### Dandruff Surely

seans get rid of dandruff, for it will starve your hair and ruin it if you

It doesn't do much good to try to brush or wash it out. The only sure way to get rid of dandruff is to dissolve it, then you destroy it entirely. To do this, get about four ounces of ordinary liquid avron; apply it at night when retiring; use enough to moisten the scalp and rub it in gently with the finger tips.

By morning, most if not all, of your dandruff will be gone, and completely dissolve and entirely destroy every single sign and trace of

His world!-London Daily Mail. verses often are like the discharge of an overheated boiler, though they may also be serene and illumined by tempestuous soul, never satiated because it is too strong to put up with the meanness of a life without an ideal. It was born for a holy religious anger at the sins of the world, for a violent asceticism allied with an evangelican sympathy with the humble. The loss of the Christian ideal of its youth and of so many generations of Flemish Catholiciam bewildered that powerful mind.

This explains why Verbaeren could not be neutral and at the end of his life became a preacher of atheism. In quest of a luminous ideal, he easer-ly welcomed the visions of that world of dreams in which scintiliate the of dreams in which scintillate the wan lights of universal fraternity, regeneration of mankind in love and equality, community of goods and souls, consciousness of a liberated mankind, religion of science, life of the universe, and to those idols he sacrificed with the hyperbolic faith of a Victor Hugo and the bitterness. of a man who has never recovered
