Cincinnati Man Tells How to Shriveled Up Corns So They Live Out. Ouch ! ! ! ! This kind of rough talk will be heard less here in town if people troubled with corns will follow the simple advice of this Cincinnati authority, who claims that a few drops of a drug called freeze when applied to a tender, itching corn stops soreness at once, and soon the corn dries up and lifts right out without pain.

He says freeze is a sticky substance which dries immediately and never inflames or even irritates the surrounding tissue or skin. A quarter of an ounce, which will cost very little at any drug store, is said to be sufficient to remove every hard or soft corn or callous from one's feet. Millions of American women will welcome this announcement since the inauguration of the high heels.

Black as Dirt About the Eyes. Liver Was All Upset and There Was Pain Under the Shoulder-blade—Two Interesting Letters. Toronto, Ont., June 21.—So many people suffer from derangements of the liver that we feel sure these two reports, just recently received, will prove interesting reading and valuable information to many readers of this paper.

Mrs. F. L. Harris, Keatley P.O., Sask. writes: "I was suffering from liver trouble—had a heavy pain under one shoulder blade all the time, and was nearly as black as dirt around the eyes, so I concluded to try some of Dr. Chase's Kidney-Liver Pills. I did so, and before I had taken ten or twelve boxes the pain had left me and I commenced to gain in flesh, and by the time I had taken two boxes I was completely cured and felt like a new person. My trouble was caused by heavy work out-of-doors, and, of course, heavy eating, and constipation. I would advise anyone suffering from kidney or liver trouble to give Dr. Chase's Pills a trial."

Mrs. Charles Terry, Tweed, Ont., writes: "Before I was married I was troubled with enlargement of the liver. My liver became so enlarged that I could not detect the swelling on either side, and it was only with difficulty that I could get my clothes on. A friend advised me to get Dr. Chase's Kidney-Liver Pills and take them. I commenced this treatment, and used nine boxes, which cured me at the time. Then about two or three years afterward I was troubled again with the swelling, but only on my right side. I secured some more Kidney-Liver Pills and took them, which finally cured me. I have not been troubled in this way since. I can cheerfully recommend Dr. Chase's Kidney-Liver Pills to anyone having kidney or liver trouble."

"We have also found Dr. Chase's Linseed and Turpentine excellent for coughs and colds. In fact, any of Dr. Chase's medicines which we have used have been good." Dr. Chase's Kidney-Liver Pills, one pill a dose, 25c a box, 5 for \$1.00, at all Dealers, or Edmansson, Bates & Co., Limited, Toronto.

NEW STRENGTH FOR LAME BACK. Letter Tells of Long-looked-for Prescription. Dear Mr. Editor—I suffered from lame back and a constant tired, worn-out feeling. At times I was unable to stand erect and scarcely able to get around. It would usually come on at night when I lay in bed on my back. I took one box of Dr. Pierce's Anurie Tablets and my back commenced to get better soon after starting to take them. I did not have to walk doubled over as I did before using the "Anurie." It is the best remedy I have ever taken for what it is intended to relieve. I hope those who are in need of such a remedy will give the "Anurie Tablets" a trial. (Signed) A. G. DRAKE.
