MORE SPEEDERS CAUGHT

Several Will Make Their Bow Before Magistrate To-morrow. Speeding of autos must stop. The police are out to do all they can to put a stop to the nuisance. Citizens Whig from day to day about the speed of some of the cars. A large batch of drivers have already been fined, and eight more drivers have been summoned to come before Magistrate Farrell on Thursday.

BUILDING IN KINGSTON

Over \$40,000 Less Done So Far This Year Than Last

The City Engineer reports that during the six months of 1917, ending June 30th, the building permits amounted to \$76,279, as compared with \$116,849 for the same six months of 1916, a decrease of over \$40,000. The June permits amounted to \$10,192 as compared with \$24,-396 during the same period of 1916.

Takes Over the Garage. W. G. Robinson, agent for the McLaughlin car, has taken over the garage formerly conducted by R. J. Furzy at 34-38 Princess street, and will operate it in future in connection with his agency. The many owners of McLaughlin cars, as well as those owning other cars, will be assured of good service under the new management.

Auto Thieves Busy.

Automobile thieves are busy in the city these days. On Tuesday after-noon A. Drysdale had a Chevrolet car stolen, which had been loaned to him while his own was being repaired. While in a theatre he left the car on Sydenham street and some person with nerve came along and took it, and it has not been located

The Most Real and Most Vivid of War Books

"Over the Top"

By Arthur Guy Empey, Machine Gunner Serving in France

For a year and a half, until he fell wounded in No Man's Land, this soldier saw more actual fighting and real warfare than any war correspondent who has written about the war. His experiences are grim, but they are thrilling and lightened by a touch of humor as original as the Soldiers Three. And they are true.
