THE CHEESE SITUATION

IS VERY FULLY EXPLAINED BY PROF. RUDDICK.

Dominion Dairy Commissioner Issues a Statement Which Clears up Misapprehensions Among the Cheese Dealers.

A letter from Prof. Ruddick, Dominion Dairy Commissioner, which clears up a lot of misapprehension in connection with the appointment of the commission to fix a price for the output of the Canadian cheese...

"Nothing was heard of the matter until recently when it was proposed that the British Board of Trade should purchase the entire exportable surplus of Canadian cheese for the season of 1917 and it was suggested at the same time that a representative of the Canadian cheese trade and some one to represent the Canadian government should act on a commission with the representative of the British Board of Trade to carry out the details of the purchase and shipment.

Addresses Wanted. The Whig would be pleased to learn the present addresses of each of the following: J. J. Fenwick, late of Enterprise, Ont.

Average of Mortality. New York, May 18.—At a meeting of the Actuarial Society here D. B. Wood, a Canadian actuary, said that the mortality among Canadian infantry officers was eighteen per cent.

The best coffee in the city at Pickering's. C.P.F. earnings for the week ending May 14th were \$3,120,000, an increase of \$531,000.

HAD VIOLENT COUGHING FITS

LOOKED LIKE CONSUMPTIVE

Mrs. Mary Whetton, North Forks, N.S., writes: "Having taken five bottles of Dr. Wood's Norway Pine Syrup, during the past few weeks, to relieve a chronic cough and general throat trouble, allow me to express my unbounded satisfaction and thanks as to its sterling qualities. A short time ago I became subject to violent coughing fits at night and directly after rising in the morning I began losing weight and all my friends cheerfully informed me that I was going into consumption. After taking the 'Dr. Wood's' I am pleased to relate that the cough has entirely disappeared and I have since regained the lost weight. I have no hesitation in recommending Dr. Wood's Norway Pine Syrup."

KNITTING ON THE SABBATH

QUESTION RAISED AS TO WHETHER IT IS NECESSARY.

Claimed That Work Has Been Carried on During Service in Some of the Montreal Churches—Clergyman's Wife Started the Practice.

Shall the women be knitting all days, even during the sermons on Sundays? Since the war began the women of Kingston have been busily engaged in knitting. At meetings, conventions, concerts, entertainments and gatherings of various kinds women have been noticed doing their "bit" with a needle. With some of the women it has been a case of knitting all the time.

The question of knitting in church has been causing some discussion in Montreal and Ottawa, and for this reason a Whig reporter was bold enough to ask some of the Kingston women what they thought of the idea. "I am sure I don't know," said one good lady. "The women have been knitting a great deal on week days, but I do not really think they need to take their work to church. Of course, if there was great need for it, I do not see any harm, and would be willing to do so."

The practice is carried on in Montreal, so it is claimed, but whether or not the women in Kingston can hold the thread of the sermon in mind with twenty or more stitches on their needles is a mooted question. It is stated that the custom was started in Montreal by a clergyman's wife, who took her knitting to service, and so enthused the women members of her parish that they all followed suit, and when the steel needles proved distracting to the minister, bone needles were substituted.

BABY'S OWN TABLETS OF GREAT VALUE

Mrs. J. A. Lagace, Ste. Perpetue, Que., writes: "Baby's Own Tablets have been of great value to me and I would strongly recommend them to other mothers." Thousands of other mothers say the same thing. They have become convinced through actual use of the tablets that nothing can equal them in regulating the bowels and stomach, driving out constipation and indigestion; breaking up colds and simple fevers; expelling worms and curing colic. The Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.
