

DEATH OF CANON GROUT

PASSED AWAY WEDNESDAY AFTER TWO WEEKS' ILLNESS.

Clerical Secretary of Diocese of Ontario for Past Fifteen Years—Also Held Charges in Eastern Ontario.

A death which caused widespread regret occurred on Wednesday morning when Canon George William Geddes Grout, clerical secretary and registrar of the Diocese of Ontario, passed away at his residence on Wellington street following an illness extending over two weeks.

Deceased was in his eightieth year. He was born at Grimsby, Ont., and was the youngest son of the late Rev. George Grout, rector of Grimsby. He was a graduate of Trinity College, Toronto, and was ordained in 1860 by the late Bishop Strachan, after which he held many charges in Eastern Ontario, including North Gower, Sydenham, Stirling, Carleton Place, and Lyn.

The late Canon Grout is survived by four sons, Frank Grout, superintendent of the money order branch of the Civil Service, Ottawa; Rev. Geo. H. P. Grout, rector of Caskville, New York; Trevor H. Grout, Arnprior; James B. L. Grout, manager of the Bank of Toronto at Oakville. Miss Alice Grout, of Grimsby, is a sister. Deceased was a member of the Masonic Order and chaplain of the Ancient St. John's Lodge, Kingston.

Kind of heart, and ever ready to give a helping hand to every good cause, Canon Grout endeared himself to every person who had the pleasure of his acquaintance. Although well up in years, he enjoyed good health generally, and could be found at his work in the synod office every day. He was always present at meetings of the synod and the executive, and in his death the diocese suffers a great loss.

"WAR AS IT REALLY IS."

Shows Verdun Campaign and Mid-Air Battle.

All the efforts of the Germans to batter Verdun to pieces have resulted in nothing more than the destruction of the town, its great forts remaining intact. Capt. Donald C. Thompson in his seven reeler, "War As It Really Is" shows the complete Verdun campaign, including the great Allied offensive. Over 500 startling scenes of modern warfare are included in this series, which will be shown at the Strand on Thursday, Friday and Saturday.

SPECTACLE FRAMES

Correctly Fitted to The Face Are An Essential As Properly Fitted Lenses Are to The Eyes.

A lens should be mounted so that its centre should be exactly opposite the pupil of the eye. In any other position it will cause strain and have a tendency to produce double sight. The bridge or nose piece should fit so well that wobbling will be impossible and it should bear equally at all points.

AT GRIFFIN'S THREE DAYS

Clara Kimball Young, in "The Foolish Virgin," to Be Seen Here.

That the lust for gold leads to crime and even murder is the theme of "The Foolish Virgin," the second great Clara Kimball Young production to be seen at Griffin's Thursday, Friday and Saturday.

The story of "The Foolish Virgin" is dramatic in character, and offers the popular and beautiful Miss Young unlimited opportunities to display every one of her notable talents; in fact this production has proven to be greater than the "Common Law."

In "The Foolish Virgin" Miss Young will be seen in the role of the girl whose ideas of life are confused with the romantic stories of the days of chivalry—whilst she is fond of reading. Knowing nothing of realities, the heroine is deceived into marrying a man who turns out to be a criminal. The girl exerts her influence towards the redemption of the man she loves, and it is during this process of character building that the tense dramatic scenes in which the story abounds develop.

Whether for a well-woven plot, for sustained interest, for excellency of acting or for superb photography, it would be difficult to find an equal to this splendid photodrama.

AT HANDS OF BARRIE IN CURLING SEMI-FINALS.

The Score Was 42 to 33—Barrie and Hamilton Meet in Finals For the G.C.A. District Cup.

After a day of good curling on keen ice the honor of the District Cup competition of the Ontario Curling Association at Toronto is down to the result of the meeting of Hamilton Victorias and Barrie on Victoria Club ice this morning. Sarnia did not put in an appearance, and the game with Hamilton Vics. went by default to the latter in the first round. The other games resulted in wins for Kingston, Barrie and Waterloo, the largest majority in any being the seven-point margin of Kingston over the Toronto representatives in the competition, the Lakeview Club.

In the second round Barrie, who had put out last year's winners in the morning, won from Kingston, and Hamilton Vics. had one shot the best of the game with Waterloo. The Kingston-Barrie game resulted:

INCIDENTS OF THE DAY.

Local Notes and Items Of General Interest.

Frank McCue, Rochester, N.Y., was in the city on Wednesday. Cheer up, the weather man says it will be still milder and coal is on the way.

Edward Everett is in the city arranging for Al. H. Wilson at the Grand on Feb. 22nd in "My Killarney Rose."

Miss Agnes Stanton, Barrie, who has spent the month with her sister, Mrs. S. Saunders, city, has returned home.

The county patriotic fund committee paid out \$1,162 for relief during February. The county is paying into the fund \$2,000 a month.

The mild weather is certainly appreciated by the citizens, especially those who have been trying to keep the home fires burning in spite of the scarcity of coal.

The weather is moderating and with it the coal situation will be relieved. People should be calm for there is enough coal in the city for present needs, providing moderation is exercised in demands and in firing the coal dealers cannot fill orders for next summer; they can help the citizens to work through the winter. There is no need to worry over the year to come.

The horse made no attempt to run away, so her two small children escaped unhurt.
