**CITIZENS SHOULD HELP IN THE LANGEMARCK CELEBRATION**

A Big Meeting of the Veterans Association on Monday Evening—Final Arrangements Have Been Made.

The rooms of the Veterans Association were so crowded at the meeting on Monday evening that many were turned away. There were fifty-seven new members added and it was announced that the membership now totalled 701.

The chief business of the evening was that of making arrangements for the Langemarck celebration. A reception committee was appointed to look after the visiting military and civilian guests, to meet trains and boats on which they will be coming. The special committees of the celebration will be meeting every evening this week. Commandant J. G. Evans presided and he was instructed to invite Lieut.-Col. P. G. C. Campbell Major—Kenneth Mundell, Lieut.-Col. D. Barrager, Lieut.-Col. W. Y. Mills, Lieut.-Col. O'Dell, Lieut. Munstle, Lieut. Bews and the officers N. C. O's and men under the command of these officers. The officers of the Royal School of Artillery and the staff of the Armouries will also be invited.

Sergt. Tierney, who will be caterer for the banquet, presented the menu which was of his usual high standard.

Addresses were given by Lieut.-Col. Spooner, H. Crothers, Capt. Kavanagh, Sergt. Rawbon, Pipe-major Dare, Sergt. McArthur, Sergt. Horne. A sword dance and highland flight was given by Pipe-major Dave; Sergt. McArthur rendered pipe selections; Miss Aldridge and Sergt. Horne recited; Pte. Prine gave a solo and members Pipe and Smith gave piano and harmonica selections.

Among the officers who joined on Monday evening were Major K. Muirbell, Capt. Arthur Test, Capt. T. P. Byers, Lieut. J. B. Willoughby, Lieut. Bruce Cannon, Lieut. Armstrong, Major Leatherland and others. A letter of condolence will be written to Rev. and Mrs. B. Pierre on the death of their son in action, and also to Mr. and Mrs. W. F. Nickle and Mr. and Mrs. W. Hazlett on the wounding of their sons at Vimy Ridge.

Permission has been granted by Brig-Gen. T. D. R. Hemming for the officers of the association and men out of the service to wear uniform at the evening parades during the week and during the celebration. The request is being made to allow all veterans to wear their medals on their khaki.

Col. Labatt and Major Buchanan, Board of Pension Commissioners, will attend the banquet. A committee of returned soldiers will wait on the merchants of the city and ask them to decorate for the event, using the United States flag prominently. The request is also extended to the citizens.

**AVAILABLE FOR EARNINGS**

The Previous Year Contingencies Were Arranged For.

Canadian Locomotive shares are steady at 6 1/2 bid. The statement is heard that the earnings of the company are running in excess of fifty per cent. on the company's \$2,000,000 common stock, although it is probable that the financial statement for the fiscal year ending June 30th next may not reveal the full earnings. Profits a year ago were very large, and the company, out of its surplus profits, provided for all sorts of contingencies, so that earnings this year will be available for dividend on the common stock. It is understood that the company has paid off all its floating liabilities out of profits, and that it has ample working capital to carry on its business without borrowing.

So far as the position of the company is concerned at the termination of the war, there is no cause for anxiety. Canadian railways are short of motive power, and this should assure the company sufficient business at normal profits for some years to come.

**A TABLET UNVEILED**

In Church at Summerland, B.C., to Pte. Ross Rae.

A memorial tablet has been placed in the Summerland, B.C., St. Andrew's Church in honor and memory of Pte. Ross Rae, who was killed in action in France in August, 1916. It was subscribed to mainly by his fellow employees of the Summerland Fruit Union, with whom the decorated soldier worked for some time prior to his enlistment. It makes a simple yet striking tribute to the friendships which he enjoyed there. The tablet bears the inscription: "It is sweet and magnificent to die for one's country."

Pte. Ross Rae was a nephew of W. A. Rae, 23 Main street, Kingston, whose brother, Allan, recently died of wounds. Two other nephews have been wounded in action.

