SUFFERED FROM BACKACHE, RHEUMATISM, DROPSY.

Dear Mr. Editor—I wish to tell you of a recent experience I had when suffering from backache, weak back, rheumatism, dropsy, and congestion of the kidneys. I tried a new medicine called "Anurie," which has recently been discovered by Dr. Pierce, of whose medicine and Surgical Institution in Buffalo, N. Y., you have no doubt heard me speak. This medicine acted upon me in a wonderful manner. I never have taken any medicine so helpful in such quick time. I do wish anyone in need of such a remedy would give it a trial. (Signed) G. H. HARR.

NOTE: Folks in town and adjoining counties are delighted with the results they have obtained by using "ANURIC," the newest discovery of Dr. Pierce, who is head of the INVALIDS' HOTEL and SURGICAL INSTITUTE, in Buffalo, N. Y. Those who started the day with a backache, stiff legs, arms and muscles, and an aching head (worn out before the day began because they were in and out of bed half a dozen times at night) are appreciating the perfect rest, comfort and new strength they obtained from Dr. Pierce's Anurie Tablets. To prove that this is a certain uric acid solvent and conquer headache, kidney and bladder diseases and rheumatism, if you've never used the "Anurie," cut this out and send ten cents to Doctor Pierce for a large sample package. This will prove to you that "ANURIC" is thirty-seven times more active than lithia in eliminating uric acid—and the most perfect kidney and bladder corrector. If you are a sufferer, go to your best druggist and ask for a 50-cent box of "Anurie." You run no risk for Dr. Pierce's good name stands behind this wonderful new discovery as it has for the past half century for his "Golden Medical Discovery" which makes the blood pure, his "Favorite Prescription" for weak women and "Pleasant Pills" for liver ills.

BISHOP FALLON SCORES HYDRO AT CATARAQUI

LONDON CITY COUNCIL FOR REFUSING \$3,000 GRANT

To the St. Joseph's Roman Catholic Hospital—A Weak Surrender to Anti-Catholic Prejudice.
London, Ont., April 17.—Following the recent decision of the City Council to refuse a \$3,000 grant to St. Joseph's Hospital, Bishop Fallon has called upon London Catholics to give their answer by a special voluntary contribution. In a pastoral letter he says: "Stripped of all pretences, this reckless economy on the part of a City Council whose management of the civic finances has imposed upon us a tax rate of 34 mills, was simply a weak surrender to anti-Catholic envy, jealousy and prejudice."

Not Conducted For Gain.
In reply to the statement before the City Council that St. Joseph's Hospital was conducted for gain, his Lordship says: "The Sisters of St. Joseph have been engaged for fifty years in the work of housing homeless old age and helpless infancy, in ministering to the ill that flesh is heir to. No distinction of color, race or creed has ever been allowed to interfere with their charitable activities. Like all other Catholic Sisterhoods, the Sisters of St. Joseph are vowed to personal poverty; no penny of gain has ever reached an individual member. The poor clothes they wear and the humble fare with which they are supplied constitute their sole drain on their financial resources. What becomes of the surplus funds resulting from the personal sacrifice and the remarkable economies of the Sisters of St. Joseph? The answer is very clear. The Sisters have purchased property of Protestants in the open market, and have paid the stipulated price to the last dollar. Protestants, architects, Protestant builders, Protestant bankers, Protestant manufacturers, Protestant merchants have practically monopolized the profits."

Meagre Payment For Services.
"Whatever Protestant money has found its way into the treasury of the Sisters of St. Joseph has been—with a few honorable exceptions—but a meagre payment for services rendered, and the institutions which the Sisters control stand to the credit and the benefit of the Protestant officials. It is to their credit that the property is vested in the Sisters, but they can neither run away with the buildings nor eat the land. Any one would have expected to find in the City Council a broad civic pride and generous recognition of the unselfish effort to rebuke the ill-mannered bigots and bankrupt politicians who raised objection to a small measure of decent justice being rendered to St. Joseph's Hospital."

WILTON P.M.F. SOCIETY

Last Meeting of Season Held in Village Hall.
The closing meeting of the Wilton "Pleasant Friday Evening Society" was held on Friday evening, making the last of the meetings for this season. The meeting was held in the village hall, with the vice-president, Rev. F. White, in the chair. Musical numbers were given by the Wilton quartette made up of Mrs. K. N. Storms, Mrs. B. Mills, F. Reid and R. Asselstine; solos by S. Storms, F. Mills, Little Miss Rutherford Miller who is only seven years old; duet selections by S. Storms and Miss M. Storms. Rev. A. L. Phelps of Adolphustown gave a lecture on "Modern Poetry" and reports were read by the secretary and treasurer of the year's work. During the evening refreshments were served.
Just before the close of the meeting Rev. A. J. Parsons gave a short address on the work of the Canadians at Vimy Ridge and after three cheers were given for the Canadians, the National Anthem brought the entertainment to a close.

Col. Elmer Jones' Wounds.
Lt.-Col. Elmer Jones, of Brockville, who was commanding the 24th Battalion, is occupying an adjoining bed to Lieutenant Nickle, in a London hospital. He was knocked out while leading the battalion into action early on Monday, getting a dose of shrapnel in the left leg and left arm.

