

MAKING IT PLAIN

A common mistake which some people continue to make is to accept from a druggist an "extract" of cod livers thinking they will get the benefits of an emulsion of cod liver oil.

The difference is very great. An "emulsion" contains real cod liver oil, which has had the hearty endorsement of the medical profession for many years, while an "extract" is a product which contains no oil and is highly alcoholic.

Scott's Emulsion is the standard emulsion of the world. It guarantees the highest grade of real cod liver oil, skillfully blended with glycerine and hypophosphites, and is endorsed by good physicians everywhere.

Acid Stomachs Are Dangerous

Nine-Tenths of All Stomach Troubles Said to Be Due to Acidity.

A Physician's Advice on Cause and Cure

A famous physician whose successful researches into the cause and cure of stomach and intestinal diseases have earned for him an international reputation, said in the course of a recent lecture that nearly all intestinal troubles, as well as many diseases of the vital organs, were directly traceable to a deranged condition of the stomach, which in turn was due nine times out of ten to excessive acidity, commonly termed sour stomach.

MILITARY Y.M.C.A. WORK

IN KINGSTON DURING THE WINTER AND SPRING

Secretary Greenslade Gives a Report Telling of the Splendid Work Done For the Soldiers.

For the benefit of the various organizations which have so generously assisted in the work of the Military Y.M.C.A. among the soldiers stationed in Kingston during the winter, and also for the purpose of informing the public in general of the kind of work which is being carried on among the Canadian troops both in Canada and overseas by the Military Y.M.C.A., the following report has been submitted by the Secretary, S. H. Greenslade, for publication.

After the closing of the camp at Banfield about the last of October, the Military Y.M.C.A. moved into winter quarters at the Soldiers' Home, The National Council secured the basement of Brock Street Methodist Church, with its splendid accommodation for the carrying on of the winter work among the soldiers.

Tom Pearson, who received an appointment overseas January 1st, had charge of the work from November 1st to January 1st, 1917. Upon his departure S. H. Greenslade was appointed to the position of secretary and has since carried on the work. The programme of work which has been carried on during the winter may be divided into three divisions: 1st, social, 2nd, educational, 3rd, religious. It may be well to state that every man in khaki has free access to the reading and recreation rooms and all privileges connected therewith.

During the winter many soldiers have used the building for various purposes. Some come in to write letters, play games, or read and have a quiet smoke or chat. It is estimated that some 20,000 soldiers have used the building in one way or another. Many letters have been written during the winter. Papers, envelopes, post-cards, pens and ink are supplied by the National Council. Free of charge. Stamps are also sold. Over 9,000 letters have been written since last November. In addition every Hospital and Convalescent Home is supplied with writing material regularly by the Military Y.M.C.A. This means that at least 60,000 letters have been written since last November. In addition 40,000 envelopes and post-cards have been used in this work.

The social side of the work has been strongly emphasized. For three social evenings have been given by various organizations. The aggregate number of men attending these socials is 10,500. These social evenings have meant much to the soldier who is far from home and lonely.

The educational programme carried on by the Military Y.M.C.A. aims to help the soldier to improve his present educational status by conveying general information on important subjects, through illustrated lectures which have been given by Professors of Queen's University and other gentlemen who are prominent in the life of the city.

Twenty such lectures have been given during the winter with an aggregate attendance of about 2,000. In addition to these general lectures, individual assistance has been given. Through the kindness of J. R. C. Dobbs, two typewriters were placed at the disposal of the secretary. One night of the week was devoted to the instruction and practice. As a result 125 men were given assistance in this work.

The underlying and dominant note permeating every activity in connection with the work carried on by the Military Y.M.C.A. is a deeply religious one. The whole aim of the organization is to help the man to be a better man by the practical application of the great truths of christianity. The religious work has been most interesting and encouraging, and good results have followed. About fifty religious services have been conducted with an aggregate attendance of about 2,500. In addition many personal interviews have been given and many pocket khaki testaments given away. The work in connection with the hospitals and convalescent homes has been most important. As far as possible, visits have been made by the secretary, representing about 1,500 men. Writing material, magazines and games have been distributed in the various hospitals and homes.

The circulating library has been very popular, 125 books have been loaned to the soldiers during the winter. Every draft proceeding overseas has been supplied with postcards, magazines and games for the entertainment of the men en route.

WINNIPEG MAN CURED

Says Dr. Cassell's Tablets Saved Him From Nervous Breakdown.

Mr. G. C. Imman, 330, Harcourt-street, Sturges to thank Dr. Cassell's Tablets for many years a well-known man in the business life of Canada, says: "I was terribly run-down and weak. I had no appetite and I suffered if I forced myself to eat. My nerves were in a bad way and for sleep very disturbed. Everything pointed to a nervous breakdown. Then I got Dr. Cassell's Tablets. The first result was that I could sleep, and then my health rapidly improved. It was really astonishing how my strength and fitness came back."

