Canadian Soldier's Letter.
Says Dr. Cassell's Tablets Have Kept Him Fit Through Two Wars.
Sapper A. Hartley, of the A Company, Canadian Engineers, who has home address in 308 Trafalgar-street, London, Ontario, is one of many who have written in praise of Dr. Cassell's Tablets. He says: "As a constant user of Dr. Cassell's Tablets, I would like to add my testimony to their value. I used them when I was in the South African War, and finding the benefit of them there, have taken them since whenever I felt rundown. I always recommend them, for I know that they do all that is claimed for them. In my opinion they are the best tonic anyone can take for loss of appetite, pooriness of the blood, or general weakness of the system."
A free sample of Dr. Cassell's Tablets will be sent to you on receipt of 5 cents for mailing and packing. Address: **Harold F. Ritchie & Co., Ltd., 10, McCaul-st., Toronto.**
Dr. Cassell's Tablets are the surest home remedy for Dyspepsia, Kidney Trouble, Sleeplessness, Anemia, nervous Affections, Nerve Paralysis, Palpitation, and Weakness in Children. Specially valuable for nursing mothers and during the critical periods of life. Sold by druggists and storekeepers throughout Canada. Price: One tube, 50 cents; six tubes for the price of five. Beware of imitations said to contain hypophosphites. The composition of Dr. Cassell's Tablets is known only to the proprietors and no imitation can ever be the same.

Frontenac
Two weeks has been so cold and damp that seeding has been retarded and very few gardens have been made. There is very little growth in the ground as yet. The sad news of the death of Harold Fairbairn, at the battle of Vimy Ridge reached the village on Saturday night. Harold was a general favorite and the family have the heart-felt sympathy of this community. That makes two brothers killed in France in less than a year. Mrs. Charles Lockhead has also received word that her son Frank has been wounded. Mr. and Mrs. Michael Kearns, Tamworth, have arrived in the neighborhood. Miss Jennie Long leaves the store this week and Miss Bessie McGill takes her place. Mrs. Burnett, Catarqui and Miss MacCrew, Kingston, were recent guests of Mrs. Frederick Milligan.

Blue-jay
Every drug store that you pass has Blue-jay waiting for you.
Stop and get it, and it means the end of any corn. Pass it by, and the corn will stay. You know that from experience.
Blue-jay does more than end a corn. It proves that corns are needless.
Apply it, and the corn pain stops. Leave it on two days, and the whole corn disappears. Only extra stubborn corns need a second application.
Prove that once, and corn troubles end forever. You will never again permit them.
To millions of people—users of Blue-jay—corns are a pest of the past.
Do what they did—try it. See what a Blue-jay does. Learn why so many millions are now used each year.
Lay aside the old-time methods. Use this modern way tonight. You will wish that you had started years ago.
