KILTIES FROM NEW YORK.

One Regiment Assured, with Overflow Unit Likely.

New York, June 22 .- A Highland regiment for service with the British army is expected to be mustered about August 1st, according to a statement issued here today by the British recruiting mission. The regiment will be known as the 79th Highlanders. So many recruits applied for enlistment with this unit that it is possible another regiment will be organized.

King George has instituted a new order of knighthood for women as well as men. It is officially stated that the S.S. Olympic was not sunk.
