OUTLOOK IS FAVORABLE FOR KINGSTON DOING WELL IN GREATER PRODUCTION.

One Hundred Acres in West End Open For Applicants—The Garbage Committee Asked to Help the Poultry Association.

The appeal for greater production of foodstuffs in Kingston is meeting with great success.

This was evident in the reports as presented at a meeting of the Greater Production Committee held on Friday night in the Board of Trade rooms. The reports of the various departments were of a most encouraging nature, and the workers have every reason to be proud of the results. It is now a case of carrying on the work. The committee has an energetic band of men who are pushing the matter, and when all has been said and done, Kingston's record in this nation-wide movement will be a most creditable one.

In the absence of Senator H. W. Richardson, chairman of the committee, the chair was occupied by Francis King, and those present included Mayor Hughes, Robert Meek, E. O. Sitter, J. G. Elliott, Ald. N. C. Polson, Ald. G. C. Wright, Ald. Litton, Robert Coffey, W. A. Patterson, R. J. Rodger, Rev. J. D. Boyd, W. H. Macnee, Prof. Mitchell, J. A. Dalton, William Cook and G. Kent Martin. Aid. Wright, who is chairman of the Agricultural Committee, and who has been appointed to this responsible position, submitted a report, which was a splendid one. He said that up to date 125 applications had been received for garden plots, and that they represented five hundred families. Two teams were at work with a plow continuously. Applications had been made for seed potatoes to the extent of one carload, and that they would be distributed as soon as they arrived. Aid. Wright pointed out that there were yet 100 acres of land in the west end of the city and the committee was very anxious to have it transferred as soon as possible.

"ANURIC!" THE NEWEST DISCOVERY IN CHEMISTRY

This is a recent discovery of Doctor Pierce, who is head of the Invalids' Hotel and Surgical Institute at Buffalo, N. Y. Experiments at Doctor Pierce's Hospital for several years proved that there is no other eliminator of uric acid that can be compared to it. For those easily recognized symptoms of inflammation—as backache, scalding urine and frequent urination, as well as sediment in the urine, or if uric acid in the blood has caused rheumatism, it is simply wonderful how surely "Anuric" acts. The best of results are always obtained in cases of acute rheumatism in the joints, in gravel and gout, and invariably the pains and stiffness which so frequently and persistently accompany the disease rapidly disappear.

Go to your nearest drug store and simply ask for a 50-cent package of "Anuric," manufactured by Dr. Pierce, or send 10 cents to Dr. Pierce for a large trial package. If you suspect kidney or bladder trouble, send him a sample of your water and describe symptoms. Doctor Pierce's chemist will examine it, then Dr. Pierce will report to you, without fee or charge. NOTE:—French scientists affirm that "Anuric" is thirty-seven times more active than lithia in eliminating uric acid, and is a harmless but reliable chemical compound that may be safely given to children, but should be used only by grown-ups who actually wish to restore their kidneys to perfect health, by conscientiously using one box—or more in extreme cases—as "Anuric" (thanks to Doctor Pierce's achievement) is by far the most perfect kidney and bladder corrector obtainable.

Dr. Pierce's Pellets are the original Little Liver Pills. One little Pellet for a laxative—three for a cathartic.

Dominion Fish Co. Bulk Oysters

60c and 70c a quart. Worth a Guinea a Box The speediest remedy for sick headache, biliousness and indigestion is a dose or two of BEECHAM'S PILLS Largest Sale of Any Medicine in the World. Sold everywhere. In boxes, 25c.

To Cut Down the Trains.

Washington, May 5.—Curtailment of passenger train service and shipment of the country's entire output of rolling stock and rails to the Allies were forecast today by Daniel Wilson in a speech before the national defence conference of governors and representatives of state defence councils.

Improving Nicely.

Joseph Tait, Camden East, has undergone a serious operation for obstruction in the stomach at the Kingston General Hospital, and is improving nicely. Mr. Tait is a prosperous farmer living a few miles north of Camden East.

Told In Twilight

Rev. and Mrs. T. W. Savary entertained at a delightful evening this week at St. James' Rectory where their guests were the officers and teachers of the Sunday school.