Mr. Imman is now in England, managing the well-known firm of A. W. Imman and Son, Bristol and London Publishers, Leeds. Letters will reach him there.

Free sample of Dr. Cassell's Tablets will be sent to you on receipt of 5 cents for mailing and packing. Address: Harold F. Hilditch & Co., Ltd., 10, McCaul-st., Toronto.

Dr. Cassell's Tablets are the surest home remedy for Dyspepsia, Kidney Trouble, Sleeplessness, Anemia, Nervous Abundance, Nerve Paralysis, Irritability and Wounds to the system. Especially valuable for nursing mothers and during the critical periods of life. Sold by druggists and chemists. Beware of cheap imitations. The composition of Dr. Cassell's Tablets is known only to the proprietors, and no imitation can ever be the same.

Sole Proprietors: Dr. Cassell's Co., Ltd., Manchester, Eng.

In concluding this report, the secretary on behalf of the National Council desires to thank General T. D. R. Hemming, G. O. C. 3rd Division, and staff for the deep interest which they have shown in this work and for their able and ready support at all times also the Daily Standard and the British Whig, for the excellent support which they have given to the work. Likewise the various church organizations, the Somme Club, and other organizations which have rendered such valuable assistance in carrying on this splendid work.

"A DAUGHTER OF THE GODS"

Will Be Shown at Griffin's Family Theatre.

Earthquakes, wars, plagues, hurricanes and floods were the order of the day in the creation of "A Daughter of the Gods," the William Fox \$1,000,000 picture beautiful, featuring Annette Kellermann, which will be the attraction at Griffin's Family Theatre, Monday, Tuesday, and Wednesday, May 21st, 22nd and 23rd, with matinee daily at 2:30 p.m. Evening performance at 8:15 p.m.

Fox, in his picture beautiful, has given to the world the greatest film fantasy ever produced. That on many grasp the obstacles he had to overcome, it may be cited that in order to lay out a camp for some thousands of warriors, it was found necessary to raise hills in order to have a sufficient stretch of plain upon which to pitch their camps. In another scene, Gnomeland, in order to get the effect of a mountain torrent, it was found necessary to divert the natural course of a river.

This big undertaking never daunted Mr. Fox, instead, when he found that to produce a detailed artistic effect, it was essential to overcome the work of nature, he engaged an army of skilled workmen and shipped them all the way to the tropics to accomplish this one result. The cost of this one picture alone represented the expenditure of a fortune, but expense was the last consideration with Mr. Fox in "A Daughter of the Gods."

Engineers, army and navy experts of the British government visited the location several times and marvelled at the work accomplished by the engineers.

STEACY'S : Limited

Use Coconut Oil For Washing Hair. If you want to keep your hair in good condition be careful what you wash it with. Don't use prepared shampoos or anything else that contains too much alkali. This dries the scalp, makes the hair brittle, and is very harmful. Just plain unperfumed coconut oil (which is pure and entirely greaseless), is much better than anything else you can use for shampooing, as this can't possibly injure the hair. Simply moisten your hair with water and rub it in. One or two teaspoonfuls will make an abundance of rich, creamy lather, and cleanse the hair and scalp thoroughly. The lather rinses out easily, and removes every particle of dust, dirt, dandruff and excessive oil. The hair dries quickly and evenly and it leaves it fine and silky, bright, fluffy and easy to manage. You can get multiplied coconut oil at most any drug store. It is very cheap, and a few ounces is enough to last everyone in the family for months. STOLEN WHEEL RECOVERED. Was Taken From Lieut.-Col. Wilson at Armouries Six Weeks Ago. As the result of a trip Constable Samuel Arnel made to Westbrook on Tuesday afternoon, Lieut.-Col. Wilson is now in possession of his bicycle, which was stolen from him about six weeks ago. The wheel was left near the armouries where the thief made off with it. Constable Arnel found that the wheel had been sold to a party at Westbrook for \$6.50. At this price he got a dandy bargain as it is a good wheel. The party, who is alleged to have made the sale is now overseas. Addresses Wanted. The Whig would be pleased to learn the present addresses of each of the following: J. J. Fenwick, late of Enterprise, Ont. W. J. Gallivan, Cut Knife, Sask. Charles Patterson, Cobalt, Ont. Maxime Perault, Enterprise, Ont. Sam Sleeth, 126 South Court St., Port Arthur. J. D. Trotter, 414 19th St., Nutana, Saskatoon, Sask. Thomas H. Moore, Kamloops, B.C. H. Orr Cochrane, Ont. The removal of the embargo on Canadian cattle going into the British Isles, it is predicted, will be one of the announcements that Sir Robert Borden will make as the result of the Imperial Conference.
