Now we are all more or less liable to accidents, both at home and at work, but we can protect ourselves against serious consequences by taking the proper preeautions,—that is by applying Zam-Buk immediately an injury is sustained.

Zam-Buk combines very unasual qualities. It is a strong antiseptic, and at the same time is very soothing and healing. It is therefore capable of ending the pain and destroying the poison in a wound before it heals it. Zam-Buk not only destroys all germs in the wound, but by protecting the sore place from the germ-laden air, keeps other diseases out. At the same time, the healing essences of Zam-Buk are growing new skin which gradually covers the place, and a complete cure is the result.

There is nothing else known to science which will perform the healing miracles done by Zam-Buk. This is because of the secret herbal composition of Zam-Buk. Be prepared for any emergency by keeping a box of Zam-Buk always on hand. 50c. box, 3 for \$1.25. All druggists, or Zam-Buk Co., Toronto. Send 1c. stamp for postage and free trial box will be sent you.
