A Minister's Evidence

That Piles, or Hemorrhoids, Can be Quickly Cured—A Justice of the Peace Cured Many Years Ago

Toronto, Ont., June 5.—There has come to us recently two letters from prominent men who bear unquestionable testimony in regard to Dr. Chase's Ointment, as a prompt and lasting cure for piles.

These men give their evidence freely because they know what it means to suffer from the tortures of piles and then be cured. They feel it a duty and a pleasure to let others know how they too may be cured. Rev. Frank N. Bowes, Methodist Minister, Priceville, Ont., writes: "In the winter of 1912 I was stationed in Cobalt. I went for a snowshoe tramp one day and sat for only a few minutes on a cold stump waiting for some comrades to catch up to me. From sitting on the damp stump I contracted piles, and suffered so severely that it caused me great pain to walk. A friend recommended Dr. Chase's Ointment, and I immediately purchased a small box which very rapidly effected a cure which I will keep a box on hand and find it excellent for any kind of wound or sore."

Mr. W. B. Thorne, J.P., Alderside, Alta., writes: "It was twenty-eight years ago I became acquainted with the merits of Dr. Chase's Ointment and would not be without it on any account as it never fails to do its work. I was first induced to try it for piles. Less than one box cured me and I have never been troubled since. That was twenty-eight years ago, so I think the cure is permanent. It is good for sore lips and hands, chafing, and in fact all sorts of work. You are at liberty to use this statement for the benefit of others."

You can put Dr. Chase's Ointment to the test in any case of piles with the utmost assurance that you will obtain relief from suffering and ultimately lasting cures, for a box, at all dealers, or Edmanson, Bates & Co., Limited, Toronto.

An Unfailing Way To Banish Hairs

(Beauty Notes) Ugly hairy growths can be removed in the privacy of your own home if you get a small original package of delatone and mix into a paste enough of the powder and water to cover the hairy surface. This should be left on the skin about 2 minutes, then removed and the skin washed and every trace of hair will have vanished. No harm or inconvenience can result from this treatment, but be sure you buy real delatone.

OBITUARY

The Late D. Gallivan.

After only three days illness Dennis Gallivan, Utica, N.Y., formerly of Kingston, passed away on Friday. The deceased was born in Kingston forty-two years ago but has been in Utica, N.Y., for many years.

The survivors are his widow, seven small children and one sister, Mrs. Dr. Cooley, in Utica, N.Y., his brother, Dr. Gallivan, Lethbridge, and his three sisters, Mrs. Thomas Moore, Mrs. Katherine Gallivan, and Mrs. H. A. Cooper and Mrs. J. Harrigan in Kingston.

The Late G. D. Watson. On Saturday at his home at Alma, Michigan, death came after a short illness to George Dixon Watson, eldest son of the late George C. and Mrs. Watson, University avenue, Kingston. The deceased was born here fifty years ago, and was for some time with Richmond and Boyden's dry goods store.

He is survived by his wife and one child, Isabel, in Alma; one brother, Benjamin, University avenue, city; three sisters, Mrs. Thomas Moore, Detroit; Mrs. J. W. Elliott, city; and Mrs. E. T. Jones, Waterloo, Iowa.

The death is particularly regrettable because of the fact that it makes the fourth in the family to pass away this year. Two of the others were J. W. Elliott, brother-in-law, who died on January 12th, and G. C. Watson, father, who died on March 13th. Mrs. Moore, his sister, was in the city on Saturday when the telegram came, being on a visit to her mother.

The Late O. J. Madrand. On Tuesday morning death came after three weeks' illness in the Hotel Dieu to Octave Joseph Madrand. He was a Roman Catholic in religion and a member of the Chosen Friends.

The survivors are his widow, three sons, Henry in Montreal, and Ernest and Cecile here.

ANY CORN LIFTS OUT

No foolishness! Lift your corns and calluses off with fingers.

Pain? No, none at all! Sore corns, hard corns, soft corns or any kind of a corn, can harmlessly be lifted right out with the fingers if you will apply directly upon the corn a few drops of freezone, says a Cincinnati authority.

It is claimed that at a small cost one can get a quarter of an ounce of freezone at any drug store, which is sufficient to rid one's feet of every corn or callus without pain or soreness or the danger of infection.

This simple drop dries the moment it is applied and does not inflame or even irritate the surrounding tissue while applying it or afterwards.

This announcement will interest many women here, for it is said that the present high-heeled footwear is putting corns on every woman's feet.
