Well-known Women.

Chatham, Ont.—"I was sick for about four years. Got very weak, could not eat to amount of anything. I got very thin and had no strength at all. I was very discouraged at times—thought I was never going to get better. I could not walk a block without feeling all tired-out. I took different medicines but did not get the help I needed. A friend of mine advised me to try Dr. Pierce's Favorite Prescription. I began to take it with the 'Pleasant Pellets' and by the time I had taken two bottles I was well on the road to recovery, and in six months I was entirely well. My appetite came back and I gained in flesh. Now I am as strong and healthy as any one could wish to be. I owe it all to Dr. Pierce's medicine and I am glad of the opportunity to give testimony in their favor; they have done wonders for me."—Miss THELMA PARKER, 141 E. King St.

Chatham, Ont.—"I have taken Dr. Pierce's medicine with good results. I was weak and run down, lost my appetite and got very thin. I took 'Favorite Prescription' and 'Pleasant Pellets' and these two medicines built me up in a very short space of time so that I felt as well as ever. I found them to be all that is recommended of them; they are good."—Mrs. Wm. WEAVER, Cor. Taylor & Grand Ave., E., Chatham, Ont.

Every woman who has headache, neuralgia, low spirits, sleepless nights, owes it to herself to speedily overcome the trouble before a breakdown causes prostration.

Dr. Pierce's Favorite Prescription is a non-alcoholic remedy that any ailing woman can safely take because it is prepared from roots and herbs with pure glycerine, containing tonic properties.

SAD DROWNING ACCIDENT

DANIEL JOHN FOSTER OF WILKINSON'S MET DEATH FRIDAY

When He Fell Off Boat Into the Water at Cape Vincent—Capt. Grant Pyke Made Heroic Attempt at Rescue—Deceased Could Not Swim.

Daniel John Foster, aged 19, born at Wilkison, Ont., was drowned off the tug Ray Stanton on its accompanying seow, Sand-boy, at Cape Vincent at 9.30 p.m. Friday and the remains were brought here Saturday morning and later forwarded to Entomologist.

The accident will come as a tragic surprise to many friends of the deceased. He left a large circle of friends from the vicinity of his home only a short time ago, and engaged as a deck-hand on the tug.

On Friday evening, Capt. Pyke, of the tug, heard a splash in the water, and immediately suspecting an accident, threw ropes and did everything possible to give help. Twenty minutes later, the body of the deceased was found, but death had come. Doctors worked over the body for two hours, but it was too late.

It is believed that he was caught on a rope while attempting to get aboard. He could not swim, even to the extent of holding himself up.

The drowned sailor was born at Wilkison, near Enterprise, and was the son of Mr. and Mrs. Edward Foster. Beside his parents he is survived by one brother, Edward at home, and four sisters, Misses Susie and Grace at home, and Miss Kathleen and Mrs. Robert Craig, in Chicago. Deceased was a member of the Roman Catholic Church.

On the arrival of the tug the remains were taken to James Reid's undertaking parlors, and later to Wilkison.

Charged in several places by the fire of last January, the store of T. S. Kendrick, Athens, is being repaired this week.

Suffered With Heart For Ten Years

Would Nearly Smother. There is nothing that brings with it such fear of impending death as to wake up in the night with that awful sense of smothering. The uncertain and irregular heart action causes the greatest distress of both mind and body.

Milburn's Heart and Nerve Pills are the only remedy that can give prompt relief and effect a complete cure in cases of such severity.

They strengthen and invigorate the heart, so that it beats strong and regular, and tone up the nervous system so that the cause of so much anxiety becomes a thing of the past.

Mrs. M. O. McCreedy, Wapella, Sask., writes: "I am not much of a believer in medicines, but I feel that it is only right for me to let you know what your wonderful remedy has done for me, and in a very short time, I had suffered terribly with my heart for nearly ten years, could scarcely do any work, and would nearly smother at times. I had many remedies, some only relieving me for a time. I got a box of Milburn's Heart and Nerve Pills and felt so much better that I kept on using them, and can truthfully say I feel like a new woman."

"I would advise anyone with heart trouble to use them."

Milburn's Heart and Nerve Pills are 50c. or three boxes for \$1.25, at all dealers or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

TELLS OF THE DEATH OF STEWART RAE

Late Lieut.-Col. Britton wrote Home Shortly Before His Death.

On Wednesday last C. E. Britton, Gananoque, received a letter from his son, Lieut.-Col. Russell H. Britton, who was killed in action in France on May 2nd. The letter was dated April 19th, just two weeks before his death. Speaking of the battle at Vimy Ridge he said:

"We captured a very large number of German guns and ammunition and I have crews from all the batteries operating these captured guns now, and we are firing his own ammunition at him from all his own guns, which is irritating him very much, as he is coming back at us with all sorts of weapons."

"The German infantry has very little stomach for fighting unless they have us at a disadvantage, which, in their opinion, is insurmountable. Then they will take a great delight in shooting our fellows, but on anything like even terms, there is nothing to it. They have no fight, and beat it to their dugouts, and stay there until taken prisoners, and they are delighted to be taken and are terrified of our artillery."

"Stewart Rae was killed. He was asleep in 1st Brigade Headquarters cookhouse, when a shell came in and killed him instantly. Poor old 'Stew' Howard Taylor will know what a good boy he was to all the 3rd officers. He was the 3rd Battery officers' cook, and came from Kingston."

MUST GIVE UP ALSACE-LORRAINE

Kaiser Must Yield That Which Is Ours, Viviani Insists.

New York, May 12.—"Germany has always thought," said M. Viviani "that by her heavy might she could imprison the hearts and stunt the conscience of humanity and so long as that doctrine of might prevails Germany can never offer us conditions of peace that will be acceptable."

"We will not make peace, we will never make peace, until we have given back to us that which is sure—Alsace and Lorraine. We are not fighting a selfish battle—we are not fighting to triumph for ourselves—we who did not seek this war—we are fighting for civilization and for democracy."
