**COUNTY COUNCIL MEETS "ACTION FRONT" MAGAZINE**

WARDEN MCKNIGHT UNABLE TO ATTEND, BEING ILL.

Councillor J. A. Kennedy Presiding—Dr. Spankie Again Records His Objection to the Purchase of Seed Potatoes by Council.

The Frontenac County Council opened its June session in the Court House on Tuesday afternoon. A letter was received from Warden C. G. McKnight stating that owing to illness he would be unable to attend the sessions. On motion of Councillor Halliday, it was decided that Councillor Kennedy should preside in the Warden's absence. Councillor Kennedy on taking the chair expressed regret over Warden McKnight's illness.

Councillor Spankie moved, seconded by Councillor McGregor, that the minutes of the special session on the 31st of May be amended by expunging the resolution with regard to the sale of potatoes.

Councillor Spankie said that his resolution was in accordance with the stand he took at the special session. "I objected then and I object now to the Council's deal in potatoes," said the doctor. "That action was illegal," he continued. Dr. Spankie asked the acting warden if any legal advice had been taken with regard to the potato question. Acting Warden Kennedy said there had not so far as he knew. "Well, I want legal advice secured for this session of council," replied Dr. Spankie.

Councillor Halliday pointed out

Of Bedford who is presiding at the County Council Sessions owing to the illness of Warden McKnight.

that the motion was out of order because the question was merely whether the minutes were correct. There was no doubt of that, as any member of council would agree that the motion about the potatoes was duly passed in council, hence the clerk's record of the meeting was correct.

The acting warden ruled the resolution out of order. Dr. Spankie then asked that his motion be recorded in the minutes and his request was acceded to.

**Had Awful Attacks of Heart Trouble FOR 5 OR 6 YEARS**

Diseases and disorders of the heart and nervous system have become frightfully prevalent of late years.

One can scarcely pick up a paper but he will find recorded instances of sudden deaths through heart failure, or of prominent men and women unable to prosecute their ordinary business or profession on account of a breaking down of the nervous system.

We do not desire to unnecessarily alarm anyone, but to sound a word of warning.

When the heart begins to beat irregularly, palpitates and throbs, has shooting pains through it, it is time to stop and think.

To all sufferers from heart and nerve troubles Milburn's Heart and Nerve Pills can give prompt and permanent relief.

Mrs. Frank Arsenau, Newcastle, N.B., writes: "I had awful attacks of heart trouble for the past five or six years, and as I had tried many kinds of medicine without getting any better, I decided to give Milburn's Heart and Nerve Pills a trial, and to my surprise I found ease from the second dose. I continued taking them until I had used six boxes, and now I feel as well as can be.

"At the present time my sister is using them for nervousness and finds great comfort by their use."

Milburn's Heart and Nerve Pills are 50c. or three boxes for \$1.25. at all dealers, or mailed direct on receipt of price by the T. Milburn Co., Limited, Toronto, Ont.

**NOT A PARTNER.**

Statement Made by Mrs. Catherine Kelly, re Boehmer.

We have been requested by Mrs. Catherine Kelly, of Toronto, to point out that A. O. Boehmer was never at any time a partner with Mrs. Kelly in the grocery business, which she carried on at the corner of King and Princess streets, in this city. It is true that Mrs. Kelly was induced to purchase the store, so that it might ultimately be acquired by The Army and Navy Association of Canada. While letters patent were procured, no organization meeting of the company was ever held, and Mrs. Kelly remained and continued throughout as the sole and only proprietor of the business, from the time of its transfer by Mr. Gibson to her, until the business was closed out in January last.
