

LATEST MILITARY TIDINGS

THE KIND OF MEN TO ATTEND THE ARTILLERY COURSES

Lieut. William R. Elliot, of 109th. Given Military Cross—The Recruiting Returns for First Two Weeks of February.

The Toronto Globe says: Instructions have been issued from Ottawa as to the kind of men that should take the course of training for an officer at the Royal School of Artillery at Kingston. A great number of the men attending this school have been those drawn from militia artillery units, and who have had no military experience. It has been found that these men, when taking a course along with men chosen from C. E. F. artillery units, hold back the classes and do not make as good candidates as the others. Consequently it is deemed advisable by Ottawa that militia officers should not be encouraged to attend the courses, but rather should be encouraged to join the ranks of a C. E. F. unit, attend the school and take their commission, and go overseas as privates with their qualifications in their pockets.

In the official account of the reason for his being granted a military cross the following is reported: Lieut. William Ralph Elliot, Infantry, assumed command and handled a company in attack with marked courage and ability; he reorganized

the men who carried out consolidation of the position. Lieut. Elliot was an officer of the 109th Battalion at Barriefield under Lieut.-Col. J. H. Fee during last summer's camp. His brother Capt. David Elliot was of the same unit. There were 835 recruits signed up in this district during the last two weeks. The 25th took away 294 new men and won the Hughes Cup. The Kingston units secured recruits as follows: 72nd Battery, 23; 73rd, 16; 74th, 11; 75th, 15; 5th D.A.C., 2; 253rd Q. U. H., 77; Q.F.A., 12; C.A.S.C., 9; 2nd Draft, 6.

BABY'S OWN TABLETS OF GREAT HELP

Mrs. Wm. Artlett, Ancaster, Ont., writes:—"I have used Baby's Own Tablets for three years for my little girl and baby boy. I have found them of the greatest help during the teething period and always keep them in the house." The Tablets aid teething babies because they regulate the stomach and bowels, thus preventing constipation, diarrhoea and convulsions. They promote healthy sleep and keep baby well and happy. They are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

Sunday Bulletins at the Red Cross. Since the Kingston daily papers have discontinued their Sunday bulletin service the Red Cross drug store has made arrangements whereby they can give the public a regular Sunday bulletin. These are posted each Sunday about 11.30 a.m. and 5.30 p.m., and that the public appreciate them is shown by the crowds which stop and peruse them during their Sunday strolls.

STILL NO ACTION TAKEN

REGARDING BRINGING MAIL OVER ICE FRAM CAPE VINCENT

Although Government Had Very Reasonable Offer From Stage Man to do the Work—As Result Business Men Continue to Suffer.

In spite of the storm of protest from business men and citizens caused by the delay and inconvenience caused by the fact that no mail is brought to the city from Cape Vincent by state, no action has been taken, and the Whig has been informed that just recently the Government had an offer from a stage man to bring the mail over to the city for the sum of \$100 for the remainder of the season, which is regarded as a very reasonable sum. The steamship company carrying the mail was paid the sum of \$150 a month. "It is a shame to think that the people of Kingston have to suffer in this way," said a merchant to the Whig on Friday. "Everything has to go via Ogdensburg and there is great delay in getting our mail from New York points, as was pointed out in the Whig some time ago. "Take the case of a person in Cape Vincent mailing a letter to a party living on Wolfe Island, just two miles away. This letter has to go all the way to Ogdensburg to get to its destination, so you see the people on Wolfe Island suffer as well."

WHEN ON LEAVE IN U. S. OFFICERS MUST REPORT

Ottawa Hears Complaints of Men Masquerading as British Officers.

The Militia Department sent word to Kingston that complaints have been received of people masquerading in the United States as British officers, and issued these instructions: "Any officer proceeding to or through New York, for any purpose, is to report himself on arrival to the British naval attaché at that place. "No officer is to proceed to the United States of America on leave in uniform. "Every officer proceeding to the United States of America either on leave or on duty, is to call upon the British consul on arrival at his destination and establish his identity.

The Late Mrs. Robert Boyes.

In the sudden death of Mrs. Robt. Boyes on Feb. 8th one of Napanee's oldest and most highly respected citizens was called away. Deceased, who had been ill but a very few days, was in her eighty-first year, and had been a resident of Napanee for fifty-five years. Her father and mother, William and Hannah Richards, arrived in Kingston in 1827 from England, after a nine weeks' voyage on a sailing vessel. At that time the family consisted of seven children, Mrs. Boyes being one year old. After the family came to this country they were blessed with six more children, making thirteen in all—seven girls and six boys—one dying in infancy and twelve growing to manhood and womanhood. Two sisters and one brother are still living, Mrs. Belfour, in her ninetieth year; James Richards, Belleville, in his eighty-eighth year; and Mrs. Fox, Stockdale, in her seventy-fifth year. Deceased leaves six children to mourn her demise: J. L. Boyes, Napanee; A. R. Boyes, Pasadena, Cal.; W. E. Boyes, Lachine, Que.; C. H. Boyes, Kingston; Mrs. James Wilson and W. G. Boyes, Napanee. The funeral service was held at her late residence on Sunday, and although the house is a large one, it was completely filled with relatives and friends paying their last respects to one whom they dearly loved.

