Had Awful Attacks of Heart Trouble

FOR 5 OR 6 YEARS Diseases and disorders of the heart and nervous system have become frightfully prevalent of late years.

One can scarcely pick up a paper but he will find recorded instances of sudden deaths through heart failure, or of prominent men and women unable to prosecute their ordinary business or profession on account of a breaking down of the nervous system.

We do not desire to unnecessarily alarm anyone, but to sound a word of warning.

When the heart begins to beat irregularly, palpitates and throbs, has shooting pains through it, it is time to stop and think.

To all sufferers from heart and nerve troubles Milburn's Heart and Nerve Pills can give prompt and permanent relief.

Mrs. Frank Arsenau, Newcastle, N.B., writes: "I had awful attacks of heart trouble for the past five or six years, and as I had tried many kinds of medicine without getting any better, I decided to give Milburn's Heart and Nerve Pills a trial, and to my surprise I found ease from the second dose. I continued taking them until I had used six boxes, and now I feel as well as can be."

"At the present time my sister is using them for nervousness and finds great comfort by their use." Milburn's Heart and Nerve Pills are 50c or three boxes for \$1.25, at all dealers, or mailed direct on receipt of price by the T. Milburn Co., Limited, Toronto, Ont.

ROUGH NIGHT ON THE LAKE

THE SCHOONER KITTY WELLS WAS SUNK IN THE HARBOR

Tug Emerson With Two Barges Had a Rough Trip Coming Over From Charlotte During Night in Stiff Southwesterly Gale.

Tuesday night was a wild night on the lake. It has been blowing a southwesterly gale for the past twenty-four hours, and marine men, who happened to be out during the night, stated that it was one of the worst they ever experienced on the lake.

The schooner Kitty Wells, which was dismasted in the harbor during Tuesday's gale, while on her way to Portsmouth, with a load of sand, was towed to Crawford's slip, during the afternoon, but during the night she commenced to take water, and on Wednesday morning was in pretty bad shape.

The tug Emerson arrived with the barges Augustus and Valencia, loaded with coal, from Charlotte, and had a very rough trip, the waves washing over the decks. The tug Emerson cleared with the barge Condor, a load of coal at Charlotte, for the C.P.R. wharf, in Kingston. The tug Mary cleared with two coal barges for Montreal.

A large number of Kingston vessels are tied up at Oswego, and Charlotte, owing to the storm. Quite a number of vessels have left this port on their way to Niagara, but on account of the rough weather were compelled to return.

A TWO-PART SKETCH

Presented to Large Audience in Bethel Congregational Church. Under the auspices of the Young People's Society of Bethel Congregational church a splendid concert was given in that church on Tuesday evening, which drew a capacity audience, and the programme justified the large attendance.

Rev. J. C. Raynor presided. The programme consisted of a duet by Masters Peter and Howard Fair; solo by Miss Winnifred Woolgar; recitation by Miss Posselwhite; violin solo by Master Pelham Richardson; monologues by Miss Shirley Parratt, and piano solo by Miss Ena Barnes. A humorous sketch in two parts entitled, "Our Church Fair," which portrayed the trials of the ladies in arranging for the big event, was played by Misses Florence Clyde, Edna Treener, Jennie Wilson, Mac Porter, Lucy Wilson, Isabel Veale, Laura Wilson, Elsie MacKenzie, Ethel Huggins, Mamie Veale, Myrtle Clyde and Bessie Beswick.
