GIVES BIBLICAL REASONS.

Declares That God Overruled Britain's Bribe of Cyprus to Greece to Secure Her Assistance.

On Sunday evening last a large attendance of the united congregations of First and Bethel churches gathered in the First Congregational church to hear the pastor, the Rev. T. De Courcey Raynor, preach a very interesting sermon on "Why the British Will Win the War." The texts were Genesis xii., 3, and Isalan xviii., 1, 2 and 7: "Ho to the land shadowing with wings, which is beyoud the rivers of Etheopia: That sendeth ambassadors by the sea. even in vessels of bulrushes upon the waters, saying, Go ye swift messengers, to a nation scattered and peel-

Mr. Rayner said in commencing: "The Bible reveals the interesting fact that God has a definite work for our Empire, and particularly for our navy to do, in the great events which will occur after the war, and because of this I am confident that we will win. Of course mere statements do not constitute proofs. It is one thing to say that God has a work for our Empire and navy, and another thing to prove it. You may say that neither our Empire nor our navy are mentioned in the Bible, yet I am sure that while the actual

God has promised to bring the Jews back to their own land, and our empire and navy are to help in this great

"If you study prophecy you will find that the restoration of the Jews is bound up with the Isles of the Sea. In Jeremiah xxxi., 10-12, God tells the 'isles' that His people are to be gathered back to Jerusalem. In Isaiah 49 God tells the isles three things: 1st, that Jews are God's people; 2nd, that they are to be restored; and, 3rd, that the isles are to help them back to their own land. Who are the isles?? Rev. Dr. Schor says the British Isles. No other nation known by the title 'isles' or possessing so many isles. Then in Isaiah 77, verses 1-2, 'land shadowing with wings' means a world-wide empire. 'Beyond rivers of Etheopia' the Union Jack waves over nearly all of Africa's rivers.