**Coming to Griffin's.**

"The Price She Paid," one of the most popular American novels ever written, with Clara Kimball Young, the favorite of all moving picture actresses will be the Selznick pictures feature offering at Griffin's Theatre, Thursday, Friday and Saturday of this week. The story is that of Mildred Gower, a young woman who has been reared in luxury, and finds herself almost penniless at the death of her father. It is necessary that she make a "good match," and because of the taunts of relatives she is finally forced to marry a multimillionaire many years her senior. She finds herself little more to him than a fine piece of furniture, which he displays to his friends to gratify his pride, and she leaves him. A former sweetheart provides her with money to enable her to study for an operatic career, but she makes little progress, until another man, Donald Keith, shows her that success is to be reached only through self-denial. She then learns that she never was legally the wife of the multimillionaire, as he had a wife living in an insane asylum. Finally she achieves her ambition, and is free to marry the man of her choice.

**THE REPORTS PRESENTED AT ST. PAUL'S VESTRY MEETING.**

Rector Received Letter From Paris—Rector Enclosing Cheque for \$400 as Gift to Church—The Reports of Various Branches of Church.

The adjourned Easter vestry meeting of St. Paul's Church was held Monday evening. The audited statement of the churchwardens was presented, and showed total receipts, \$6,197.67. This sum includes bank notes, \$2,115.27.

The auditors' statement emphasized the creditable position the church is in, as it covered only 49 weeks, as fiscal year ended March 31st.

The mission report showed that the apportionment of \$400 was paid prior to Dec. 31st, 1916.

The Women's Auxiliary statement showed total receipts, \$136.87, of which \$102 were given through the W.A. diocesan treasurer to missions, this amount being independent of missionary appointment referred to above.

The Sunday school report showed total receipts, \$197.56. The A. Y. P. A. receipts were \$55.15. The Ladies' Guild receipts were \$115.02. The organ fund showed that the sum of \$1,149 is in bank.

The rector read a kind letter from a parishioner enclosing a cheque for \$400 as a gift to the church.

A letter of thanks has been sent to the donor by the rector and churchwardens, as well as a resolution of grateful acknowledgment from the vestry. On account of the above generous donation, the church is enabled to reduce the total indebtedness to bank to \$285.

The auditors' report was a masterpiece, and drew forth much thanks from the vestry members to W. G. Ferguson, who in his report expressed regret that illness prevented his colleague, Mack Coward, from acting with him.

Votes of sympathy with all bereaved families and sick members of the congregation were passed.

R. F. Elliott and E. M. Loscombe were reappointed churchwardens, and the following delegates to Synod were appointed: W. H. Ferguson, H. W. Snelting, J. W. Power.

The other church officers were reappointed: Auditors, W. G. Ferguson and M. Coward; vestry clerk, C. A. Bunt. Dr. Stanley Keyes was added to the list of sidesmen.

Votes of thanks to the various church officers, the W.A., the Ladies' Guild, the choir and other organizations of the church, including Sunday school teachers, were passed.

The number of communicants on Easter Day was the largest on record, and, as the reports showed, old St. Paul's is in every department in markedly progressive condition.

**NOTICE TO CONTRIBUTORS.**

The Whig gladly welcomes letters from any of its readers in regard to questions of public interest. In fact, we wish we had more of them for many good ideas are evolved this way. However, the publishing of letters anonymously or over an assumed name frequently leads to trouble. The man who signs his name to an article takes the responsibility for its publication, and will be more careful in what he writes than the one who can hide behind a nom de plume. For this reason the Whig has decided to discontinue the practice of publishing letters other than those signed by the correct name of the writer.

**The Company Objects.**  
It is understood that the United States immigration authorities want the Canada Steamships Limited to erect a \$5,000 building at Cape Vincent for the examining of Canadians and others taken across the line on its ferry steamer. The company is inclined to object to being put to such an expenditure, and has held up its ferry service.
