**BATTERSEA.**  
Jan. 29.—On Thursday of last week a Red Cross shower was given in Orange Hall here. It was one of the most pleasing events held here in some time. The stand at the door was prettily decorated in white and red and two large boxes also decorated in red and white were there to receive the gifts. The ladies were dressed as Red Cross nurses and they did their utmost to make the evening a pleasant one. The shower was indeed bountiful, showing that Batterssea people are in sympathy with Red Cross workers. In one corner was a fish pond which was well patronized. In the other corner was a witches' bower, where fortunes were told. When there was a lull the band started the programme and made the evening lively with music. Several rendered solos and two comic duets were sung by Messrs Earl and Christopher Lake. Speeches were also made. After the programme the ladies served a dainty repast.
