice. Police court cases will result if the guilty parties are caught.

### Assault-at-Arms.

A big programme has been arranged for the assault-at-arms at the City Hall on Saturday night, and a large crowd is looked for. There will be five boxing bouts, three wrestling matches, with vaudeville and music. The committee in charge is putting forth every effort to make the evening a most pleasant one for all who attend. The proceeds will be given in aid of the Canadian prisoners in Germany, as it is for a most worthy cause.

### No Tax on Dog Breeding.

A citizen writes the Whig to find out if the City Council by-laws provide for a tax on dog breeding. If there is not such a tax, he thinks there should be in order to add to the city's revenue, as there are quite a number of breeders in Kingston. There is no tax on dog breeding.

The annual business meeting of Zion Presbyterian church was held on Wednesday evening in connection with a concert programme. **What's Wrong With Cheese.**  
The weakest points in connection with the manufacture of our cheese are: First—The lack of first-class makers to manage the factories; Second—Lack of facilities for the proper control of the temperature of the curing room; and Third—Lack of sufficient competent help to enable the makers to do the work as it should be done; and the overripe condition of some of the cheese during the warm weather.—G. G. Publisher.
