WAS BURIED FOUR TIMES

CORP. MCINTOSH HAD THRILLING EXPERIENCES AT FRONT

Peterboro Hero is Now in Kingston to Undergo an Operation on His Eye—He Was Wounded Twice and Had Many Narrow Escapes.

Corporal D. J. McIntosh, of Peterboro, has arrived in Kingston, to undergo an operation on his eye, providing it is found that he is strong enough to stand it.

Corporal McIntosh is home from the front. He went overseas with the 73rd Battalion, from Peterboro, and got home on June 5th. He was wounded twice. The first time he was hit was sometime in October. He received a bayonet wound on the chin, the wound being so bad as to require fourteen stitches to close. He also had his jaw broken at the same time and twenty-seven pieces of shrapnel in his hip he had seventeen pieces, and his hip was also broken. One piece of shrapnel went through his arm on one side and came out the other side, and one piece also went through his foot.

Corpl. McIntosh was also buried four times. The first time he was buried he was under ground for six hours and forty-three minutes. He had his chest broken and badly bruised and when he was uncovered he was unconscious for over a day.

Corpl. McIntosh belonged to the headquarters staff of the 42nd Highlanders and was on his way to the sergeant-major's dug-out for his boots. The only thing that saved him was his gas helmet and the three tanks that were in the dug-out. On the way to the dug-out Corpl. McIntosh met the sergt-major, who was one of the first to give the alarm when he saw the dug-out blown up.

The second time Corpl. McIntosh was wounded on Dec. 7th. His eye was blown out of his head and the bone in his nose broken. He has two silver plates in his nose and forty-eight stitches on his forehead. He lost one eye completely and can just see enough with the other one to see the white pavement on a bright day.

Nerves Weak Had Hysterics

Orilla Lady Tells of Her Pitiable Condition When the Nerve Gave Way and She Became Sleepless, Irritable and Excited.

Orilla, Ont., June 23—There is an abundance of proof found right here in Orilla that Dr. Chase's Nerve Food is a sure and effective means of forming new, rich blood and building up the exhausted nervous system.

At this season almost everybody feels the need of restorative, tonic treatment to keep up vitality and ward off the tired, languid feelings. This letter will give you some idea of the splendid results to be obtained by using this great food cure:

Mrs. Percy Moulding, 28 West St., Orilla, Ont., writes:

"Some years ago my nerves got the better of me. I became so bad that on one occasion, during a thunderstorm, I had a severe attack of hysterics. Then I became anxious about my condition. It was sleeplessness and nervous debility that were my trouble. Some nights it would be 1 o'clock before I could get to sleep. Knowing the good results obtained from the use of Dr. Chase's Nerve Food, I commenced a treatment. I took about seven boxes and gradually I could feel my nerves becoming steady and my appetite returning. I could sleep well, and stay alone without any difficulty. Some little time ago I commenced losing in weight, and I began using the Nerve Food again as a tonic. I used only two boxes and recovered the weight I had lost. I cannot speak too highly of Dr. Chase's Nerve Food and when I see anyone looking ill or nervous I say, 'Get busy and use some Nerve Food.'"

Dr. Chase's Nerve Food, 50 cents a box, a full treatment of 6 boxes for \$2.50, at all dealers, or Edmanson, Bates & Co., Limited, Toronto. Do not be talked into accepting a substitute. Imitations only disappoint.

BRYANT-TURNBULL WEDDINGS

A Quiet Wedding was Solemnized in St. James' Church

On Wednesday afternoon a quiet but pretty wedding was solemnized in St. James' church by the Rev. T. W. Savary, when Anna Isabella Maud, daughter of Mr. and Mrs. Thomas C. Turnbull, Johnson street, was united in marriage to Thomas Albert Bryant, son of Mr. and Mrs. Thomas Bryant, Rochester, N.Y.

The bride, who was given away by her father, and was unattended, looked sweet in a gown of grey silk with hat to match. A corsage bouquet of roses and lily of the valley added to the charm of the costume and in her hands the bride held a white prayer book presented by her father.