The L.C. Reading Club will meet at the home of Miss Stranage, King street, on Monday and will be the last meeting until the autumn.

Miss Janet Richmond, Union street, will be hostess of the Reading Club next Thursday.

Many Kingstonians will be interested to know that Mrs. W. St. Pierre Hughes has been made President of the Canadian Women's Club which has been doing such splendid work in Folkestone.

Mrs. J. C. Gwillim and Little Miss Gwynne, are on pension at the "Avonmore."

Mrs. Buxton Smith is expected home from Ottawa early in the week. Miss Amy Horsey, who has been spending the week in town returned to Ottawa on Friday.

Misses Evans left yesterday for Ottawa after spending the past week at the "Avonmore."

Major and Mrs. Crocker returned from Ottawa on Thursday. Miss Agnes Johnston is in Gananoque for the week-end.

Mrs. Gordon Dewar and her little daughter came up from Montreal on Friday. Mrs. and Mrs. Colin Hamilton are in town from Belleville for the week-end.

Mrs. Harold Harrison, Cobourg, was the guest of Mrs. Oliver Chown, University avenue, this week.

Mrs. Robertson, Cornwall, is visiting her sister, Mrs. C. Elliott, Brock street.

Lieut. A. H. Gordon of the 72nd Battery, left today for Charlottetown, P.E.I.

Mrs. Agnew and Mrs. Beggs, who were guests at The Residence this week returned to Ottawa on Friday.

Mrs. Beattie and Miss Bell left yesterday for Pembroke after a short visit with Mrs. John Fairlie, Brock street.

Mrs. Robert O'Hara, who has been in Toronto for several weeks was expected home today.

Miss Jean Wismer, Barrie, who is the guest of her sister, Mrs. Horace Lawson, was the guest of honour at a Dutch luncheon at the Country Club today.

Mrs. Nell C. Polson Jr., who has been spending some time in the south is expected home next week.

The secretary, John Nicolle, told about Senator Richardson sending for five cars of seed potatoes. One would likely reach the city by Monday and he figured that they would be sold at the rate of \$4.50 a bag.

It was decided, on motion of Mr. Meek and Rev. J. D. Boyd, to ask the Department of Agriculture to communicate with the various township councils to arrange with these bodies to provide for the necessary supply of seed potatoes in each township.

The City Council will be asked to purchase the first car of potatoes to arrive in the city.

A vote of thanks was tendered to the Agricultural Committee for the splendid work which has been accomplished in the way of getting the land cultivated.

On motion of Mr. Meek, Ald. Wright is the chairman, and everyone present spoke of the good work done under his able leadership.

A vote of thanks was also tendered to Mr. Nicolle, the honorary secretary, who has been working hard every day since he was appointed to this position.

R. J. Rodger reported, as chairman of the retail committee. He said he had canvassed several of the stores for help, for the farmers, but did not find the clerks willing to spend their holidays in helping the farmers. However, quite a number intended to do some home gardening.

The secretary reported that a call for financial assistance to carry on the campaign had been sent out to 150 citizens and that of the \$142 had been realized. The sum subscribed at the initial meeting of the committee was \$630, thus making a total of \$772. Of this amount there was still left in the treasury \$560. A grant of \$50 each had been made to the thrift, poultry and school committees.

J. G. Elliott reported, as chairman of the school children's committee. He told about the seeds purchased. About 600 applications had already been received, and there was a marked interest in the work. All the school teachers were interested and doing good work. The committee could have accomplished more if allowed a larger grant, but a further allowance would be looked for shortly. It had been considered wise to offer \$50 in prizes to the school children, but this could not be done with the allowance given the committee. The members were pleased at the work Mr. Elliott and his committee had done.

Coming to Griffin's. Mrs. Vernon Castle, the best dressed woman in America, in the serial supreme "Patria."

Probs: Fair on Sunday; a little warmer.

To-Night!

Store Open Until 9.45.

All "White Sale" specials advertised for today will be on sale tonight.

