ECZEMA ON FACE

Was So Bad Had to Stay in House.

All skin diseases such as eczema or salt rheum, itching or burning rashes, eruptions, ulcers, boils, pimples, etc., are all caused by bad blood, and while not usually attended with any fatal results, may sooner or later develop into some serious blood trouble, and the entire system become affected.

Burdock Blood Bitters, that old and well-known remedy, will cleanse the blood of all its impurities, and by this means cure all skin diseases and other blood troubles.

Mrs. Ernest Andrews, Hamilton, Ont., writes: "My face was covered with eczema and was so terribly bad I had to stay in the house. I had ten different doctors but got no relief of their treatment that I went and bought a bottle of Burdock Blood Bitters, and it helped me so I kept on taking it. Now I am cured, and have a lovely skin."

"People who used to see me when I was so bad and see me now will not believe it, but I always tell them that nothing cured me but Burdock Blood Bitters."

NEW RECTOR OF ST. LUKE'S

INDUCTED OF BISHOP BIDWELL ON SUNDAY EVENING.

Rev. J. W. Starie, of Spencerport, N. Y., Preached Interesting Sermons in Bethel Church on Sunday.

Rev. J. de Pencier Wright, formerly of the parish of Elizabethtown, was inducted as rector of St. Luke's church on Sunday evening by Bishop Bidwell. The service was a most impressive one, with suitable music by the choir. The Bishop took as his text II Cor. vi. 1: "We then as workers together with Him beseech you that ye receive not the grace of God in vain." The Bishop spoke of the excellent work that Canon Ferner had done for St. Luke's and the difficulty that Mr. Wright would have in following in his footsteps. He was sure, however, that the church would continue to prosper with such an active leader and the unreserved assistance of the people.

Look For Returns.

"A great many people treat Christianity from the standpoint of what they will get out of it," said Rev. J. W. Starie, of Spencerport, N. Y., preaching in Bethel church on Sunday morning. "They will ask the question, 'Does it pay?' Their attitude towards Christianity is largely that of the business man, who will not embark on any enterprise until the financial returns will be ample to give him a good profit. "Christianity will bring large returns. No person who follows Jesus Christ will be at a loss. It does entail self-sacrifice and surrender—the giving up of many things that perhaps compared to what we shall receive, you prize dearly, but this is nothing. The righteousness of the cause should be sufficient to win our service. There are people who walk the streets on the Sabbath, do not attend church, and who do not appear to have a thought about God and His claim upon them. They never appear to have a care about the problem of the soul and future life. The preacher spoke of the joys of service for God, pointing out how this service tended to strengthen character.

Mr. Starie preached at both services in Bethel church, and was heard with pleasure by fairly large congregations.

Lord's Day Alliance Work.

At Cooke's church on Sunday the sermon was preached by Rev. George W. Mingle, L.L.D., of Montreal, who spoke in the interests of the Lord's Day Alliance. He declared that the religious and moral training of the people was the ultimate source of their strength and that the day of rest was important, so as to give them an opportunity for this training.

The speaker dealt with many phases of the question in a most interesting manner.

At the evening service the pastor, Rev. E. R. McLean, commenced a series of special sermons on "The Ten Commandments." This sermon was in the form of an introductory to the series.

A Wonderful Remedy For Coughs and Colds

The reason chronic coughs, colds and bronchitis yield to Vinol is because it is a constitutional remedy. Unlike cough syrups, Vinol removes the cause. This is due to the wonderful combination of the oldest and most famous reconstructive tonics,—Beef and Cod Liver Peptonates, Iron and Manganese Peptonates, Glycerophosphates, etc., with a mild tonic wine. This is a splendid remedy for coughs and colds.

KINGSTON HIT WITH HEAVY FALL OF SNOW

Citizens Had to Turn Out and Shovel Snow on Sunday Morning.

Sunday was quite a stormy day. The attendance was rather slim in some of the churches in the morning as a result, but taken altogether there was a goodly number out to the services.
