**FARMERS WILL PAY MORE FOR THEIR HELP**  
The Demand for Workers Will Be Very Heavy This Summer.

Farmers will have to pay far dearer for their help this summer. Such is the opinion of Mr. Aylesworth, one of the inspectors for the immigration department, who was in the city on Saturday on a tour of inspection. He has a large number of requests from farmers for help, and says that he believes that they will have to pay double the amount they paid last summer for help. Mr. Aylesworth, whose home is at Newburgh, has two sons fighting at the front.

**HAD TO PAY A FINE.**  
For Neglecting to Send His Boy to School.

In Police Court Saturday, William Clark was found guilty of neglecting to send his boy to school, and was fined \$2 and costs. Thomas Lambert, who appeared in khaki, was gathered in Friday night by Constable Leslie Armstrong, on a charge of being drunk, and was fined \$10 and costs. He said he got the liquor in Montreal.

**Stopped Dumping Snow.**  
At the last meeting of the City Council authority was given for snow to be dumped on side streets adjacent to the main thoroughfares. On Friday much snow was dumped from the street railway lines onto lower Princess street. Residents raised objection on the ground that the snow was full of dirt and that it blocked the street. Accordingly the snow dump was stopped at Victoria Park. It costs about as much to dump snow on side streets as to take it on a long haul to a park, as one the side streets it had to be levelled.

**Letters To The Editor**  
Would Like the Names.  
Kingston, Feb. 10.—(The Editor)—If the writer of the letter which appeared in yours of February 9th, signed "Citizen," will be good enough to let me have the names of any men disabled through military service and unable to work, and who are getting neither pay nor pension, the matter will have the immediate attention of the Soldiers' Aid Commission and of the Pension Board. Parliament has made provision for the granting of pensions to those who are disabled through military service and all that is necessary to obtain recognition is that the attention of the board of Pension Commissioners should be directed to any cases of oversight, if such there are.
