The use of Dr. Chase's Nerve Food changed all this, and now with scores of other people Mr. Nader is recommending the use of this food cure as the best means of building up the exhausted nervous system and curing headaches, indigestion and all the annoying symptoms of a run-down condition.

R.C.H.A. CRICKET GAME

The Sergeants Defeat the Bandmen by a Big Majority.

The cricketers of the R.C.H.A. sergeants' mess last Tuesday evening at Petawawa Camp indulged in a friendly match with the R.C.H.A. band. Several members of the band, who have played the ancient and noble game in almost every country where the Old Jack flies, defended their wicket nobly, but finally succumbed to the onslaught of the young blood, Temple, Clarke and Kelly of the R.S.A. Instructional staff. The members of the sergeants' mess team took full advantage of the easy bowling of the bandmen and drove the ball all over the field, much to the discomfort of the old soldiers. The score stood: Band, 34, all out; Sergeants, 166 for nine wickets.

HOLLAND MAY YET ENTER GREAT WAR

The Queen Warns That Danger Continues to Menace the Country.

The Hague, June 30.—In a speech from the throne at the opening of the extraordinary session of parliament Queen Wilhelmina, referring to the almost unanimous declaration of the dissolved states-general in favor of a revision of the provisions of the constitution dealing with suffrage and education, said:

"It is for the states-general to decide whether the work thus begun shall be completed. No other measures will be submitted to you. Thus you will be able to devote your full attention to the questions arising from the war, and preparations for the vigorous development of our country. Should this year pass without the peace so ardently desired, our manifold sacrifices will continue to be demanded of the Netherlands people, and we are confident that the sacrifices will be made cheerfully."

"Although, thanks to the new taxes, the financial situation gives no ground for anxiety, a considerable strengthening of the finances is nevertheless unavoidable. "Our relations with foreign powers are favorable. There are many reasons for gratitude, but let us not forget that so long as the war wages dangers threaten the country, and the people may again be called upon to use their utmost strength for liberty and independence. That God may guard them is my earnest prayer."

Change of Time.

Your friends will be at the picnic on Monday.

Suffered With Heart For Ten Years

Would Nearly Smother.

There is nothing that brings with it such fear of impending death as to wake up in the night with that awful sense of smothering. The uncertain and irregular heart action causes the greatest distress of both mind and body.

Milburn's Heart and Nerve Pills are the only remedy that can give prompt relief and effect a complete cure in cases of such severity.

They strengthen and invigorate the heart, so that it beats strong and regular, and tone up the nervous system so that the cause of so much anxiety becomes a thing of the past.

Mrs. M. O. McCready, Wapella, Sask., writes: "I am not much of a believer in medicines, but I feel that it is only right for me to let you know what your wonderful remedy has done for me, and in a very short time, too. I had suffered terribly with my heart for nearly ten years, could scarcely do any work, and would nearly smother at times. I had many remedies, some only relieving me for a time. I got a box of Milburn's Heart and Nerve Pills and felt so much better that I kept on using them, and can truthfully say I feel like a new woman. "I would advise anyone with heart trouble to use them."