SAVE YOUR HAIR AND BEAUTIFY IT WITH "DANDERINE"

Spent 25 Cents! Dandruff Disappears and Hair Stops Coming Out.
Try This! Hair Gets Beautiful, Wavy and Thick in Few Moments.
If you care for heavy hair, that glistens, with beauty and is radiant with life; has an incomparable softness and is fluffy and lustrous, try Danderine.
Just one application doubles the beauty of your hair, besides it immediately dissolves every particle of dandruff; you cannot have nice, heavy, healthy hair if you have dandruff. This destructive scurf robs the hair of its lustre, its strength and its very life, and if not overcome it produces a feverishness and itching of the scalp; the hair roots fashen, loosen and die; then the hair falls out fast.
If your hair has been neglected and is thin, faded, dry, scraggy, or too oily, get a 25-cent bottle of Knowlton's Danderine at any drug store or toilet counter; apply a little as directed and ten minutes after you will say this was the best investment you ever made.
We sincerely believe, regardless of everything else advertised, that if you desire soft, lustrous, beautiful hair and lots of it—no dandruff, no itching scalp and no falling hair—you must use Knowlton's Danderine. It eventually—why not now?

COMMISSION REPRESENTATIVE ADDRESSED MEETING HERE.

Committee Appointed to Make Inquiries in Western Cities and Towns Where it is Used—If Report is Favorable Application Will be Made to Secure Hydro.
On Monday evening Mr. Purcells, representing the Hydro-Electric Commission, addressed a meeting in the township Hall at Cataraqui, and there was a very good attendance. C. C. Folger, manager of the Civic Utilities Commission, was also one of the speakers. J. W. Edwards, M.P., was chairman. Anthony Rankin, M.P., was also present.
Mr. Purcells explained the working of the Hydro system, and all the information regarding its installation, after which there was a general discussion, when a resolution was passed appointing a committee composed of Dr. Edwards, George Nicol and W. Cook, to make inquiries into the utility of Hydro in western towns and cities and their report back. If the report is a favorable one, application will be made to the township council to have it installed at Cataraqui. The idea is to have Hydro for lighting, and also for use in operating farm machinery.

The Cause of Sickness

Apart from accident or illness due to infection almost all ill-health arises from one of two reasons. The great mistake that people make is in not realizing that both of these have the same cause at the root of them, namely, poor and impure blood. Either bloodlessness or some trouble of the nerves will be found to be the reason for almost every ailment. If you are pale, suffer from headaches or breathlessness, with palpitation of the heart, poor appetite and weak digestion, the cause is almost always bloodlessness. If you have nervous headaches, neuralgia, sciatica and other nerve pains, the cause is run-down, exhausted nerves. But run-down nerves are also a result of poor blood, so that the two chief causes of illness are one and the same.
This accounts for the great number of people who, in indifferent health, pale, nervous and dyspeptic, who have been made well and hearty by Dr. Williams' Pink Pills, for no medicine ever discovered is so valuable for increasing the supply of rich, red blood and giving strength to worn-out nerves. Men and women alike greatly benefit from a course of the splendid blood builder and nerve tonic.
If your dealer does not keep these pills you can get them by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

A LEADING QUESTION

Call to Enlist Now For Canada's Defence.
The chief question which all men in Canada must ask themselves today is, "Am I doing my share in helping the War? If I am not, why not?"
Unless the country fully understands that every fit man of military age is needed, and needed badly, there will be some who are falling in their duty to Canada.

The greater part of the world is engaged in the greatest war of all times. It is no easy struggle, and it is only seven years old; but it comes from the front the war is far from an end. The demand for men is so great that all the overseas troops in Canada are being rushed across the Atlantic as quickly as transports can be found for them. Up to the present the overseas troops have undertaken the defence of the country, but when the last of them leave there will be no defence force here.

With a view to preparing for this, and being ready for any emergency which may arise, the government has issued a call for 50,000 men to take up arms for the duration of the war and for six months afterwards to serve in Canada and contribute to the national safety.
The time to enlist in this force is now. Terms of enlistments, subsistence, clothing and equipment are the same as for overseas service, and separation allowances are given in the case of married men.
Full particulars can be obtained from the 14th Regiment, C.D.F., the Armouries, Kingston, Ont.

AGRICULTURAL QUARTERS

A. W. SIRETTE, DISTRICT REPRESENTATIVE HAS NICE ROOMS

The Frontenac Cheese Board Will Hold Its Meeting on Thursday in His Quarters.
The Department of Agriculture has procured some splendid rooms for the accommodation of A. W. Sirette, the representative of this district, who has transferred from Sydney to the city.

The quarters secured are on Market street, a few doors below King street. There are in reality two offices facing Market street, but the main entrance will be through only one, the other to be used as Mr. Sirette's office. The second floor is divided into a meeting-room, a ladies rest room, and a work-shop for Mr. Sirette and his staff. On Clarence street a garage has been built which will have an entrance from Mr. Sirette's office.
The large meeting room on the second floor has been neatly painted and papered and has a heavy carpet on the floor. The cheese board will in future hold its meetings in that room instead of in the Police Court, the board meeting of Thursday being the first of the season.

The room adjacent to the meeting room has also been painted and decorated. There will be comfortable chairs and tables put in immediately and the wives of the farmers will be able to use it as headquarters while in the city.
The floor of the upstairs hall has been refinished with hard wood and the quarters generally present a very neat appearance.