STEACY'S : Limited

Freckle-Face

Sun and Wind Bring Out Ugly Spots. How to Remove Easily. Here's a chance, Miss Freckle-face, to try a remedy for freckles with a guarantee of a reliable dealer that it will not cost you a penny unless it removes the freckles; while if it does give you a clear complexion, the expense is trifling.

Simply get an ounce of othine—double strength—from Mahood's Drug Store and a few applications should show you how easy it is to rid yourself of the homely freckles and get a beautiful complexion. Rarely is more than one ounce needed for the worst case.

Be sure to ask the druggist for the double strength othine as this is the prescription sold under guarantee of money back if it fails to remove freckles.

GRAY HAIR

Dr. Tremaine's Natural Hair Restorative, used as directed, is guaranteed to restore gray hair to its natural color or money refunded. Positively not a dye and non-injurious. Price \$1.00 post-paid. Write Tremaine Supply Co., Toronto, on sale in Kingston at—T. H. Sargent's Drug Store, Princess and Montreal Sts.

Miss Grace Allen, daughter of Mr. and Mrs. Evans Steacy, Lansdowne, Ont., to Alfred Kinch, second son of Mr. and Mrs. John Kinch, of this city. The marriage will take place in May.

Major and Mrs. G. W. Worth, Ottawa announce the engagement of their oldest daughter, Marie Louise, to Charles Edward Long, son of Lieut.-Col. C. E. Long, R.C.A. The marriage will take place the latter part of this month.

Henry Agassiz Spencer, St. Lucia, B.W.I., announces the engagement of his daughter, Marie Louise, to Capt. Paul Goforth, of the 17th Battalion, Nova Scotia Highlanders, and late adjutant of the Canadian Base Depot, Havre, France, son of the Rev. Jonathan Goforth, D.D., Canadian Presbyterian Mission, China. The marriage will take place quietly this month in St. Paul's Anglican Church, Toronto.

(Continued on Page 18.)

HEALTH STATISTICS

Deaths in Ontario From Diphtheria and Tuberculosis. Health statistics for Ontario during April show that 20 deaths resulted from diphtheria, as against 17 cases in the corresponding month last year. The number of cases reported was 223, as against 197 a year ago. Ninety-six deaths last month were due to tuberculosis, out of 165 cases reported, as compared with 124 deaths and 178 cases reported a year ago. Cerebro spinal meningitis caused 9 deaths last month out of 15 cases.

A big decrease occurred in the number of cases of measles, only 5 deaths resulting from measles last month, as compared with 44 in April last year. The number of cases last month was 542, as against 3,206 in April, 1916.

Destroyed by Shells. New York, May 5.—Lord Northcliffe's country home on the Isle of Thanet was damaged by shell fire when German destroyers made a raid on Margate and Broadstairs on February 26th. Lord Northcliffe was in his home during the attack. The wife and daughter of his gardener were killed and their cottage was practically destroyed.

These facts were made known by steamship passengers arriving from abroad today.

Suffered With Heart For Ten Years

Would Nearly Smother. There is nothing that brings with it such fear of impending death as to wake up in the night with that awful sense of smothering. The uncertain and irregular heart action causes the greatest distress of both mind and body.

Milburn's Heart and Nerve Pills are the only remedy that can give prompt relief and effect a complete cure in cases of such severity.

They strengthen and invigorate the heart, so that it beats strong and regular, and tone up the nervous system so that the cause of so much anxiety becomes a thing of the past.

Mrs. M. O. McCready, Wapella, Sask., writes: "I am not much of a believer in medicine, but I feel that it is only right for me to let you know what your wonderful remedy has done for me, and in a very short time, too. I had suffered terribly with my heart for nearly ten years, could scarcely do any work, and would nearly smother at times. I had many remedies, some only relieving me for a time. I got a box of Milburn's Heart and Nerve Pills and felt so much better that I kept on using them, and can truthfully say I feel like a new woman."

"I would advise anyone with heart trouble to use them."

Milburn's Heart and Nerve Pills are 50c. or three boxes for \$1.25, at all druggists or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.
