Told In Twilight

Tuesday afternoon and evening the home of Mr. and Mrs. John Carpenter, 424 Johnson street, was a pretty scene, when their only child, Elsie, celebrated the sixth anniversary of her birth. The charming child-hostess was daintily frocked in white, blue sash, with her golden curls caught up with blue ribbons. The festivities lasted from 4.30 till 8 o'clock, when the tired but happy little children took their departure. A beautiful birthday cake, with six candles, centred the tea table, laden with tempting things good to eat. A number of lovely gifts came to the popular little girl. The prettily gowned children present were: Dorothy Laird, Mildred Glover, Nellie and Florence Burden, Dorothy Smith, Lillian and Elsie Goddard, Bessie Peakwright, Phyllis Butlin, Gwenneth Johnston, Elsie Brambell, Bessie, Alice and Florrie Sampson, also Charline Cooper, Gordon Prouse, Arthur Butlin, Harry Peakwright and Brambell Smith. SURPLUS FUNDS TO HELP CANADA LOAN

59th Battalion Has \$21,000 Invested in War Bonds.

The Canadian Daily Record, under date of May 28th, which is issued by the Canadian War Records Office, to units of the Canadian expeditionary force, has the following of interest to Kingston:

"In a recent issue of The Canadian Daily Record it was stated that the 58th Westmount Rifles purchased over \$10,000 worth of War Bonds in the last Canadian Government War Loan.

"The Westmount Rifles is a Militia unit, but the record in this direction probably rests with a unit which has been recruited during the war, the 59th Battalion, organized at Kingston, Ontario. This battalion has returned in Kingston over \$21,000, which has been invested in Canadian War Loan, in the names of five trustees.

"This sum represents the surplus from the regimental and canteen funds of the battalion and is invested for the benefit of the members of the unit and their dependants.

"It is stated that this unit brought over the largest fund from Canada. A large proportion of it was subscribed by friends of the battalion in Kingston, Peterborough, Belleville, and other points in Eastern Ontario."

Noted Geologist Dead. Dr. Robert Bell, the noted Canadian geologist, died at his country home near Portage la Prairie, Manitoba. He was made professor of science in Queen's University at an early age, but did not hold the position long, for he felt especially drawn to geological field work.

CAPT. GALES PROTESTS AGAINST ALLEGATIONS MADE BY PORTSMOUTH REEVE.

He Says That Any Trouble at Mowat Hospital Has Been Caused by Civilians Giving Liquor to the Soldiers.

Capt. F. S. Gales, officer commanding the Mowat Memorial Hospital, takes objection to the charges made by the reeve of Portsmouth to the Militia Department regarding the conduct of soldiers in that institution. He asks the Whig to state that the charge that the sister of a clergyman was assaulted by a soldier from that hospital was not proven. The men were all paraded and the lady did not find her assailant among them.

Capt. Gales further states that the report that there is insubordination and lack of discipline at the Mowat Hospital is untrue. There are 109 returned men at the institution. Those able to get around are given leave to walk about the village of Portsmouth. During the past few days the village has been patrolled by military police.

Any trouble there has been out there, says Capt. Gales, has been caused by liquor given to the soldiers by civilians. The latter are the ones who should be attended to and not the soldiers.

Some Portsmouth residents tell the Whig that the Mowat Hospital men are all right. A few may have conducted themselves not just correctly, but the bulk of the soldiers there are good men and true, who have loyally represented Canada overseas.
