MILITARY CIRCLES.

The Ottawa Citizen says: "Judging from present appearances, a large proportion of the 72nd (Queen's) Battery, which is to go into training at Petawawa shortly, will consist of men from the Ottawa College Institute. The students have been enlisting in a manner that has greatly pleased the hearts of the recruiting officers, and when the school term is ended, another large contingent intends to sign up with the battery. This is largely due to the fact that the boys expect to be able to stick together, and that at the present time, there are excellent opportunities for advancement."

The R.C.H.A. will leave on Saturday for camp at Petawawa.

Lieut.-Col. James Hamilton, commandant of the Serbian Mobilization Camp at Levis, Que., was in the city over the week-end. Col. Hamilton was formerly A.D.C. of S. and T. and is quartermaster of the R.C.H.A. The first camp of which he was the commandant was at Sussex, N.B., but has since been changed.

Owing to the great reduction in work with the falling off in recruiting, the authorities at Ottawa are devising a system by which part of the present Audit Department staff can be done away with. Each district has an audit department that checks the work of the paymasters of the district. This work was done at Ottawa until the number of men in training was so great that it was advisable to establish a system in each district. With a reversion to the old conditions of fewer men part of this staff can be taken off.

The 72nd (Queen's) Battery is now seventy strong and requires as many more men to bring it up to strength for Petawawa camp. Here are the latest records:

- From Ottawa, E. P. Byer, G. Cooper, W. Cousins, J. C. Foster, R. E. Hill, A. Mordy, G. Taylor, C. Verner, J. Wilson, J. Endicott, R. Todd.
- From Lindsay—J. Gillespie, A. Perrett, Malcolm Douglas, R. Riddell.
- From Napanee—J. Soby.
- From Brockville—T. Branson, O. Wylie.
- From Perth—W. McLellan.
- From Athabasca, Alberta—Frank Lavell, a nephew of Judge Lavell of Kingston.

Retreat is being sounded at 7.30 p.m. this week.

M. McGlade has been appointed as technical lieutenant in the 230th.

"Absolutely no recruiting is to be carried on in the United States," is the text of a notice in district orders.

Lieut. H. F. Richardson, P.F.C.I.L., being medically unfit for overseas service, is transferred to the strength of the C.E.F. in Canada.

There are now two units at Barrfield Camp under canvas—the School of Cookery and No. 5 Field Company, Canadian Engineers.

Major Nourse, P.P.C.I.L., who went overseas as a private and came back on February 28th with his present rank, was at headquarters on Monday.

The entrance examinations for the Royal Military College are being held at Ottawa, Kingston and Port Hope from June 5th to June 9th.

Capt. Hall, A.M.C., was in Deseronto on Sunday on medical work.

Philip Maxfield, Y.M.C.A. secretary at Troy, N.Y., has enlisted as a private with the Army Medical Corps Training Depot here.

Twenty nursing sisters are leaving this week for overseas.

Edmund Woodcock, Timworth, has enlisted with the 14th Regiment, Canadian Defence Force.

THEATRICAL NEWS

Sarah Bernhardt at the Grand.

For to-night, and Tuesday and Wednesday matinee and night, the divine Sarah Bernhardt appears at the Grand in a superb multiple-reel feature, entitled "Mothers of France." This wonderful picture was produced with the aid of the French government and part of the proceeds will be used in aiding this war-torn country. The most enthusiastic press notices ever given a motion picture by the New York newspapers were accorded "Mothers of France," when it was presented at the famous Rialto Theatre in New York City recently. These press notices told of the tremendous enthusiasm aroused in all the audiences seeing the picture and also told of the fact that the Rialto did the biggest business in its history during the week that "Mothers of France" was shown. When it is remembered that the New York reviewers are always backward about giving very much praise to a motion picture, their tremendous applause for this offering will be seen to be all the more significant. It is not exaggerating the situation to state that "Mothers of France" was the talk of New York. The people of this city are fortunate in being able to have the opportunity of seeing this tremendous offering. An interesting and educational travogue and comedy reels will also be shown.

At the Strand.

Whether or not a girl can enter the business world and attain success without losing her feminine charm is the issue involved in "Her Father's Keeper," the newest Triangle play with Irene Hawley in the stellar role, which will be seen at the Strand for the first three days of this week. In this production Miss Hawley, who has enjoyed a brilliant career on the stage and in pictures makes her first appearance on the Triangle programme. Francis Ford and Grace Canard will be seen in the seventh episode of "The Purple Mask." Chas. Murray and Louise Fazenda in "Maggie's First False Step," is two thousand feet of Keystone fun and frolic and should please all lovers of clean comedy. In conjunction with the above photoplays Jack Velmore in a polite vaudeville turn will also hold the boards.

NO QUEBEC UPROAR ABOUT CONSCRIPTION

Rank and File of That Province Are Likely to Accept the Measure.

(Special to the Whig) Montreal, May 21.—One thing is certain, and that is that those who expected the announcement of conscription would cause an immediate uproar in Quebec have been disappointed. The morning, Le Canada, Liberal, has an editorial in which some pointed remarks are made, but it does not condemn the measure. On Saturday La Patrie commended the stand taken by Sir Robert Borden.

Liberals admit that they are waiting for their party to speak, and it seems to be safe enough to predict that unless the measure is combated by leaders of the Liberal party, the rank and file in Quebec will accept it, even though they do it like Armand Lavergne, who said on Saturday that he is against the measure, but as he is a military man he will go when the Government calls him. This is taken to be the answer those opposed to conscription will give throughout the province.

Henry Bourassa has been silent so far. Other French-Canadian papers carry rumors that Sir Wilfrid Laurier may resign the leadership of the Liberal party, and Messrs. Patenaude, Blondin and other members of the Cabinet may also resign as the result of the conscription issue.

SOLDIERS WELCOMED

By The Largest Crowd That Has Yet Turned Out.

Twenty-one soldiers, who had been invalided from the firing line and from England, arrived at the Grand Trunk station from Quebec on Sunday afternoon and were welcomed by the largest crowd that has ever been at a Kingston station to welcome returned men.

There were two bands—the R.C. H.A. and Salvation Army—and a number of pipers present. As soon as the men came off the train they were met by Lieut. Gales, who was acting for Major Birdsall. Mayor Hughes was unable to get a hearing in the crowd until taken away to one end of the platform and there he climbed on a truck and spoke a few words of welcome.

Ptes. H. Peck, 5th C.M.R., and A. Bird, 6th Battalion, were the two Kingstonians in the party.

Pte. Joseph Welsh of Picton, one of the convalescent soldiers who arrived here Sunday afternoon, is a cousin of City Engineer McClelland. He was with the 224th Forestry Battalion and was stricken with pneumonia.

The Whig is informed that Prof. Willhoff, formerly of Queen's, who left Kingston after the war started, has been ousted from Columbia University, New York, for being too German. He is a former German officer.

At the Strand to-night, Chas. Murray and Louise Fazenda, in "Maggie's First False Step," 2,000 feet of Keystone fun and frolic. The dedication to service of the Sunday school staff of Queen street Methodist church occurred on Sunday morning and was quite a solemn service.
