'Fair and Warmer' begins in the early evening, stays up all night, and comes to a festive conclusion at noon of the following day after having disrupted two households, devastated one 'tame robin,' reassorted four people who then repudiate the reassortment, and finally hailed blessings and benedictions upon righteous and unrighteous with an impartial hand.

On the same bill will also be shown a splendid Morosco picture entitled 'His Sweetheart,' the celebrated portrayer of Italian characters, George Behan in the leading role. Other good reels make up a programme which cannot be surpassed for excellence.

"THE PINE KNOT."

A Publication of The 250th Forestry Battalion.

The "Pine Knot" is a breezy little four-page paper that is being published by Sergt. C. H. Gibbons and other enterprising members of the 250th Forestry Battalion at Brockville. The Whig is in receipt of a late copy, and the boys certainly deserve credit for their accomplishment. One of the items may be interesting to the local infantrymen. It is dedicated to the 253rd, and reads:

"Our friends of the 253rd will doubtless appreciate the latest story of the Hielan mon in France and the wonderment he has excited among the residents.

"It cannot be a woman's-mon," pronounced one as a brow laddie in kilts strode by, "for look you at the moustacles!"

"But no, she cannot be a man," was the equally confident reply, "for see you not the robe?"

"Ah, gentlemen," ruled the judicial third with proud finality, "I have it. It is the famous Middle Sea Regiment."

Was Troubled With Shortness of Breath.

When the heart becomes affected, there ensues a feeling of a choking sensation, a shortness of breath, palpitation, throbbing, irregular beating, smothering sensation, dizziness, and a weak, sinking, all-gone feeling of oppression and anxiety.

The nerves become unstrung, you dread to be alone, have a horror of society, start at the least noise and are generally fatigued.

On the first sign of the heart becoming weakened or the nerves unstrung, Milburn's Heart and Nerve Pills should be taken. They are just what you require at this time. They regulate and stimulate the heart, and strengthen and restore the whole nerve system.

Mrs. C. M. Cormier, Buctouche, N.B., writes: "Since two years ago I was troubled with a shortness of breath, and sometimes I could hardly breathe. I went to see several doctors and they said it was from my heart and nerves, but they did not seem to do me any good. One day I got one of your B.B.B. Almanacs and read of a case similar to mine.

"I bought a box of Milburn's Heart and Nerve Pills, and after taking it I noticed such a change that I kept on taking them until I had used four more boxes, when I was cured." Milburn's Heart and Nerve Pills are 50c a box, three boxes for \$1.25, at all dealers, or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.
