Even She Had Corns. Until a little while ago she thought them unavoidable. If you have corns don't blame yourself too much. Many an old person has had them fifty years. YET they have done what you do—pared them and used old-time, useless treatments. But what folly it is when nowadays almost half the world keeps free. The chemist who invented Blue-jay made corns forever needless. Last year some 17 million corns were ended in this simple, easy way. Just try one corn. Apply a Blue-jay plaster in a jiffy. Then forget it. It will never pain again. In two days take the plaster off. The corn will disappear. Only one corn in ten needs another application. You will laugh at the old ways when you try Blue-jay. You will wonder why people ever let corns hurt. Please start tonight. You have suffered long enough. Blue-jay Stops Pain—Ends Corns Instantly. For Sale by all Druggists. Also Blue-jay Salve.

WAR SAVINGS CERTIFICATES \$25.00 FOR \$21.50 BUY WAR SAVINGS CERTIFICATES THE problem of meeting the enormous cost of this war is two-fold. Not only must Canada get the money—most of it, of course, as loans—but she must get as much of it as possible here in Canada. We can carry the war-debt if the bulk of the interest goes to Canadians, and so is used again in the country's development. But it will be a serious matter for us if a large proportion of the interest has to be sent outside the Dominion. For the sake of our own and our children's future this drain on our resources must be avoided! Canada's financial freedom can and must be maintained! An average saving of 15 cents a day, invested by each man, woman and child in Canada in War Savings Certificates, would enable us to carry the whole cost of the war. To approach this average, hard work, thrift, self-denial and sacrifice are required of every citizen. For each \$21.50 you lend the Government now, you will receive \$25.00 in three years—or you can get your money back at any time. Certificates are issued in denominations of \$25, \$50 and \$100, and may be purchased at any Bank or Money Order Post Office. The National Service Board of Canada, OTTAWA.
