

# "Almost a miracle"

That is what Rabbi M. Shallit of Edenbridge, Sask., says regarding a cure by Zam-Buk, of which he gives the following particulars:

"A short time ago," said the Rabbi, "a man brought his little son to me and asked if I knew of anything that would cure the child of a terrible skin disease, with which he had suffered for three years. The child's forehead, eyes and ears were covered with sores. The sight was shocking, and the child had not been able to see for two years. As he was an only child, the father said he would give anything to have him cured, but as he had already been treated by many doctors, each of whom had given up the case as incurable, he had about despaired of ever finding a cure. Having great faith in Zam-Buk, I recommended it, and to cut a long story short, perseverance with Zam-Buk has now completely cured the child."

### THE FATHER'S ACCOUNT

The following letter from the father of the boy expresses his gratitude: "The Zam-Buk Company, Toronto. Dear Sir: I beg to testify that my boy suffered for three years with a severe skin disease, which doctors tried to cure, but in vain. The sores on his eyes were so terrible that for two years he was quite unable to see. Zam-Buk, however, has worked a complete and permanent cure. The Zam-Buk treatment was recommended to me by Mr. M. Shallit, Rabbi of Edenbridge, for which I shall be grateful to him forever. With hearty thanks to you, I remain, Yours faithfully, (Signed) E. ROMANUK."

Zam-Buk is just as good for scalp sores, ringworm, salt rheum, itching sores, old wounds, boils, sores, abscesses, pimples, blood-poisoning, itchy cuts, burns, and all skin injuries and diseases. All druggists and stores of Zam-Buk Co., Toronto. See box, 3 for \$1.25.
