FINED FIFTY DOLLARS FOR FORTUNE TELLING

Magistrate Will Consider Reduction of the Amount—Interested Ones in Court. Brockville, Feb. 25.—Mrs. Mary J. Hewitt was arraigned before Police Magistrate Deacon on a charge of fortune telling, before a large number of invited "guests," including many of the fair sex. The defendant was represented by W. A. Lewis, who entered a plea of guilty to the charge. He told of the prisoner's good character, and argued that those who went to her home to have their fortunes told, did so in a spirit of fun, and considered that no deception or fraud had been practiced. Mrs. Hewitt stated that she had been telling fortunes only from September last. The magistrate told her she was liable to one year's imprisonment, but that he would let her down with a fine of \$50 without any costs. Mr. Lewis pleaded for a reduction in the amount of the fine, and the magistrate said he would consider a reduction and make the result of his deliberations known next Thursday.

German Papers Squeal. Berlin, via Sayville, Feb. 25.—"Re-establishment of privateering against neutrals" was one of the denunciatory terms with which Berlin newspapers of Saturday greeted the new British Order-in-Council which requires neutral ships to call at En terte ports if bound to or from ports of countries adjacent to Germany or her allies.

A Genuine Fire Bug. Ottawa, Feb. 26.—A new enemy of the timber wealth of Canada, believed to have accounted for much damage blamed on forest fires, has been located. It is a bug, and its discoverer is Entomologist Johnson, of the southern section of the Stefansson exploration party, which returned last fall from the Arctic after three years in that frigid region.