DANDRUFF GOES! HAIR GETS THICK, WAVY, BEAUTIFUL

Save Your Hair! Double its Beauty in a Few Moments. Try This!

Hair Stops Coming Out and Every Particle of Dandruff Disappears.

Try, as you will, after an application of Danderine, you can not find a single trace of dandruff or falling hair and your scalp will not itch, but what will please you most, will be after a few weeks' use, when you see new hair fine and downy at first—yes—but really new hair—growing all over the scalp.

A little Danderine immediately doubles the beauty of your hair. No difference how dull, faded, brittle and scraggy, just moisten a cloth with Danderine and carefully draw it through your hair, taking one small strand at a time. The effect is immediate and amazing—your hair will be light, fluffy and wavy, and have an appearance of abundance, an incomparable lustre, softness and luxuriance, the beauty and shimmer of true hair health.

Get a 25-cent bottle of Knowledge's Danderine from any drug store or toilet counter and prove that your hair is as pretty and soft as any—that it has been neglected or injured by careless treatment—that's all.

Danderine is to the hair what fresh showers of rain and sunshine are to vegetation. It goes right to the roots, invigorates and strengthens them. Its exhilarating, stimulating and life-producing properties cause the hair to grow long, strong and beautiful.

ZOOLOGICAL CONTEST.

There Was Widespread Interest Over the Event.

The novel zoological contest, recently advertised throughout Canada by John Hallam, Limited, as to how many hairs were on a square inch of bear's skin, is now over.

It is quite remarkable on looking over the prize winners, to see the widespread interest this contest received throughout Canada.

The estimates varied from "no hair" up to "several millions," but the actual number which was on a square inch of bear skin, carefully checked, was 10,543. The following cash prizes have all been mailed out to the various winners: \$50—Estimate 10,500, Mrs. Jas. A. Davis, Jr., box 24, Lorne, Alta.; \$35—Estimate 10,483, Mrs. Matthew S. Scarth, Binscarth, Man.; \$25—Estimate 10,385, Frank C. Kuschiek, Buckingham, Que.; \$15—Estimate 10,721, Mrs. Geo. T. Welsh, Onoway, Alta.; \$10—Estimate 10,777, Mrs. J. Frank Roach, Sussex, N.B.; \$10—Estimate 10,804, Mrs. Jas. Rabb, Rossington, Alta.; \$10—Estimate 10,821, Mary J. Campbell, Aurburn, Sask.; \$10—Estimate 10,241, Mrs. Chas. T. Duncan, 214 Dominion street, Moncton, N.B.; \$10—Estimate 10,870, Miss Kate A. Jacky, St. Agatha, Ont., R.I.

Besides the above there were awarded ten prizes of \$5 each, ten of \$3 each, ten of \$2 each and twenty-five of \$1 each. Among those who won the latter were: J. N. Smith, R.M.D. No. 3, Madoc; Mrs. William Boyd, Cheltenham, Ont.; and Miss Lillian F. Savery, Port Hope, Ont.

IN THE HALLS OF QUEEN'S.

The Dramatic Club Has Endowed Two Beds in No. 7 Hospital.

The annual meeting of Queen's University Dramatic Club was held on Thursday afternoon with the vice-president, Miss Hilda Laird, in the chair. Reports showed that the club was making itself felt as a potent factor in university activities. The new president, G. E. Wood, was installed and outlined some of the plans in view. Reference was made to the pleasure afforded to the members by being able to endow two beds in the No. 7 General Hospital (Queen's). There are a large number of the members of the club serving with this unit as well as with the various other Queen's detachments overseas.

The regular meeting of Arts '18 was held on Thursday afternoon, at which an interesting programme was given.

BOTH LEGS AMPUTATED.

Corp. Ernest Carr's Father Lives at Moscow.

Corp. Ernest Carr, the most seriously wounded at the Toronto Spadina Hospital, has had both legs amputated above the knee. This was necessary because at the second battle of Ypres, in 1916, both legs were practically blown off by a high explosive shell. In the first battle of Ypres, 1915, he received a rifle bullet wound in the head. He went to the front when he was twenty years old. His father lives in Moscow, and his grandmother, Mrs. Samuel Carr, at 12 Belmont street, Toronto.

How Germans Live.

William Menkel, writing in the American Review of Reviews on "Living Conditions in Germany," says:—"One must have cards for bread, butter, meat, fruits, potatoes, fats, sugar, milk, cream, and eggs. Meat is allowed five times a week; butter or fats twice a week; eggs one to each person per week; bread, vegetables, and fish are to be had every day. The bread cards have little tabs on them each calling for twenty-five grams of 'kriegsbrot' (war bread.) Each tab is good for a slice of bread or two tabs for a roll. Meat cards are good for a slice and a half, or 75 grams, of meat. On Tuesdays and Fridays there is no meat to be had, but on these days butter is allotted. Fats for frying can be had on Mondays and Thursdays. This skimmed milk and small particles of saccharine have taken the place of cream and sugar. Every family is given a card, stating the quantity of food allotted to it, according to its size."

