Suffered With Heart For Ten Years

Would Nearly Smother. There is nothing that brings with it such fear of impending death as to wake up in the night with that awful sense of smothering. The uncertain and irregular heart action causes the greatest distress of both mind and body.

Milburn's Heart and Nerve Pills are the only remedy that can give prompt relief and effect a complete cure in cases of such severity. They strengthen and invigorate the heart, so that it beats strong and regular, and tone up the nervous system so that the cause of so much anxiety becomes a thing of the past.

Mrs. M. O. McCreedy, Wapella, Sask., writes: "I am not much of a believer in medicines, but I feel that it is only right for me to let you know what your wonderful remedy has done for me, and in a very short time, too. I had suffered terribly with my heart for nearly ten years, could scarcely do any work and would nearly smother at times. I had many remedies, some only relieving me for a time. I got a box of Milburn's Heart and Nerve Pills and felt so much better that I kept on using them, and can truthfully say I feel like a new woman."

"I would advise anyone with heart trouble to use them." Milburn's Heart and Nerve Pills are 50c. or three boxes for \$1.25, at all dealers or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

Veteran Chicago Pitcher Has Joined New York Club. Big Ed. Walsh, once the star pitcher of the Chicago White Sox, may become a member of the Giants. Walsh is working out under the supervision of Manager McGraw, who had turned him over to a specialist. McGraw had George Chalmers treated by the same physician several years ago, but Chalmers was allowed to go to the Phillies, to whom he pitched good ball. It Walsh's arm can be cured, McGraw says that he will be glad to try the famous boxman later in the season. Walsh is in splendid health, and during his workout yesterday he seemed to have considerable speed.

This first photoplay with "Uncle Sam's favorite son" will be the special attraction at Griffin's, for Thursday, Friday and Saturday of this week.

Upholds His Decision. "Another blow might have ended Welsh's life," said McParland. "Welsh and Welsh should have been the first to thank me."
