Sir Thomas White,

Minister of Finance.

S it nothing to you that men from all round you have sacrificed home and salary, safety and life, to defend your home as well as their own?

Is it nothing to you that their wives and families tremblingly

scan each casualty list, and pale at the step of the postman or telegraph messenger? Can you see others giving their dearest, without feeling that

you must do something yourself? Do you wonder what to do? You can at least save—and lend your savings to the nation. Canada needs every dollar her loyal sons and daughters can spare,

to meet the growing expenses of the struggle. Every dollar you invest in Canadian War Savings Certificates helps the nation to deal generously with those who are defending you.

Certificates in denominations of \$25, \$50 and \$100, repayable in three years, may be purchased at any Bank or Money Order Post Office at \$21.50, \$43 and \$86 respectively. This means over 5% interest-making them a profitable as well as a patriotic investment.