While the register was being signed by the bride party "Perfect Love" was sung by Miss Lydia Shepherd. The choir, of which Miss Turnbull was a faithful member for five years, was also present, and the organ was presided over by Mrs. A. R. B. Williamson.

After the ceremony a buffet luncheon was served at the home of the bride's parents, and was attended by immediate relatives and friends. The bride was the recipient of many beautiful and costly gifts, among which was a beautiful cut glass pitcher and berry bowl from the choir, accompanied by a note from the secretary, Neil McCall, expressing their appreciation of her faithful services.

Mr. and Mrs. Bryant will reside in Rochester, N.Y. in the future.

Sutton and Maxwell Wedding.

A pretty wedding was solemnized at the home of the bride's mother, Mrs. Robert Maxwell, Sharpton, Wednesday evening, June 20th, at eight o'clock, when her youngest daughter, Edna Rose, was united in marriage to Harry E. Sutton, only son of Mr. and Mrs. Alfred Sutton, Newburgh. Rev. Mr. Spencer officiated. The couple were unattended. They were married under an arch of ferns and pretty white flowers. The house was beautifully decorated with masses of flowers and ferns. After receiving congratulations the guests assembled in the dining room, where luncheon was served, the table decorated with blue and white. The bride wore a lovely dress of white silk with customary veil and carried a bouquet of white roses. Her going away gown was grey broad cloth with hat to match. The bride received many beautiful and costly presents and will reside with her parents in Newburgh.

SATISFIED MOTHERS.

No other medicine gives so great satisfaction to mothers as does Baby's Own Tablets. These Tablets are equally good for the newborn babe or the growing child. They are absolutely free from injurious drugs and cannot possibly do harm—always good. Concerning them Mrs. Jos. Morneau, St. Pamphile, Que., writes: "I have used Baby's Own Tablets and am well satisfied with them and would use no other medicine for my little ones." The Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

THE LOWENSTEIN WAY.

Only Canada and a Good Slice of France.

The Lowenstein joke is reported in a Central News message from Geneva, which says: "England need only sell Canada to us in order to pay her war expenses and also the war indemnity due to Germany and her Allies."

This astonishing suggestion was made in all seriousness a few days ago by Prince Frederick zu Lowenstein, in an address on "Germany's economic future and the German peace" in Munich.

The occasion was a conference called by the independent committee for a German peace, at which, says the Neueste Nachrichten, of Munich, "the attendance was surprisingly small, in view of the attractiveness of the subject."

"To conclude a bad peace through lack of self-assertion would be a sin against our compatriots in foreign lands. Two million Germans in Russia are awaiting with strained hearts for the moment when they are to be joined again to their Fatherland. They must not be disappointed. Then Germany's iron industry depends on the addition to our territory of Briey and Longwy. The nation must not listen to the cry of peace at any price. The leaders of the German people have no right to give away the property of the nation."

Prince Lowenstein does not entertain the slightest doubt about the perfect right of the leaders of the German people to take the property of other nations, but that, of course, is another story.

Suffered With Heart For Ten Years

Would Nearly Smother.

There is nothing that brings with it such fear of impending death as to wake up in the night with that awful sense of smothering. The uncertain and irregular heart action causes the greatest distress of both mind and body.

Milburn's Heart and Nerve Pills are the only remedy that can give prompt relief and effect a complete cure in cases of such severity.

They strengthen and invigorate the heart, so that it beats strong and regular, and tone up the nervous system so that the cause of so much anxiety becomes a thing of the past.

Mrs. M. C. McCready, Wasella, Sask., writes: "I do not much of a believer in medicines, but I feel that it is only right for me to let you know what your wonderful remedy has done for me, and in a very short time, too. I had suffered terribly with my heart for nearly ten years, could scarcely do any work and would nearly smother at times. I had many remedies, some only relieving me for a time. I got a box of Milburn's Heart and Nerve Pills and felt so much better that I kept on using them, and can truthfully say I feel like a new woman."

"I would advise anyone with heart trouble to use them."

Milburn's Heart and Nerve Pills are 50c. or three boxes for \$1.25, at all dealers or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.
