DIED IN DOCTOR'S OFFICE

Robert Metzler Passed Away Quite Suddenly on Monday.

Wilton, April 18.—The residents of the village and surrounding country were shocked on Monday afternoon, April 18th, by the sudden death of Robert Metzler formerly of Odessa, lately residing at his daughter's, Mrs. Robert Aseltine's here. Mr. Metzler was in poor health, and was at Odessa on a business trip and to consult the doctor. While in the office of Dr. Mabce he expired. His remains were brought here to the home of his daughter where the funeral services were conducted on Thursday morning. Besides a widow he leaves one son Wilbur at Odessa, two daughters, Mrs. Robert Aseltine of Wilton and Miss Bertie Metzler, who have the sympathy of a large circle of friends.

Mr. Frank Ward held a sale of farm stock and implements on Wednesday and has moved, with his family to the village, where he rented a house from Korah Storms. The Wilton cheese factory is taxed for room and help at present as several of the patrons of the lower factory at Thorpe, owned by Messrs. Robert Metzler and John Hund, and which burned to the ground on Saturday are sending their milk to the Wilton factory. Mrs. Earl Burt is spending a few days with friends in Kingston. Mr. and Mrs. Lorrie Storms are all smiles over a baby girl. Mrs. Harriet Parrott, Kingston, is visiting her sister Mrs. Harvey Mills. Miss Ruth Miller, Sandhurst, spent the Easter holidays at her grandfather's Robert Millers.

Mr. and Mrs. Korah Storms, accompanied by Mr. and Mrs. Byron Caton, Toronto, spent Sunday with friends at Selby. Several of the friends of Mr. and Mrs. Rupert Snider met at their home on Thursday night and presented them with a set of dishes. Rev. A. L. Phelps and wife and Alfred P. Miller, Sandhurst, spent Friday evening in the village. Mr. Phelps giving an address at the R.F.E. society. The Ladies Aid were entertained at the home of Mrs. Ernest Miller on Tuesday afternoon.

The advent of the fish wagon on Monday was very welcome as everybody was fish hungry. Mrs. M. G. Storms, and daughter Doris, Kingston, spent the week-end here, while he attended the burial of his mother. Mr. Fred Cole is ill in Kingston General Hospital. Mr. and Mrs. Joseph Newman spent Sunday with friends at Harrowsmith.

### COLEBROOKE TIDINGS

The Late George Shanraw—Accident to Miss Purcell.

Colebrooke, April 18.—George Shanraw, an old resident of this place, died at his home here last week. Deceased had been in poor health for some time, but was only confined to his bed for a couple weeks before the end came. He leaves a wife and three children: Everett of Des Moines, Iowa; Wilnot, who was formerly a jeweller in St. Catharines, but who is now living in his father's business here at present, and Helen of this place.

Charles Benn is still confined to his bed. Mr. Benn suffered a severe stroke a couple years ago, and has not been able to walk since. Miss Emma Benn, who has been living in Watertown, N.Y. for the last few years, has returned to her home here and intends running a dressmaking establishment.

William MacWilliams has purchased a new McLaughlin automobile.

Miss Esther Purcell fell down into the cellar and sustained a severe wound in her head. She is improving nicely, however. Miss Josie Ward has gone to Kingston where she intends entering an institution as a nurse. Mrs. W. S. Holmes, Ottawa, is spending a couple weeks with her mother and sister at "Warmerheim."

### Home From Montreal.

Dr. A. W. Richardson has returned home from Montreal. While there he attended convocation at McGill University. His nephew, S. S. Richardson, who graduated in science, has joined the Flying Squad for overseas. Mrs. Richardson also spent several days in Montreal.

### Heavy Fines Imposed.

John O'Neil, for having liquor in a blacksmith shop, was fined \$200 and costs. Another culprit was fined \$210 and costs on two liquor charges.

William Heath, charged with perjury in connection with evidence he gave concerning how he secured liquor, was committed for trial.

Judgment rendered by Justice Latchford dismisses the action of James Richardson and Sons, Limited, against David Gilbertson, bank clerk, Lucknow, Ont., for \$1,287 balance allegedly due on an account, and interest at five per cent. from March 2, 1916.

British official tables issued for eight weeks show that in that period 130 ships of over 1,600 tons, 58 ships under 1,600 tons and 65 fishing boats have been sunk, making a total of 253 vessels. In the same period, 116 merchant vessels were unsuccessfully attacked by submarines.

John H. Rose, an engineer on the M.C.R., was fatally injured in a peculiar accident at Hawtreys.

## Notice

Any person who has been thinking about looking into the "Handy Volume" Issue of The Encyclopaedia Britannica is hereby advised that he must HURRY UP and send for our descriptive, illustrated book or he will be too late to get one of the few remaining sets.

Our stock of Britannica sets, printed on genuine India paper, is growing less so rapidly that after **Wednesday, April 25th**, there will not be time enough for any one to write us, get the book describing the Britannica, read it and decide about buying before the last set is sold.

To know whether the Encyclopaedia Britannica will be of direct help to you in your business, in your home life, in the education and mental development of children, you ought to see and examine the entire set. This you can do at

**THE COLLEGE BOOK STORE,**  
160-162 Princess Street.

If for any reason you are unable to go and see a complete set of the Britannica, you should write us for full information AT ONCE.

The end of the sale of this great work in its handiest form is almost here. *We can almost put a finger on that date now.*

You can judge the closeness of this date for yourself when we say, No more descriptive booklets will be sent out after Wednesday, April 25th, because by then there will be so few sets of the Britannica left that the last set will be sold before anyone can get the Britannica literature, study it, make up his mind about buying and get his order back to us.

**THEREFORE, STRIKE NOW**

See the Britannica or write for information today.

If the publishers could get enough of this wonderful genuine India paper, that makes each volume of the "Handy Volume" Britannica only one inch thick, we could easily sell many thousands more sets. *But they cannot get any more.* No more India paper can be made because the war has made it impossible to get any more of two necessary raw materials—flax from Belgium, Germany or Ireland and hemp from Russia.

If you are at all interested in owning this great library of facts, be advised NOW and send in the coupon for full information. You have only just enough time to get and read this literature and make up your mind. **Strike Now.** Sign and send the coupon today.

Remember that you have the use of the books while paying for them. You only have to send \$1.00 with the order and \$3.00 a month (for the cloth binding) for a limited number of months.

**SEARS, ROEBUCK AND CO.**  
Chicago, Illinois
