MISS TELGMANN'S TRIUMPH SCORES A GREAT SUCCESS AT RECITAL IN TORONTO

Kingston Young Lady Wins Much Praise—She is Lauded by the Toronto Sunday World.

The following, which will be read with keen interest and great pleasure by many in Kingston, is taken from the musical page of the Toronto Sunday World, recording the details of a violin recital given by the pupils of Luigi von Kunzits of Toronto: "Mignon W. Telgmann, a young lady from Peterborough, gave an entire programme by herself, playing concertos by Viotti, Spohr and Godard, and as a finale, the Fantasia Appassionata by Vieuxtemps. Such a formidable selection seemed rather a severe test for both artist and audience. Only one conversation with the technical and interpretive difficulties of the works which she played with such evident mastery could grasp the significance of Miss Telgmann's accomplishment. From what she has achieved, it may be safely predicted that she will soon be an important addition to the already notable list of Canadian artists who have won great distinction at home and abroad.

The Peterboro Examiner says: Such emphatic commendation is no surprise to those who know Miss Telgmann's innate artistic nature, and her industry and enthusiasm as a violin devotee. Several persons went up from Peterborough to hear Miss Telgmann, and were delighted witnesses of the artistic triumph she achieved. Those who heard her programme were especially struck with her treatment of the Godard concerto, an heroic composition bristling with immense difficulties, both technical and interpretive, the fire movements demanding for their successful execution, excursions into all the fields of violin art; and the manner in which Miss Telgmann conquered the difficulties and revealed the spirit of the concerto were very highly creditable to her execution.

It looked as if Kingston was in for a good rain storm on Tuesday morning, but Old Sol won out and it was a most pleasant day.

A number of the horse men were at the Fair Grounds track early Tuesday morning getting ready for the events at Napanee next Monday.

Mrs. T. C. Wilson and Miss Kathleen Wilson are in Brooklyn to attend the funeral of Dr. Hussey, a son-in-law of Mrs. Wilson, who died when in a dental chair.

With the advent of warm weather and the coming of more tourists to the 1000 islands it is hoped that there will be a Cape Vincent-Kingston service in the near future.

An advertising card of a Kingston concern entitled "Pass It On," found its way overseas to soldiers' camp and was returned with the signatures of quite a number of men in khaki.

Prevost, Brock street, has received a nice assortment of boys' and men's summer suits, also men's pants. We have the best value in the city for blue and Oxford grey suits.

HELP FOR THE ARMY

Purchase of War Savings Certificates of Service.

There are no luxuries in the men in the firing trenches. There should be none at home. The men and women of Canada should be worthy of their fathers and husbands, brothers and sons, who are fighting for them. The sacrifice involved in abandoning luxuries and exercising thrift is nothing compared to the sacrifice of the men in France, but it is essential to their comfort, their strength and their success.

The cost of the army is tremendous. That cost can only be borne if individuals throughout the Dominion invest in War Savings Certificates. They can be purchased at any bank or money order post office. They are issued in three amounts, for three year periods, and bear interest at the rate of over five per cent. Twenty-one dollars and fifty cents will buy a \$25 certificate. Those for \$50 and \$100 can be purchased for \$43 and \$86. The money can be withdrawn at any time with proportionate returns on the amount invested according to the period of investment. Serve by saving and invest in War Savings Certificates for your country's sake and your own.

RODE ON WRONG SIDE.

An Autoist Pleaded Guilty and Paid Fine.

There is trouble in store for auto drivers who go on the wrong side of the street.

Oliver Clarke pleaded guilty before Magistrate Farrell to riding his car on the wrong side of the street on Tuesday, and was fined \$5 and costs. The complaint was laid by Constable Arnie.

From time to time complaints are made about people transgressing the rules and regulations of the road. Every driver should read them.

CONFISCATED LIQUOR

Will be Divided Among Hospitals for Medical Purposes.

As the result of the efforts put forth by Mayor Hughes, two cases of liquor recently seized by Inspector McCammon and the police will be divided among the three local hospitals, the Hotel Dieu, General and Rockwood instead of being used to flush out the city sewers, as has been the custom in the past. Permission has been given by the Ontario License Board for the distribution of the liquor.

Looking For Help.

Justice of the Peace George Hunter is still besieged with requests for farm help. Every day farmers are coming to his office asking for men or boys to help to man the farm.

If there are any men or boys who are anxious to be placed to help the farmers in increased production he should be glad to have them call and submit their names to him.

Paid Dearly For Drink.

A fine of \$10 and costs was on Tuesday morning imposed on Thos. Shields by Magistrate Farrell for being intoxicated. He had been remanded from Monday, when he stated that he got his liquor from a man who had a bottle in a laneway on Queen street. The man who was so generous with the bottle is conspicuous by his absence. Shields' fine was paid.

Twenty-five Pupils Entered.

Twenty-five pupils have entered the garden competition for prizes donated by the Board of Education. The pupils who are in the contest are working hard in their garden, and a very fine showing is expected. A committee of judges will be appointed in due time to make the awards.

Change of Time.

In connection with summer change of train service on the Canadian Northern Railway, effective June 16th, trains between Kingston, Tweed, Ottawa and Toronto will run on the same schedule as at present, except that the train now leaving Ottawa at 1:10 p.m., except Sunday, on and after the above date, will leave at 12:50 noon, arriving in Kingston same time as at present. For further particulars, see latest time table folders, or apply to J. E. Ivey, station agent, or M. C. Dunn, city agent.

MORE PRISONERS NEEDED

If The Manufacture is to be Continued at the Jail.

There are now so few prisoners in the county jail that the County Council fears it may have to discontinue the tile manufacturing plant which has been operated by the prisoners for some years. At present there are only half a dozen men confined, and most of these will shortly be at liberty. The liquor famine is responsible for the reduced jail population. Unless the officials themselves turn in there will be little tile manufactured within the jail walls this year.

Lost Boy Was Found.

On Monday a seven-year-old lad named Smith, living at 59 Queen street, disappeared from his home and gave his parents a great deal of worry and anxiety until rounded up in the afternoon about 3 o'clock. The father and mother were about to start off for their summer camp when the youngster started out on his own accord, and spent several hours amusing himself around the city.

Market on Tuesday.

The markets on Tuesday and Thursdays is becoming smaller each year. In times gone by Market Clerk McCammon says there used to be good-sized markets, but with the scarcity of men to help in farm work now the farmers are coming out only on Saturdays. On Tuesday morning there were no wagons on the square, and only a few of the gardeners lined up along King street.
