Advises The Use Of "FRUIT-A-TIVES", The Famous Fruit Medicine.

MR. ROSENBURG 589 Casgrain St., Montreal.

April 20th, 1915. "In my opinion, no other medicine in the world is so curative for Constipation and Indigestion as "Fruit-a-tives". I was a sufferer from these complaints for five years, and my sedentary occupation, Music, brought about a kind of Intestinal Paralysis - with nasty Headaches, belching gas, drowsiness after eating, and Pain in the Back. I tried pills and medicines of physicians, but nothing helped me. Then I was induced to try "Fruit-a-tives", and now for six months I have been entirely well.

I advise any one who suffers from that horrible trouble-Chronic Constipation with the resultant indigestion, to try "Fruit-a-tives", and you will be agreeably surprised at the great benefit you will receive". In addition to these six sons there are two other younger boys, too young yet to go overseas, but not too small to show their patriotism in a fitting manner, as they are lined up with the Boy Scouts. They have only one regret, and that is that they are unable to take a crack at the Huns.

The sons who are signed up for overseas service are as follows Pte. George Phillips, of the 235th Battalion; Pte. Albert Phillips, of the 235th Battalion; Pte.
