TO EXERCISE GREAT CARE

THE OTTAWA AUTHORITIES ISSUE A CIRCULAR

Authorities Determined That Greater Care Must Be Taken in Medical Examination of Recruits.

The ever increasing number of discharges from units throughout the Dominion for medical unfitness and "over" and "under" age, together with the many returned from England for like reasons, has prompted the authorities at Ottawa to send a long letter to the different district headquarters. The following are extracts from the letter:

1. More care must be exercised, especially with reference to "over" and "under" the age limit, by the officers and n.c.o.s engaged in recruiting. 2. A preliminary medical examination only should be made by the local examiner, who may be an A.M. C. officer or a civilian practitioner, properly appointed. (The recruiting officer should satisfy himself that the medical examiner has received proper instructions re the conducting of such examinations from the A.D.M.S. of the district concerned).

3. As soon as a recruit is passed as "fit," at this preliminary medical examination, he should be sent to the nearest "mobilization centre" to appear before the Medical Examining Board. If he passes this second examination as "fit" he will be sent to the headquarters of the overseas unit for which he was recruited. No equipment or clothing to be provided until he reports to his unit. 4. In the case of men rejected by the Medical Board, necessary transport to and from the mobilization centre with pay and allowances at overseas rates for the number of days lost, should be granted.

5. A certificate of such rejection, to be prepared by the Medical Board, this certificate to be signed by the rejected applicant, the officer commanding mobilization centre, as well as by the president of the Medical Board. 6. A weekly return of units to be compiled at mobilization centres, and copies distributed to those concerned, a K. to the military district, the Record Office, and to all other mobilization centres.

7. As soon as a recruit who has been passed by the Medical Board reports to his unit the M.O. of that unit will make a careful medical examination of him, and if he has any objection to the decision of the Medical Board, will immediately report to the O.C. of the unit, requesting a reconsideration of the case before any additional expense to the public is incurred.

8. A recruit who is passed as "fit" should report as soon as possible to the headquarters of his unit. 9. That where permission is given to recruit over wide areas, in all cases prospective recruits must be sent to the nearest mobilization centre for examination by the Medical Board.

The above regulations will apply from this date to all units with headquarters in Toronto, where the mobilization centre is at the Toronto Recruiting Depot at the Armouries, Toronto. They will also apply from this date to all units with headquarters in Hamilton, where the mobilization centre is at the Hamilton Recruiting Depot at the Armouries, Hamilton. Officers in charge of mobilization centres will make arrangements with the A.D.M.S., M.D. No. 2 for an adequate supply of medical officers to carry on the medical work.

Eighteen men in the No. 2 Military Division are discharged today as medically unfit. 35c Heavy All Wool Stockings. We are selling extra heavy all wool stockings; suitable for boys' or ladies' overstockings. Worth to-day 50c a pair. Special, 35c a pair. At Corrigan's.

COMING TO GRIFFIN'S. The incomparable Mary Pickford in "Less Than the Dust."

MAIL THIS WHEN YOU GET OUT. The burglar had just begun his term and was assigned to work in the broom factory. Near him was an oldish man who studied him intently and seemed to be awaiting an opportunity to say something. It came while the overseer was at the water tank. "How long are you in for?" he whispered. "Twelve years," replied the newcomer.

THE VETERAN LOOKED AROUND NERVOUSLY and thrust a letter in the burglar's hand. "I'm in for life," he said. "Mail this when you get out."

E. E. CAIN RE-ELECTED PRESIDENT T. & L. COUNCIL Will Recommend Appointment of Plumbing Inspector For City.

At a well-attended meeting of the Trades and Labor Council held on Thursday evening E. E. Cain, president, was re-elected for the coming year. The other officers elected were: H. Ferguson, vice-president; W. T. Guild, corresponding secretary; Joseph Hackett, financial secretary; N. Smith, treasurer; P. Tallon, guide.

During the evening Thomas Worth, all international organizer of the Barbers' Union, and James Watt, international organizer of the Tailors' Union, both of Toronto, gave addresses that were heard with interest. After discussion, it was decided by the council that a petition be sent to the council asking for an appointment of a plumbing inspector. This is being done by the Trades and Labor Council in the interests of the city's health.

A HORSE WAS DROWNED

AND TWO WELL-KNOWN ISLANDERS HAD THRILLING TIME.

Horse Broke Through Ice When A. Huff and O. Hawkins Were on Their Way Home on Thursday Night From the City. A. Huff and Oliver Hawkins, two well-known farmers from Wolfe Island, had a most thrilling time on Thursday night while driving home from the city, when their horse and cutter broke through the ice. They succeeded in getting out all right, but the horse was drowned. The horse and cutter was the property of Mr. Huff.

A number of soldiers from Fort Henry hurried to the scene after the mishap, and helped the islander to get the horse out, but the animal died shortly after being removed from the water. The cutter, harness and robes were also saved, and the entire outfit was taken to the police station. Police Constables Leslie Armstrong and John Naylon were at the scene of the accident and assisted in getting the outfit to the city.

This is the first case so far this year of a horse breaking through the ice. The heavy fall of snow has covered up the bad spots. It was stated on Friday morning that a portion of the road to the island had been staked off.