A Relic of Other Days.

South Wales Daily News. There is an interesting story circulating in Unionist circles. A prominent Unionist noted in the past for his rabid hostility to the Prime Minister has, during the last decade, been a diligent collector of aught that was disparaging or abusive of Mr. Lloyd George, whether in caricature, cartoon or print. His collection, which is said to be singularly comprehensive, has in these later days become something of an embarrassment. One of the Unionist leaders has suggested to the embarrassed collector that he should sell the collection for the benefit of the war funds, or alternatively, that he should present it to Mr. Lloyd George.

New Uses for Yeast.

Popular Science Monthly. Because it is so essential in the making of bread and beer most of us think that yeast is useful for nothing else. But the Berlin Institute of Fermentative Industries calls attention to the fact that valuable flavoring extracts and tonics can be obtained from it and a relatively large percentage of muscle-building matter. Its remaining constituent, a mass of cellulose, can be used to make a very hard mass, known as granulita, excellent non-inflammatory substitute for celluloid.

To Pop Corn.

Here is the proper way to pop corn: Put the regular quantity—that is a very small quantity—into the popper and hold it under the cold water faucet long enough to thoroughly saturate the kernels. Shake the popper and place it on the back of the range to allow the corn to dry, then pop. The kernels will be very large, and there will be no hard centre.

Sale of Small Sizes in Children's Rubbers 25c. These rubbers are small fitting but good quality. Sizes 3 to 7 1/2 only, and regular 60c, but carried from last winter and must be cleared out at once. Only about 100 pairs, at 25c.

GAS! GAS! INDIGESTION, SOURNESS, SICK STOMACH — PAPE'S DIAPEPSIN

Here's Relief! In Five Minutes Your Upset Stomach Feels Fine.

If you feel bloated after eating and you believe it is the food which fills you; if what you eat lies like a lump of lead on your stomach; if there is difficulty in breathing after eating, eructations of sour, undigested food and acid, heartburn, brash or a belching of gas, you need Pape's Diapepsin to stop food fermentation and indigestion.

It neutralizes excessive acid, stomach poison, absorbs that misery-making gas and stops fermentation which causes your entire meal and biliousness, Sick Headache, Biliousness, Constipation, Griping, etc. Your

real and only trouble is that which you eat does not digest, but quickly ferments and sours, producing almost any unhealthy condition. A case of Pape's Diapepsin will cost fifty cents at any pharmacy here, and will convince any stomach sufferer in five minutes that Fermentation and Sour Stomach is causing the misery of Indigestion. No matter if you call your trouble Catarrh of the Stomach, Nervousness or Gastritis, or by any other name—always remember that relief is waiting at any drug store the moment you decide to begin its use. Pape's Diapepsin will regulate any out-of-order stomach within five minutes, and digest promptly, without any fuss or discomfort, all of any kind of food you eat.

Doctor Tells How To Strengthen Eyesight 50 per cent. In One Week's Time In Many Instances

A Free Prescription You Can Have Filled and Use at Home. Philadelphia says: "Do you wear glasses? Are you a victim of eye strain or other eye weaknesses? If so, you will be glad to know that according to Dr. Lewis there is real hope for you. Many whose eyes were failing say they have had their eyes restored through the principle of this wonderful free prescription. One man says, after trying it: "I was almost blind; could not see to read at all. Now I can read everything without any glasses and my eyes do not water any more. At night they would pain dreadfully; now they feel fine all the time. It was like a miracle to me." A lady who used it says: "The atmosphere seemed hazy with or without glasses, but after using this prescription for fifteen days everything seems clear. I can even read fine print without glasses." It is believed that thousands who wear glasses can now discard them in a reasonable time and multitude more will be able to strengthen their eyes so as to be spared the trouble and expense of ever getting glasses. Eye troubles of many descriptions may be wonderfully benefited by following the simple rules. Here is the prescription: Go to any active drug store and get a bottle of Non-Opto Tablets. Drop one Non-Opto tablet in a fourth of a glass of water and allow to dissolve. With this water bathe the eyes two to four times daily. You should notice your eyes clear up perceptibly right from the start and inflammation will quickly disappear. If your eyes are bothering you even a little, take steps to save them now before it is too late. Many hopelessly blind might have been saved if they had cared for their eyes in time. Note: Another prominent Physician to whom the above article was submitted, said: "Non-Opto is a very remarkable remedy. Its constituent ingredients are well known to eminent eye specialists and widely prescribed by them. The manufacturers guarantee it to strengthen eyesight 50 per cent. in one week's time in many instances or refund the money. It can be obtained from any good druggist in its case of use. New preparations I feel should be kept on hand for regular use in almost every family." It is sold in Kingston by Geo. W. Mahood and other druggists.
