TO PENITENTIARY

to Be Given After Sentence of Death.

Michael Tancreade was brought January 29th. night by Deputy Sheriff Benjamin Watterworth, and has commenced his life sentence at the big prison ir Portsmouth. He was found guilty of a reprieve, the first to be given in the County of Middlesex, after sentence of death had been pronounced.

And it is of interest to note that out of the many cases heard in London this is the first in which a man has been sent to the penitentiary for

Regret was expressed that the unfortunate accident had occourred which caused so much anx-

isty and loss of time for Mr. Rankin. The question of abolishing the student holiday in the early part of the first term, commonly known as University Day, has been brought up for discussion in the various faculty societies so that the A.M.S. may know the feelings of the student bodies on the subject. The matter was thoroughly discussed at the Arts Society, and like the Engineering Society the organization put itself as being strengly opposed to the abolition of University Day.

It is quite probable that the social function will have to be held in the university gymnasium instead of Grant hall. Preliminary work has Vics-Carson, goal; Sutherland begun on the Arts buildings and it is and R. Douglass, defence; M. Carr thought that work may be started on

Inspect Conditions,

F. S. Sheppard, in charge of Mili-tary Y.M.C.A. Field Work for Eastern Canada, was in the city on Thursday visiting Fort Henry, where H. Peach; of the International Y.M.C.A is acting in the interests of the war prisoners. Mr. Sheppard was most enthusiastic over the work that is being done by the Y.M.C.A. in this war. There were secretaries of the association in Germany and Austria, who represent, as neutrals, the Canadians, British, French and Russian prisoners. In the prison camps of Russia, France and England, and in Canada, secretaries are doing similar

work for the alien enemies.

The Canadian Military Y.M.C.A has become so successful in the work that it is proposed now to have work-ers even on the transports, who will use their experience and training for the Canadians while crossing the
